

JA Titan

Future Business Leaders Start Here

JA Titan puts students at the head of a simulated company, as they navigate decisions around production, marketing, R&D and CSR to earn a profit. Classroom learning meets real-world application as students are guided by mentors and powered by your partnership to build tomorrow's workforce.

- Support employee engagement through mentorship.

Cultivating Future Business Leaders.

He Thought He Would Have to Leave Maine To Find A Job In Tech Before Participating In JA Titan.

"JA Titan put a lot of ideas in my mind of what goes into a company. I didn't know there were tech companies in Maine. I thought I would have to leave the state to find opportunities in that field."

- JA Titan Participant, Deering High School

Students Show Academic Gains Through JA Titan.

"Students are scoring much higher on their exams and on the content and skills they're required to know for the course, just by playing the [JA Titan] game."

**-Ms. Boody-Billings, Educator,
Westbrook Regional Vocational Center**

Participants Are Prepared For The Workforce And For Collaborating With Others.

"My favorite part was being able to talk with my peers and find simple solutions to hard problems without disagreeing or disrespecting each other."

--JA Titan Participant, Monmouth Academy

"It was really neat to watch students walk into IDEXX. I heard more than one student talk about how cool it would be to work someplace like this. Oftentimes young people underestimate what Maine has to offer, so this experience was really striking to them." **-Mrs. Morris, Educator, Morse High School**

Driving Economic Mobility

JA Titan Challenge Impact:

- **34 Schools**
- **384 Students**
- **169 Mentors**
- **149 Teams**

JA Titan delivers on the seven most critical indicators accelerating economic mobility and equips students with the skills and networks to succeed.

“Programs like JA Titan are essential for Maine’s future.

(Titan) teaches perseverance in a real, tangible way. Watching students stay motivated, even after setbacks, was incredibly inspiring.”

-Patrick Wande,
JA Titan Volunteer,
Bangor Savings Bank

Two Teams Compete Nationally

JA Titan North Champions Place Second Nationally at JA Future Bound!

The Northern and Southern State Champions, Caribou High School and Westbrook Regional Vocational Center, represented Maine among hundreds of U.S. participants at JA Future Bound. They demonstrated mastery of entrepreneurial and economic thinking on a national stage.

**Partial funding from the Workforce and Victory Partnerships covers expenses for the JA Titan champions as they apply for the opportunity to compete in the national JA Future Bound competition in spring 2027. This partnership offers your company a unique opportunity for extended visibility, as JA Future Bound takes place three months after JA Titan concludes. Your company's name and/or logo will be featured alongside digital and social media updates highlighting the state champions' participation in the national competition, if chosen.*
