THE DOMINION COUNTRY CLUB

*provides an
elegant setting*

THROUGHOUT ALL THE SEASONS.

The outdoor venue offers majestic live oaks and hills of green, accented by a beautiful lake and a flowing fountain that sets the tone for a tranquil outdoor ceremony. Wedding guests sit on three levels of white-cushioned seats to ensure unobstructed views of the ceremony near a blooming flower bed alongside the Cantera-stone fountain.

The sitting room features expansive floor-to-ceiling windows and Cantera-stone columns that encircle the dance floor beneath an octagonal dome.

The Renaissance-style architecture carries over to the more-intimate wine room, where a magnificent chandelier hangs within a domed ceiling with a painted backdrop of sky inspired by Michelangelo's work.

An expansive 2000-square-foot dance floor and a hand-carved bar and atrium is available for larger weddings.
