PRODUCT RANGE

This catalogue showcases the product range we feel may best suit our corporate customers, however if you're after something more specific, please contact us.

We can tailor your gift using a selection of hamper boxes and packaging available across our stores, creating a personalised option to suit your requirements and create something truly special.

Payment & Delivery

AVAILABILITY AND SUPPLY

To the best of our efforts, all products in our Christmas Gifting Catalogue are usually readily available from our stores or warehouse within a few days from when your order is placed.

From time to time our products may be unavailable or sold out, so in that instance we will include a substitute to equal value. Our Christmas products do sell quickly, so please order early to avoid disappointment. Exclusive products offered by the Chocolate Box may not be available in all our stores.

DELIVERY

We are a Melbourne-based company who ships Australia-wide to all major capital cities and metro areas excluding NT. We use Australia Post for standard and express shipping, and local couriers for quicker delivery options. We follow Australia Post shipping recommendations during seasonal gifting times.

For bulk orders - we can ship in bulk or to individual addresses across Australia (ex NT). Please speak to one of our friendly team for further details to obtain a quote. Orders may be collected with prior arrangement.

At the time of ordering, please nominate your preferred date for your gifts to be dispatched, allowing enough time for postage delays.

PAYMENT

Payment is required (and may require a purchase order from large organisations) prior to delivery of your order.

We accept cash payments, direct deposits into our bank account, Paypal and credit card payments (including Mastercard and Visa).

You may place less customised orders through our online store at **chocolatebox.com.au** using a credit card or PayPal. Please note cut off dates for online orders is Sunday 20th December, unless local Melbourne CBD delivery.
