At Julie Ryan Photography, we believe:

your *irreplaceable* moments deserve to be captured.

Senior year is an important milestone not just for you, the graduate, but also for your whole family. There are so many memories to hold onto and so many new stories yet to unfold. As your family watches you transition into your next chapter, we want to stop time for just one day and pause to celebrate all that you've become.

It's our greatest joy to tell your authentic story and uncover your inner spark! We can't wait to learn about the people, passions, and personal expression that matters most to you. Together, we'll create a day of photography fun you and your family will always remember and a time capsule that is uniquely yours.

We know we can't stop time from ticking, but with the experience ahead, we can **forever hold onto the memories that matter most.**

WHAT *to* WEAR

FOR MOMS, DADS & GRADS

Opt for form-fitting.

For a slimmer, trimmer look, body skimming is definitely best. Look for slim-fit shirts, jackets and figure-hugging blouses, tops, and dresses.

Avoid pattens.

Keep patterns to a minimum as they may pull attention from your face. Take advantage of textures and layers instead. Textures like lace, ruffles, sequins and ruching add visual interest. Layer tailored clothing by adding a form-fitting sports jacket, v-neck sweater, or hoodie.

Bring a variety of colors.

We suggest something light, something dark, plus a pop of color that brings out your eyes.

Consider sleeve length.

Long and ¾-length sleeves are universally flattering and provide a clean, polished look. Sleeveless is great on toned arms, but avoid cap sleeves as they will visually chop your arms. For a GQ casual look, roll sleeves on your favorite button down shirt.

Vary your look.

Photographing in multiple outfits? Vary the mood. Vary the silhouette. Vary the length. Variety allows us to create a range of poses and body language to express the full range of who you are!

Dress up. Dress down.

Bring on the suits, epic gowns and fashion-forward looks. Shift gears and show us your carefree side with relaxed denim and smart casual.

Pack favorite accessories.

Watches, cuff links, glasses and pocket squares should be clean and presentable. Top off your look with a fashionable hat. Accessorize with expressive jewelry that speaks to your style.

Remember the details.

We'll be photographing you head to toe. Remember to bring your favorite statement shoes & don't forget coordinating socks. Pack appropriate undergarments. Foundational pieces (like shapewear) will help you look and feel great!
