BULBO

SUPERFICI MAGNIFICHE

Let me be your fantasy

"Immaginami come un sarto d'anime.
Entro in te in silenzio, come si entra in un tempio,
fino a sfiorare quella luce che nascondi e poi ti cucio
addosso un abito che non ti veste: ti rivela".

"Imagine me as a tailor of souls. I enter you in silence, as one enters a temple, until I gently brush against the light you conceal; then I sew onto you a garment that does not clothe you:
it reveals you."

« Imagine-moi comme un tailleur d'âmes. J'entre en toi en silence, comme on entre dans un temple, jusqu'à effleurer cette lumière que tu caches, puis je te couds un vêtement qui ne t'habille pas :
il te révèle. »

„Stell dir mich als einen Schneider der Seelen vor. Ich trete schweigend in dich ein, wie man einen Tempel betritt, bis ich jenes Licht streife, das du verbirgst, und dann schneidere ich dir ein Gewand auf den Leib, das dich nicht kleidet: Es enthüllt dich."

Ho pensato a 130 colori esclusivi a tinta unita, con superficie opaca, lucida o soft touch, proposti in diversi formati fino al 100x300cm (spessore 3,5mm) e 120x280cm (spessore 6mm), figli del ricordo di viaggi e di esperienze sensoriali: i colori, come i lineamenti, seguono i cambiamenti delle emozioni. Non bisogna avere paura dei colori; del resto il mondo è a colori, non in bianco e nero. Ogni colore è un profumo, ogni colore è una musica e non si può rinunciare ai colori, ai profumi e alla musica. Sarebbe come rinunciare alla vita stessa.

I have created 130 exclusive solid colours, each available in matte, polished or soft-touch finish, offered in multiple sizes up to 100×300cm (3.5mm thick) and 120×280cm (6mm thick). They are born from the memories of journeys and sensory experiences: colours, like facial expressions, shift with emotions. There is no reason to fear colour; after all, the world is in colour, not black and white. Every colour is a fragrance, every colour is a melody. We cannot renounce colours any more than we can renounce scents or music. That would mean renouncing life itself.

J'ai imaginé 130 couleurs exclusives en teintes unies, déclinées en finition mate, brillante ou soft-touch, proposées dans de nombreux formats jusqu'au 100×300cm (ép. 3,5mm) et 120×280cm (ép. 6mm). Elles naissent du souvenir de voyages et d'expériences sensorielles : les couleurs, comme les traits du visage, évoluent au rythme des émotions. Il ne faut pas avoir peur de la couleur ; le monde, après tout, est en couleur et non en noir et blanc. Chaque couleur est un parfum, chaque couleur est une musique. Renoncer aux couleurs reviendrait à renoncer aux parfums et à la musique. Ce serait renoncer à la vie même.

Ich habe 130 exklusive Unifarben erschaffen – in matter, polierter oder Soft-Touch-Oberfläche, in zahlreichen Formaten bis 100×300cm (Stärke 3,5 mm) und 120×280cm (Stärke 6mm). Sie sind Kinder der Erinnerung an Reisen und sinnliche Erlebnisse: Farben verändern sich wie Gesichtszüge mit den Gefühlen. Man muss keine Angst vor Farbe haben; schließlich ist die Welt bunt und nicht schwarz-weiß. Jede Farbe ist ein Duft, jede Farbe ist eine Melodie. Auf Farben zu verzichten hieße, auf Düfte und Musik zu verzichten. Das wäre, als würde man auf das Leben selbst verzichten.

DADO MAGICO, il gres porcellanato che cambia colore e incanta lo sguardo: i numeri dei dadi si trasformano in un gioco di illusioni raffinate, dove ogni passo accende nuove sfumature. Leggera e visionaria, nata dall'incontro con l'artista kosovaro Tinko Pelai, trasforma lo spazio in un teatro incantato, dove la prospettiva diventa meraviglia e il design pura magia.
