

A modern interior design scene featuring a bedroom and dining area. In the foreground, a bed with a dark, quilted headboard and footboard is dressed in white linens. To the right, a dining area includes a table and two chairs with a matching quilted pattern. The background shows a bathroom with a glass shower enclosure and a vanity. The walls are a mix of rough, textured concrete and smooth, light-colored panels. The lighting is soft and ambient, creating a sophisticated atmosphere.
