Rediscover a Sense of Vibrancy

Haraya Residences' amenities component is the heart of the vertical gated village—where privacy, community, and vibrant landscaping come together.

Escape to the private gardens on the podium or catch a movie with family and friends at The Viewing Room. Curl up with a novel at The Library or wine and dine guests in exquisitely furnished function rooms.

The outdoor amenities of Haraya Residences offers over 2,500 square meters of thoughtfully designed outdoor amenities, featuring a variety of beautifully tended green spaces and private nooks. Unwind with the whole family in the swimming pools and kid's play areas; decompress in the jacuzzi after a day at the office; rejuvenate with some outdoor yoga under the swaying trees.
