COURSES & TEACHINGS OVERVIEW

FOUR LEVELS OF STUDY

We offer **FOUR levels of study**, each designed to deepen the student's understanding of Biblical principles and equip them for Christian living and service.

[Level 1 - Spiritual Growth Series- hyperlinked booklet](#)

With many teaching booklets covering an extensive array of doctrines—accessible through hyperlinks in our online Crusade Booklet—we've developed a valuable resource for spiritual growth. In the ***Spiritual Growth Series***, we've prepared a six-session outline—which can be extended or tailored to suit your teaching needs—as a suggested guide for teaching the foundational truths of God's Word to new Christians. This provides much-needed spiritual nourishment and helps new believers grow, become stable, and strengthen their relationship with the Lord. Remember, people need to learn progressively—line upon line, precept upon precept (Isaiah 28:10)—and we have endeavoured to create this opportunity through this carefully designed booklet.

Level 2- Extensive Teaching Resources for Leaders and Others

Designed for all Christians, this level offers approximately **75+ teaching booklets** which cover a broad range of Biblical teachings, Christian living topics, and counselling. These resources are drawn directly from the Word of God, and are designed to help Christians apply His Word to their daily lives. Open to anyone seeking to grow in their understanding of Scripture and to receive God's counsel in all areas of life, these booklets do not contain questions but are primarily intended to **teach, refresh, and edify** all members of the Body of Christ.

We are pleased to provide access to our extensive collection of over **75 teaching booklets in a Progressive Release Program**. These resources are designed to equip both **leaders and everyday believers** with the **doctrinal clarity** and practical insight needed for effective Christian living and ministry.

Whether used to refresh current leaders, nurture growing believers, or introduce spiritual concepts to new members, these booklets will prove to be an invaluable resource for your church or ministry community as it functions within the Body of Christ.

Level 3 - Foundation Studies

Our **Foundation Studies Course** consists of **seven initial Study Units** designed to build a strong Biblical understanding of foundational doctrine. Each unit is carefully crafted to deepen students' knowledge and faith, including a **guided review section at the end of each Study Unit**, where students select the correct answers from multiple options to reinforce their understanding and spiritual growth. After successfully completing all seven Study Units, students will receive a **Certificate of Achievement/Completion**.

We are confident that this course will provide a solid framework for all who seek to **establish or renew** their understanding of essential spiritual principles and core beliefs. We believe that integrating this foundational course into your curriculum will greatly benefit your church or ministry community.

To fully benefit from these studies, students should dedicate **TWENTY HOURS OR MORE OF STUDY** for each of the **SEVEN FOUNDATION STUDY UNITS** before attempting to answer the questions. This approach will help students retain and assimilate the Biblical truths that are highlighted and revealed.

Note: The College booklet titled [*Studying*](#) is designed to help students maximise the effectiveness of their learning and achieve optimal results.

Level 4 - Bible College Module Course

The fourth level offers the more in-depth **Bible College Theological Module Course**, which is also available online. This level is structured into three Series, with multiple-choice questions at the end of every Study Unit. Upon completing each Series, students will earn a **Certificate of Achievement**, reflecting their average percentage score. Upon completing all three Series, students will be awarded and sent an **Advanced Diploma of Theology**, reflecting their average percentage score over the three Series.

- [**Series 1: 8 Modules \(1 Study Unit per Module total 8 Study Units\)**](#)
- [**Series 2: 8 Modules \(2 Study Units per Module total 16 Study Units\)**](#)
- [**Series 3: 11 Modules \(2 Study Units per Module total 22 Study Units\)**](#)

As students progress, our **Christian Studies Module Series** will offer a structured and engaging pathway to facilitate deeper spiritual learning and understanding. These **units** are designed to be applicable and highly beneficial not only for those who are young in the faith, but also for older Christians, as well as those aspiring to enter into ministry or those already involved in ministry. With **Series 1, 2, and 3**, your students will explore a wide range of Christian doctrines and their application, supported by **multiple-choice questions** that challenge and inspire.

FORTY HOURS OR MORE PER STUDY is to be devoted to each of the Module Study Units before attempting to answer the questions. Once again, this would assist the student to retain and assimilate the precious Biblical truths that are expounded from the Word.

Purpose of the Advanced Diploma of Theology

The Advanced Diploma of Theology is designed to provide a comprehensive biblical and theological education for Christians who desire to grow in their knowledge and understanding of the Word of God, as well as for those preparing to enter Christian ministry.

The program enables students to study the Scriptures at a theological level, developing a deeper and more systematic understanding of biblical doctrine, theology, biblical interpretation, Christian belief and ministry. It is suitable both for Christians seeking greater

knowledge of God's Word for their own spiritual growth and service, and for those seeking the theological preparation necessary for ministry.

For those preparing for Christian ministry, successful completion of the Advanced Diploma of Theology represents completion of the theological component of their preparation as provided by Crossroads International Bible College.

The College recognises that theological education is only one part of preparation for Christian ministry. Practical ministry experience, character development, demonstrated calling, spiritual maturity, leadership ability and suitability for ministry are best developed and evaluated within the context of a local church or recognised Christian ministry.

Accordingly, completion of the Advanced Diploma of Theology demonstrates successful completion of the College's theological training program. It does not, by itself, constitute ordination or appointment to Christian ministry. The recognition, appointment or credentialing of a person for ministry remains the responsibility of the relevant church, denomination or ministry organisation.

Language Translations Available to Approved Registered Affiliates

These non-English documents have been produced by automated machine translation from the official English Master files. While every effort has been made to preserve the original content and formatting, automated translations may contain errors, omissions, or inaccurate theological terminology.

Accordingly, all Affiliates are required to have each non-English translation thoroughly reviewed and verified by a competent person against the original English Master before it is used for teaching, curriculum development, distribution, or ministry purposes.

For this reason, Affiliates must download both the English Master ZIP file and the corresponding translated-language ZIP file, or the corresponding English Master and translated-language non-zipped files, where files are provided individually. The English Master remains the authoritative source for determining the intended meaning of the College material.

By downloading and using these files, the Affiliate agrees that the translated material will not be used until this verification process has been completed.

IMPORTANT NOTICE REGARDING TRANSLATED MATERIAL

These non-English documents have been produced by automated machine translation from the official English Master files. While every effort has been made to preserve the original content and formatting, automated translations may contain errors, omissions, or inaccurate theological terminology. Therefore, each translation must be carefully reviewed, corrected and verified by a competent person against the original English Master before use.

By requesting or downloading our translated files from the College, you agree not to use these non-English translations until they have been thoroughly reviewed, corrected and verified against the original English Master. For proper verification, both the English Master and the corresponding translated-language files must be obtained, whether supplied as ZIP files or as individual non-zipped files.

Only after this verification and editing process has been completed may an Affiliate Member use the translated teaching material to develop their curriculum or teaching programs. The English Master remains the authoritative source for determining the intended meaning of the College material.

Multiple Choice Assessments

We understand that not every student will fully agree with every point presented in the Study Unit. In matters of doctrine and interpretation, sincere believers may hold differing views. However, for the purpose of assessment, students are required to answer all questions in accordance with the content and perspective outlined in the Study Unit.

This policy is not designed to suppress thoughtful theological reflection or personal conviction, but to maintain a consistent academic standard across the course. It ensures that each student is evaluated fairly—based not on personal background knowledge or denominational position, but on their engagement with and understanding of the material provided. This enables the College to accurately assess whether students have grasped the foundational principles as they are taught in the curriculum.

Moreover, this approach supports the integrity of a structured theological training process. By working within the framework of the provided content, students demonstrate discipline in learning, humility in receiving instruction, and respect for the educational journey set before them. This whole procedure also prepares them for further ministry training, where clarity of understanding and the ability to work within defined theological boundaries are essential.

Ultimately, this process fosters both academic excellence and spiritual maturity—ensuring that students are not only informed, but also developed in a way that equips them to serve with both knowledge and grace.

The multiple-choice questions are designed to assess students' understanding of the study material. While recognising that students may not agree with every point, we require their responses to reflect the content presented in the Study Units.

Each question offers up to four possible answers (a, b, c, or d). Students are encouraged to read each question and its answers carefully before selecting the correct option on the provided **1-100 answer sheet**. Performance is evaluated by percentage, and those completing the course will receive a **Certificate of Completion** based on their average score.

PROGRESSIVE RELEASE PROGRAM OF 75+ TEACHING BOOKLETS

Teaching Resources

Crossroads International Bible College provides a growing collection of Bible teaching booklets designed to strengthen believers in the Word of God, Christian foundations, spiritual growth, Pentecostal life, doctrine, discipleship and practical Christian living.

Because the full collection contains many studies, we believe it is often more helpful for believers to receive the material in an orderly and progressive way, rather than receiving everything at once. When too many resources are given at the same time, it can become overwhelming, and many Christians may not know where to begin or how to continue.

For this reason, Crossroads offers a Progressive Release Program for Individual Christian Growth.

Progressive Release Program

The Progressive Release Program is designed to help Christians move steadily through the teaching booklets in a clear and manageable order.

Participants normally receive six booklets every six months. This allows time to read, study, pray, reflect, and apply the teaching personally.

The purpose is not merely to collect information, but to encourage steady growth in the Christian life.

The booklets are arranged in a progressive teaching order, beginning with foundational Christian truths and then moving into Bible study, faith, prayer, healing, the Holy Spirit, spiritual growth, doctrine, covenant, Christian conduct and other important areas of Biblical teaching.

Why the Resources Are Released Progressively

The Progressive Release Program helps believers avoid becoming lost in a large library of material. Instead of receiving many booklets at once, each participant receives a smaller group of studies suited to the next stage of their growth.

This approach helps believers:

- begin with the most important foundations;
- study at a steady and realistic pace;
- avoid becoming overwhelmed;
- build truth upon truth;

- revisit and deepen important subjects;
- remain focused and consistent;
- continue through the material in an orderly way.

Some subjects may appear more than once in different ways. This is intentional. Important truths often need to be refreshed, reinforced and developed more deeply as a believer grows.

Continuing in the Program

At the end of each six-month period, participants will be asked to confirm that they are still continuing with the program and would like to receive the next release of booklets.

This simple confirmation helps ensure that the teaching resources are being used thoughtfully and that further material is only sent to those who still desire to continue.

If a participant does not continue immediately, their place in the program can simply pause until they are ready to resume.

Personal Study and Responsible Use

The teaching booklets are provided for personal Christian study, discipleship and spiritual growth.

Participants are asked to use the material respectfully and not to alter, sell, publish, reproduce or redistribute the booklets without written permission from Crossroads International Bible College.

The goal of these resources is to help believers grow in the Word of God, become established in truth, and walk more fully in the life and power of the Holy Spirit.

Affiliate approval is not automatic. Each application will be reviewed by Crossroads International Bible College according to ministry purpose, doctrinal agreement, and the level of study being requested.

Once an application is approved by the College, the Affiliate will be granted access to the College resources approved for that Affiliate level.

Affiliate Levels and Partnership Options

Crossroads International Bible College recognises different levels of Affiliate relationship. Each Affiliate is approved according to their ministry purpose, and the level of study they are authorised to undertake.

This structure allows churches and ministries to partner with the College in a way that is suitable to their training needs.

Affiliate Level 1 - Resource Affiliate

A Resource Affiliate is approved to access and utilise selected Bible teaching resources provided by Crossroads International Bible College.

This may include access to the available teaching booklets, Level 1 studies, and the Foundation Teaching Course, as approved by the College.

This level is suitable for churches, ministries, Pastors, leaders and Bible study groups that desire solid Biblical teaching material for local church training, foundational Christian instruction, and the spiritual strengthening of Believers.

Resource Affiliates may use approved materials for discipleship, group teaching, personal study, and local church instruction.

A Resource Affiliate is not automatically approved to offer the full Bible College curriculum, or the Advanced Diploma option, without further written approval being granted by Crossroads International Bible College. A Resource Affiliate is also not authorised to alter, or restructure in any way, official College study material.

Affiliate Level 2 - Special Approval Affiliate

A Special Approval Affiliate is approved to offer selected courses, as specifically authorised by Crossroads International Bible College.

This level allows the College to approve a church, ministry or training group to use a particular part of the curriculum for training purposes.

A Special Approval Affiliate may be approved for one or more selected levels of study, but is not automatically authorised to offer the complete Bible College curriculum. A Special Approval Affiliate must use any approved study material only in the official format supplied by the College. This level provides flexibility where a ministry may be well suited to offer certain studies, but not yet approved or equipped to operate as a Full College Affiliate.

Affiliate Level 3 - Full College Affiliate

A Full College Affiliate is approved to offer the full Crossroads International Bible College curriculum, subject to College requirements and ongoing oversight. This approval authorises delivery and supervision of the curriculum. It does not authorise the Affiliate to change, expand, restructure, or doctrinally modify any part of the official College curriculum.

This level is suitable for churches and ministries who are doctrinally aligned with Crossroads International Bible College, and are able to provide appropriate oversight and student support. STATEMENT OF BELIEFS

We hold to the same statement of beliefs as the Australian Christian Churches (A.C.C.).

"The Holy Scriptures, known as the Bible, is the inspired Word of God and our all-sufficient rule for faith and practice. These articles of faith of the Australian Christian Churches (formerly Assemblies of God in Australia), grounded in these scriptures, are given as a basis for belief, fellowship and ministry "that we all preach the same thing" (1 Corinthians 1:10). Let it be remembered, however, that this is not given as a summary of the complete revelation of biblical truth, only that it covers our present needs as to these fundamental doctrines."

CROSSROADS COLLEGE STATEMENT OF BELIEFS is as follows:

THE ETERNAL GODHEAD.

We believe in God, who is eternal and self-existent, revealed as one being in three persons, Father, Son, and Holy Spirit, and the creator of all things.

THE LORD JESUS CHRIST.

We believe in Jesus Christ, the eternal Son of God, who was conceived of the Holy Spirit and born of the Virgin Mary. He lived a sinless life, ministering in teaching, healing, and miracles. He was crucified and died on our behalf. He rose from the dead and ascended into heaven, where He is now seated and exalted at the right hand of the Father as the risen Lord and intercessor.

THE HOLY SPIRIT.

We believe in the Holy Spirit, fully divine, who proceeds from the Father and the Son. He convicts, regenerates and sanctifies, and guides believers into all truth.

THE HOLY BIBLE.

We believe that the Bible is the inerrant, inspired, and infallible Word of God and our highest authority for faith and practice.

CREATION.

We believe that God created the universe and that all people are created in the image of God, to love and worship God.

THE DEVIL.

We believe in the existence and person of the devil, who actively opposes the purposes of God.

THE FALL OF HUMANITY.

We believe that all people have rejected God through their sinful acts and are separated from God.

THE ATONEMENT.

We believe that salvation is found in Jesus Christ alone who, by His suffering, shed blood, death on the cross, and resurrection, has made full atonement for the sins of all people. We receive salvation by grace through repentance and faith in Jesus Christ.

THE CHURCH.

We believe that the Church, the body of Christ, is the community of people who confess faith in Jesus Christ. While universal, the church is local in expression and witness. It exists for worship, fellowship, evangelism, discipleship, and mission. Gifts of ministry are given by Christ to strengthen and mature the church.

WATER BAPTISM.

We believe in water baptism by single immersion in the name of the Father, the Son, and the Holy Spirit. It is a public declaration of a person's faith in, and identification with, the death, burial and resurrection of Jesus Christ.

THE LORD'S SUPPER.

We believe in the Lord's Supper, which is in symbolic remembrance of the sacrifice of Jesus Christ until He returns.

SANCTIFICATION.

We believe in the regenerating work of the Holy Spirit, who convicts people of their sin and inspires repentance and faith. The Holy Spirit transforms believers into the likeness of Jesus Christ.

THE BAPTISM IN THE HOLY SPIRIT.

We believe in the baptism of the Holy Spirit, which is a transformative experience, distinct from and subsequent to salvation. It is available to all believers and accompanied by the initial evidence of speaking in tongues. It results in empowerment for effective witness to the world.

GIFTS OF THE HOLY SPIRIT.

We believe that the Holy Spirit imparts spiritual gifts to believers for ministry to one another, the Church, and the world.

DIVINE HEALING.

We believe that God heals today through the atoning work of Jesus Christ. By praying in faith for healing and miracles, we bear witness to and continue the ministry of Jesus Christ.

THE SECOND COMING OF CHRIST.

We believe in, and look forward to, the imminent and personal return of Jesus Christ to gather his people to Himself and to judge the living and the dead. His kingdom will have no end.

THE PUNISHMENT OF THE WICKED.

We believe in the resurrection of the body. All who believe in Jesus Christ will have everlasting life in the presence of God; those who reject Him will have eternal separation from God. It is the call of all believers to proclaim the message of Jesus Christ until He returns.

Comparison: AQF Level 6 vs. Crossroads Curriculum

AQF Level 6 Criteria	Crossroads Program	Alignment Level
Broad theoretical knowledge	Theology, Biblical studies, doctrine, Christian living---STRONG	✓ Strong
Depth of understanding	Structured progression into deeper layers of each doctrine---STRONG	✓ Strong
Application of knowledge	Doctrinal focus, applied via theological reasoning---MODERATE TO STRONG	✓ Moderate to Strong
Planning and self-direction	Fully independent study format---STRONG	✓ Strong
Communication and teamwork	Not formally evaluated--LIMITED	△ Limited
Practical ministry application	Covered theologically, not peer-reviewed or practised---THEORETICAL ONLY	△ Theoretical only

Summary Evaluation

- The Crossroads' program **clearly satisfies** most Level 6 expectations in terms of **content, scope, depth and structure**.

- It surpasses typical AQF Level 6 programs in **volume and breadth**.
- While limited in formal ministry practicum and peer interaction, it is effective for foundational ministry training and theological instruction.

Conclusion:

The Crossroads International Bible College program represents a highly structured, theologically sound, and pedagogically progressive course of study that aligns strongly with the academic rigour and expectations of AQF Level 6. Through its 46 systematically arranged teaching units—spanning over 2,500 pages of core doctrinal content—it delivers a clear and coherent theological framework suitable for serious students of the Word who are preparing for ministry or academic progression.

The inclusion of rigorous multiple-choice examinations, undertaken according to integrity-based protocols using only the Bible, provides a credible means of assessing knowledge retention and Biblical literacy. While the course does not include traditional essay-based writing or peer-reviewed ministry practicum, its strength lies in its high-content, self-paced delivery – making it ideal for a global, digitally-connected student base.

Furthermore, the curriculum's Pentecostal distinctives are not isolated doctrinal statements, but are instead embedded in a broader theological narrative that reinforces the spiritual, intellectual and missional dimensions of Christian faith. The method of progressive repetition – where topics are revisited later in the course for deeper exploration—reflects best practice in adult learning and doctrinal development.

While lacking in face-to-face mentorship or pastoral fieldwork components, the course does not present itself as a substitute for such. Rather, it provides the intellectual infrastructure upon which ministry practice can be built—either through local church supervision, denominational credentialing, or further study at AQF Level 7 (Bachelor level).

In light of its theological depth, structural soundness, doctrinal coherence, and the spiritual intentionality of its design, the Crossroads' program is best described as a **robust equivalent of an Advanced Diploma in Theology**. For institutions or bodies considering recognition, articulation (granting subject exemptions or credit in relation to further theological training), or pathway development, this course would serve as a strong candidate for credit toward Bachelor-level studies or ministry credentialing.

Crossroads International Bible College Evaluation of Multiple Choice Assessment Methodology

Purpose: This document provides a third-party analysis of the multiple-choice question sets used across the 46-unit curriculum at Crossroads International Bible College. It evaluates the theological depth, pedagogical soundness and academic comparability of the assessments.

Strengths Observed

1. Doctrinal Alignment

Each assessment is integrated with the theological content of the corresponding study unit. The questions reflect strong Pentecostal doctrine and demand familiarity with the specific teachings.

2. Critical Thinking Encouraged

Many questions go beyond basic recall and assess for doctrinal discernment. Students are often required to distinguish between subtly incorrect theological positions and Biblically grounded truths.

3. Hermeneutical Integration

Questions frequently examine students' grasp of proper Biblical interpretation (literal vs symbolic, exegesis vs eisegesis, etc.), demonstrating an emphasis on Biblical accuracy and sound hermeneutics.

4. Comprehensive Theological Scope

The Crossroads' course demonstrates a wide-ranging and systematically layered theological framework, progressively developed across all 46 units. Each unit is supported by structured doctrinal teaching and multiple-choice questions, designed to test relevant and specific Biblical understanding.

The curriculum systematically addresses major fields of theology, including:

- **Bibliology** – The Bible and Its Authorship, Inspiration, Canon
- **Theology Proper** – The Nature of God, the Trinity
- **Christology** – The Deity, Humanity and Work of Christ
- **Pneumatology** – Baptism in the Holy Spirit, Gifts of the Spirit, Empowerment
- **Soteriology** – Salvation, Regeneration, Grace, Sanctification
- **Hamartiology** – The Fall of Man, the Sin Nature, Redemption
- **Ecclesiology** – The Church, Ministry, Ordinances, Leadership
- **Eschatology** – The Rapture, the Return of Christ, End Times
- **Covenant Theology** – God's Covenants across Scripture
- **Christian Living & Discipleship** – Prayer, Worship, Purpose, Authority

The scope of this curriculum mirrors and aligns with the doctrinal and theological categories covered in formal Bible college programs at the diploma and undergraduate level, particularly those within Pentecostal-Charismatic traditions.

5. Integrity Safeguards

All assessments require a **student declaration** to reinforce academic honesty, spiritual accountability, and the personal responsibility of study. This safeguards both the **credibility of the certificate** and the **genuine development of the student**.

Before accessing any multiple-choice assessment, each student must agree to the following declaration:

Student Declaration

"I declare that I have spent 40 hours or more studying the content of this teaching unit before answering these questions, and I am answering them using only a Bible, without referring back to the study material or any external sources."

-YES, I confirm this is true, and I declare it honestly before God.

This declaration serves **two purposes**:

-  It upholds **exam integrity** by ensuring the student does not rely on notes, guides or external help.
-  It promotes **spiritual accountability**, reminding the student that their learning is done before God, not merely in accordance with an academic establishment.

This standard helps ensure that all assessments are not only fair but also reflect genuine spiritual growth and theological comprehension.

Academic Comparison

- The multiple-choice question sets, in combination with the curriculum, reflect the academic level of an **Advanced Diploma** or **Associate Degree** in theology.
- The structure, content and doctrinal focus are comparable to **undergraduate Year 1–2 coursework** at Bible colleges.
- When administered with declared integrity and paired with your unit content (2,500 A5 pages of study material), these assessments meet a credible, internal academic standard.

Conclusion:

Crossroads International Bible College has implemented a well-structured, theologically sound multiple-choice assessment system that aligns with serious theological education. While non-accredited, the format and rigour are commendable and suitable for both internal certification and articulation consideration i.e. its structure and quality may allow other colleges to consider granting recognition in relation to their own accredited programs. It could therefore function as a pathway to further accredited theological training.

Online Delivery Strategy

Due to the college's global reach and limited personnel, all study units and assessments are delivered **online. The course is structured specifically to accommodate thousands of students around the world.**

"Due to the scale and reach of Crossroads International Bible College, all assessments are delivered through doctrinally rigorous multiple-choice questions. This format allows scalable, consistent and Biblically grounded evaluation while remaining accessible to thousands of global students. Assessment integrity is maintained by a declaration system ensuring only the Bible is used during testing."

This approach ensures that assessment remains pedagogically effective and logistically sustainable for a decentralised student body.

Conclusion:

Crossroads International Bible College has implemented a well-structured, theologically sound multiple-choice question assessment system that aligns with serious theological education. While non-accredited, the format and rigour are commendable and suitable for both internal certification and articulation consideration.

Final Assessment

The Crossroads International Bible College program represents a **highly structured, theologically rich, and pedagogically coherent** course of study that aligns strongly with the academic rigour and expectations of **AQF Level 6 (Advanced Diploma in Theology)**.

Though the 80+ study booklets do not add to the total page count, they serve as an **intentional instructional design tool**, segmenting the 46 teaching units into **accessible, topic-focused components**. This improves the **clarity, navigability and engagement** of the material—especially important in an **online, self-directed global learning model**.

The full program includes:

- Approximately **2,500 A5 pages** of systematically organised doctrinal teaching
- Approximately **850 A5 pages** of carefully constructed, Bible-only multiple-choice questions
- **Doctrinal progression** where core topics are revisited later in the course with greater depth and theological interconnectivity
- **Pentecostal distinctives** are embedded throughout the structure rather than being isolated in a few units
- A delivery model designed for **scale and accessibility**, reaching thousands of global students online

While the course does not incorporate peer dialogue, formal academic writing, or supervised ministry placement, it was never designed to substitute those elements. Instead, it offers the **doctrinal and intellectual infrastructure** needed for further ministry preparation, academic advancement, or integration with local church-based mentoring and denominational credentialing processes.

Academic Equivalency Statement

Based on its content volume, structure, progressive theological depth, and distance-education delivery model, the program is best described as being **equivalent to an Advanced Diploma of Theology (AQF Level 6)**.

It is a strong candidate for:

- **Credit transfer or articulation** into Bachelor-level theological programs (AQF Level 7)
- **Entry-level credentialing pathways** for pastoral and teaching ministries
- **Recognition by faith-based institutions** as intellectual preparation for pulpit and doctrinal teaching ministries

*This evaluation confirms that Crossroads International Bible College delivers a **credible, academically sound and spiritually intentional theological education** for a broad global audience—especially those pursuing a ministry calling through online platforms.*
