HOP BACK BREWERY WILTSHIRE

John Gilbert was a pioneer of the new wave of microbrewers that appeared in the early 1980s, running the Battersea and Brixton Brewery. In 1986 John decided to strike out on his own, so sold his house in London and bought a traditional street-corner pub in Salisbury – The Wyndham Arms. From the beginning, the quality of the beer and the ambiance of their first pub proved a hit with local drinkers.

CALYPSO

SLOVENIAN RHAPSODY

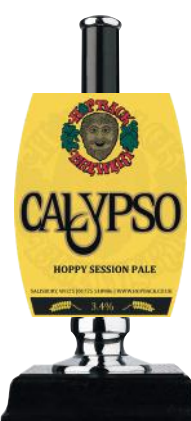

Amazing Slovenian hops give this a crisp bitterness, a delicious hoppy flavour, and a seductive, flowery nose.

CITRA

SUMMER LIGHTNING

An extremely pleasant straw-coloured beer with an intense bitterness, leads to an excellent, long dry finish.

WHY PINS OF BEER HELP YOUR LOCAL PUB

A pin is a smaller cask of beer (about half the size of a normal one), and it makes a big difference:

- **Fresher Pints** - smaller casks empty faster, so every pint tastes its best.
- **More Choice** - pubs can offer a wider range of beers without worrying about waste.
- **Supporting Pubs** - less spoilage means less money down the drain, helping your local stay thriving.
- **Safer for Staff** - lighter to move and easier to handle behind the bar.

So when you see beer being served from a pin, it's not just good news for your pint – it's good news for your pub too.
