Live Adventurously

Summer Term @ Sidcot School

International Immersion Programme

Summer Term @ Sidcot is the ideal way to experience the range of activities the School is proud to offer. The International Immersion Programme is designed specifically to give your child a taste of life as a UK boarder.

Alongside a variety of activities, your child will also attend English, Maths, and other academic subjects alongside UK students, with bespoke EAL (English as an Additional Language) support tailored to their level of English.

Join our boarding community

Your child will be part of our boarding community, living alongside international students from 20+ countries, making lifelong friends and special memories.

We welcome students in Years 7-9, 10, and 12 to join our Summer Immersion Programme, which will not only provide your child with a one-of-a-kind UK boarding experience but also offer the opportunity to become part of the worldwide Sidcot community.

Activities Week

At the end of the school year, we celebrate students' hard work with a range of fun activities to begin the summer holidays.

Subject to availability, short-term immersion students may have the opportunity to join Year 7 and 8 students for a week of activities such as visits to the Cotswolds Water Park, The Making of Harry Potter Studio Tour, Bristol, beach trips, forest adventures and more.

In the final week of term, students may also have the opportunity to travel to North Devon with Year 9 for the annual Watersports Camp, including activities such as surfing and bodyboarding. Where participation is available, the camp fee is included in the Summer Immersion Programme fee.

After School Activities

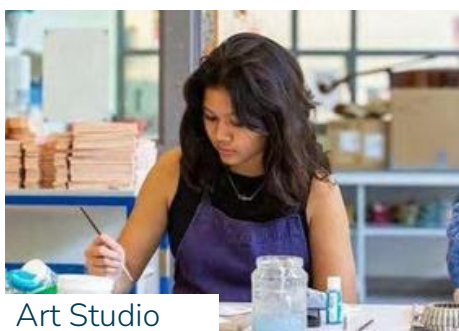

From horse riding to golf, we have a huge range of After School activities to provide your child with the chance to make the most of their time at Sidcot. Whether they want to learn a new skill, or enjoy spending time with new friends, our activities give your child the choice to live life to the full!

PASS Programme

The Programme of Activities for Sidcot Students has been designed to provide all students with exciting opportunities to live adventurously, to live out the School's values, to play an active part in being an Ashoka Changemaker School, to develop leadership skills, and to enhance their ability to be excellent team players.

Students choose activities to last for a half term. This means that, during the Immersion Programme, students take part in two different PASS activities, subject to availability, allowing plenty of opportunity to live adventurously!

Weekend Activities

Trips to Bristol, Bath, and London are organised throughout the year. Other trips may include meals out, theme parks, theatre trips, places of historical interest, sporting events and more! These trips are optional, but a great way to explore the UK and get an authentic British experience.

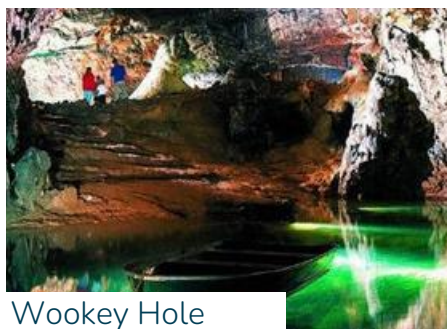

SS Great Britain

Stonehenge

Longleat Safari

Wookey Hole

Weston-Super-Mare

Surfing

Optional extras

Horse riding lessons

With a thriving livery yard in the heart of the School, Sidcot students benefit from a comprehensive Riding Programme. For an additional cost, students can choose between group or 1:1 lessons with our experienced Equestrian team.

EAL lessons

Students on our Summer Immersion Programme who need additional support with their English, can choose to have some extra EAL lessons with our experienced EAL team for an additional cost.

Music lessons

The Music Department at Sidcot is a creative hub of talent and musical delight. Our peripatetic music teachers provide lessons for a wide range of instruments, including guitar, piano, violin, trumpet and cello. These are charged as extras.

Sports lessons

Sidcot provides sports tuition for students of all abilities, helping them develop skills and a love for physical activity. Our coaches offer tailored programmes in sports like tennis and basketball, using our excellent facilities to help students reach their full potential.

For further information on our extras fees, visit our website www.sidcot.org.uk/fees, or contact us directly.

End of Year Events

The end of Summer Term at Sidcot is an exciting time filled with memorable events to celebrate another year of hard work, student growth and success. Here are some of the End of Year activities your child can look forward to:

Garden Party

The Sidcot community comes together every Summer to enjoy a Garden Party in the sun. Our students are invited to browse the range of stalls on offer, take part in activities and games, and enjoy a BBQ, afternoon tea, student musical performances and more!

Sports Day

Our Senior School Sports Day is an annual event packed with Sport for everyone. From the classic Track & Field competitions to Rounders, Tennis, Skateboarding and more, there is something for everybody! The day is filled with friendly rivalry, athletes aiming to beat their personal bests, and students trying something new.
