Trip Overview

Embark on an unforgettable 10-day journey through **Egypt**, highlighted by the once-in-a-lifetime solar **eclipse on 2 August 2027**. Begin in Cairo exploring the capital's treasures before travelling by overnight train to Sohag to visit the iconic **Temple of Abydos**, one of ancient Egypt's most sacred sites and the legendary cult centre of Osiris.

From Sohag, the journey continues south to **Luxor**, where the stage is set for the highlight of your adventure: the solar eclipse. Witnessing this rare celestial event over the timeless landscapes of Upper Egypt will be an awe-inspiring moment, uniting the wonders of nature with the grandeur of history.

Following the eclipse, you embark on your Nile cruise, sailing in comfort and style from Luxor to Aswan. Along the way, discover the great temples and monuments that line the riverbanks — the sprawling **Karnak Temple Complex**, the elegant Luxor **Temple**, and the royal tombs of the **Valley of the Kings** on the West Bank.

Continue your cruise with visits to the Temple of Horus at **Edfu** and the twin temple of **Kom Ombo**, before reaching Aswan to explore the High Dam, the Unfinished Obelisk, and the enchanting Philae Temple. An optional excursion to Abu Simbel showcases one of **Egypt's greatest** monuments. Conclude with an overnight train to Cairo and onward transfer to the airport, ending a journey that blends Egypt's timeless wonders with the rare beauty of a solar eclipse.

Return to Cairo by **sleeper train** and transfer to the airport, concluding a journey that unites Egypt's timeless wonders with the rare beauty of a solar eclipse — truly once in a lifetime.
