Premium Coffee Mill *EKM 600*

For the perfect coffee or espresso – a barista-style experience at home

quiet conical grinder with metal gearbox

robust, preserves the flavour (approx. 450 rpm), precise from extra-fine for espresso to coarse for French press (75 grind settings)

maximum flexibility when grinding

grind directly into a standard portafilter (51/54 and 58 mm Ø) or conveniently into the collection container

optimised dead space management

thanks to a compact design with minimal dead space (0.5 g) and an additional bellows for consistently fresh grinds

premium grinding consistency

in the fine particle range (0.355 mm) for optimum extraction results

Additional features:

- grinding time adjustable in 35 steps from 3 to 60 seconds, automatic switch-off
- modular stainless steel grinding mechanism for easy cleaning
- attachable bellows removes any residual powder from the grinder
- removable beans container (120 g) with locking system
- removable powder container (90 g) with aroma seal
- magnetic powder outlet, built-in LED lamp
- 2 portafilter holders (51/54 and 58 mm Ø), 2 filling aids, bellows, cleaning brush

Anti-static function

prevents static build-up in the ground coffee

Always fresh ground:

A bellows removes residual powder from the grinder

Technical specifications

Type:	EKM 600	EAN:	4001797 010179
Colour:	anthracite	RRP:	149.99 €
Power:	230 V · 150 W	Availability:	available
Dimensions:	15.5 x 22.5 x 30.5 cm	PU:	1
