As one of the premier fishing lakes in the region, several highly successful tournaments are held on the lake annually. Cherokee's 400 miles of shoreline is dotted with a variety of public access areas, county and municipal parks, commercial boat docks, Panther Creek State Park, and a state wildlife management area. With a temperate climate, anglers can enjoy fishing nearly every day of the year. Grab your rod, boat, kayak, or canoe and set out for a fun day on Cherokee Lake.
