.Mekele

The background is a solid light beige color. It features several abstract elements: two curved wooden shapes, one in the upper right and one in the lower left, both with a dark brown wood grain texture and a black rectangular end. Thin vertical grey lines and thin curved black lines are scattered across the composition. In the top left and bottom right, there are white line drawings of architectural or mechanical components, including a bracket-like shape and a curved line with a rectangular end.

JINCA I VISION

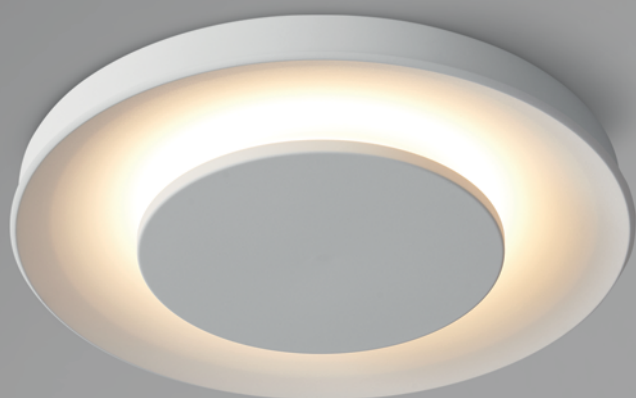

The background is a solid dark gray. It features several abstract, overlapping circular and semi-circular shapes. In the top-left and bottom-right corners, there are glowing, golden-yellow rings with a 3D effect, suggesting depth and light. In the top-right and bottom-left corners, there are concentric white circles, some of which are slightly offset from each other, creating a sense of motion or layers. The word "Flam." is centered in a large, white, sans-serif font.

The background of the advertisement features a light gray surface with several long, black, rectangular light fixtures suspended at various angles. These fixtures are illuminated from within, casting a warm, yellowish glow. In the upper left corner, there is a complex pattern of white, thin, rectangular lines that overlap and intersect, creating a grid-like structure. The overall aesthetic is modern and architectural.
