

Overcoming the failure of the art college

**Hi my name is
Jungseunghyeok I'm a
first year middle
school student I like
listening music and
playing jogging I wrote
this story because I
wante to share the
importance of
friendship**

I am learning to
draw for art school

Looking at art school drawing

An illustration of a young man with dark, messy hair and a worried expression, sitting at a desk. He is resting his chin on his hands, looking directly at the viewer. On the desk in front of him are a laptop, a pen, and some papers. A desk lamp is visible on the left, casting a warm glow. The background shows a wall with some papers pinned to it.

I want to pass

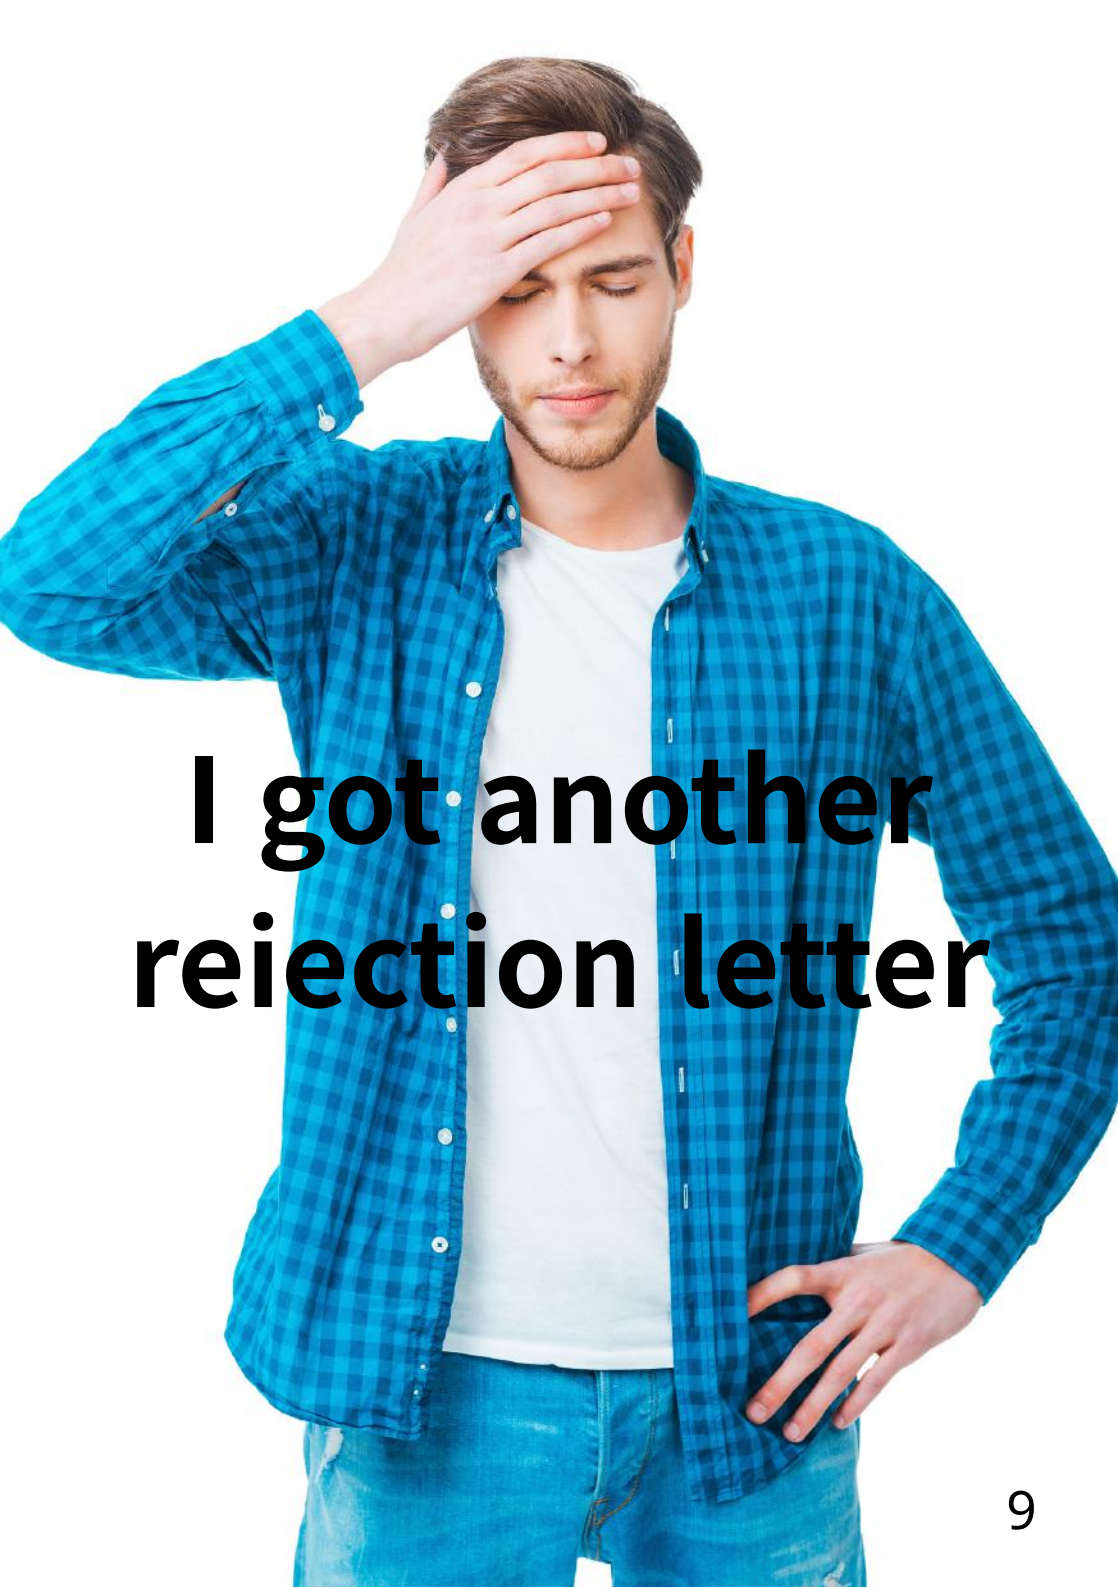

I was not accepted

**I draw more and
work harder**

**I got another
reiection letter**

**I blame my self for
my ability**

**I find another
ability**
