NEW CENTURY MODERN

VIOSKI

Tuulla Collection

All of the pieces in the Tuulla Series feature tufts crafted from varying densities of foam, sinuous springs on the seat, and bracing within the frame for exceptional strength and durability. The seams are double-stitched for added resilience. The frame is made of solid $\frac{1}{2}$ " steel, available in either a satin chrome or matte black finish.

The Tuulla Chair is our best-selling chair, born from Jeff's vision of creating a chair that was essentially "made" of tufts. After exploring various concepts, he perfected the iconic design, which earned the Best Seating of the Year award from Interior Design magazine in 2014. The Tuulla Series has expanded to include a striking loveseat, a bench that is comfortable to sit on and looks great at the end of a bed. And an ottoman for the extra comfort of putting your feet up on something beautiful.
