COUNTY COACHING SCHEME

Any member who is interested in becoming a Certified Club Coach should contact the County Secretary for further information.

GREEN MAINTENANCE ADVISORY SCHEME

The Bowls England Greens Maintenance Advisory Service provides FREE practical advice and assistance to clubs regarding all issues related to the bowling surface. Advice is given by qualified green keepers, the majority of whom are members of the Institute of Groundsmanship (IoG). They are organised through Regional Co-ordinators and County Representatives. Should more complex problems occur, further advice can be sought from outside agencies including the Sports Turf Research Institute (STRI). Clubs are responsible for meeting the costs of any remedial work that is required following the free visit from the Greens Maintenance Advisory Service.

MEN'S COUNTY CHAMPIONSHIPS

This year has seen the north & south split removed in all the men's championships except the Two Bowl Singles.

The early rounds are also now a play BY date rather than a set date.

Another change is that the home team now pick the rink and do not have to offer out two rinks to the away team.

In Bowls England competitions you still have to offer two rinks to the visiting team for them to pick one from.

All Semi finals including U25 Singles, U25 Pairs, Champion of Champions and Senior Fours will be played during the week commencing July 13 at Houghton DL.

The 2026 County finals will take place at Houghton DL on weekend July 25/26

SAFEGUARDING

Safeguarding is about creating a safe and welcoming environment for everyone involved, from young players to adult bowlers. It's about taking steps to prevent and address any kind of harm or abuse. This includes supporting coaches and volunteers to spot potential problems, making sure Bowls England routes to reporting are clearly understood, and encouraging a culture of respect and fairness throughout the bowling community.

The County Safeguarding Officer is -: TBC

All clubs are required to have a Safeguarding Officer in place. If you are struggling to find a volunteer please contact the County Secretary to discuss. It is now allowed to use another club's Safeguarding Officer or the County one.
