N2N TAKEOFF CHALLENGE

Teams, its showtime!

Before we hit the island, we're bringing the energy straight from the airport. Each team — led by your two conductors — will create a TikTok or Facebook transition video showing your journey from Nashville to Nassau. Then upload your video to Facebook BEFORE your connecting flight leaves for Nassau. This is your moment to rep your team name, your energy, and your creativity.

And here's the challenge:

- Create a transition that takes your team from airport mode to island mode. Think snap, spin, jump, luggage toss, camera swipe, group move — whatever your team can pull off. You can record while waiting at the Nashville airport or during your layover — bonus points for creativity and teamwork!
- Use the hashtags #N2NTakeoffChallenge, #N2N and #N2N + yourTeam name so we can see everyone's videos.
- You and your conductors must appear in the video — no hiding!
- The most creative, fun, and smooth transition wins bragging rights and a surprise prize at the welcome reception!

Bring the heat, bring the creativity, bring the SMOOTHEST transition — because only ONE team will walk into Nassau as the undefeated N2N Takeoff Champions. Judging will be done by the Ministry of Tourism's welcome team.

SEVEN TEAMS. SEVEN VIBES. ONE CROWN.

If your team thinks you're the ones to beat,

PROVE IT.
