CONGRATULATIONS TO THE WINNERS

Honouring Engineering Excellence

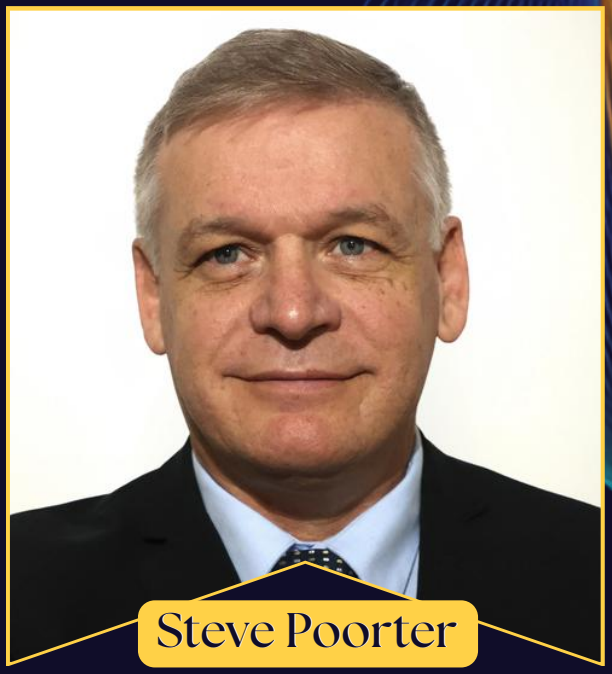

Congratulations to all award recipients and finalists whose dedication, expertise and commitment to excellence continue to shape the future of infrastructure development in Southern Africa.

Your achievements highlight the vital role of engineering professionals in building sustainable communities and advancing the construction industry.

THE ASSOCIATION'S AMBASSADOR

Strengthening Industry Collaboration

The Association was honoured to be represented by Steve Poorter, Director of the Association, at this prestigious event.

Steve's participation reflects the Association's ongoing commitment to supporting the engineering and construction sectors through effective arbitration, adjudication, mediation and alternative dispute resolution (ADR) practices.
