Creating Solutions Together

Cover Styl, Welcome to the Journey!

With over 500 patterns in the range, you can take on any interior décor or renovation project, big or small, in environments from hotels and restaurants, to shops and offices. Renovations with Cover Styl films are up to 70% less expensive than traditional redecoration, which is why they're at the heart of amazing transformations for so many major hotel and retail brands.

Environment.

We prioritise your health and the environment. Our clean manufacturing process produces low levels of CO₂. Additionally, installing our film minimises the waste generally produced by traditional renovation methods by allowing you to give a new life to existing structures. This minimises the volume of waste sent to landfills, contributing to a more sustainable approach to renovation, and reducing carbon footprint.
