Our DW TWIST Story

LUXURY SUITES INSPIRATION

Custom-designed carpets and rugs

THAT LITTLE EXTRA...

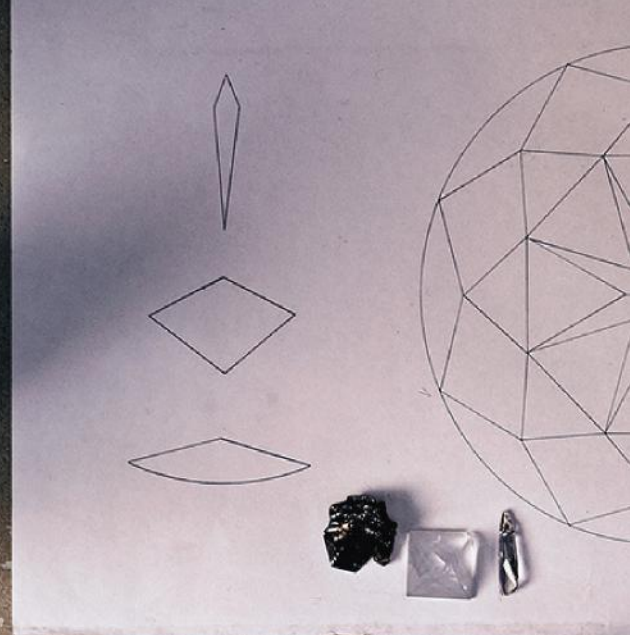

When we launched the very first TWIST Story, our customers received it exceptionally well.

Since then, we have delivered thousands of m² of carpets and rugs to some of the most exquisite projects around the globe, adding that little extra luxury.

I am proud to present this new TWIST Story created by our highly skilled design team.

CLEANLY DEFINED DESIGNS WITH AN EXTRA TOUCH OF LUXURIOUS TEXTURE

Our TWIST Story lives in the space between two influences:
Clean ornamental patterns and textures that are both geometric and organic.

Working with architects and designers on different projects is a constant source of inspiration and improvement. Since we launched our first TWIST Story we have experimented with designs with more defined patterns and higher colour contrast.

We are happy to present the result.
