In late 2023, Cleveland Metroparks took over management of Ironwood Golf Course – now the ninth golf course as part of the Park District’s Emerald Necklace. Ironwood is a scenic 18-hole, par 71 public facility located on 155 rolling acres in Hinckley, Ohio. The sloping terrain features hardwood forests, lakes, rivers, gorges, and contoured greens that add to the fun and challenge. Designed by Harold Paddock, this traditional parkland golf course first opened in 1967. It is one of the most popular public courses in the area because of the consistent turf conditions, scenery, layout and affordable greens fees.
