

THE CHESS BATTLE OF TWO FRIENDS

ABOUT THE AUTHOR

Hello! My name is 전현서

I'm a first-year middle
school student.

I like math and playing
games.

I wrote this story to let
readers not make fun of
others. Thank you for
reading my book. I hope
you enjoy it.

**Leo and Ben are best friends.
They always play chess
together after school.
They enjoy playing it.**

**One day of the
first semester, a
chess tournament
in school was held.**

**Ben and Leo
decided to
take part in
the tournament.**

**On the day of the
tournament,
surprisingly, they
met at the game!**

But Ben made a
mistake. It was a
critical mistake.

CHECKMATE!

Leo made fun of Ben.

**Ben was so ashamed that
he couldn't raise his head.
He decided to revenge
Leo.**

**He always practiced,
studied, and thought
about chess
until the next
tournament comes.**

**‘It is important to
seize the center, and
it is important to
find tactics, such as
fork or pinning.’**

**He repeatedly
thought about it
all day.**

**In the second
semester, a tournament wa held
again. Ben and Leo met again, too.
And a few minutes later...
“Sacrifice the Queen!!!”
“Checkmate”
Ben shouted. He
finally won.**

**Leo apologized Ben about
having made fun of him.
Ben embraced his apology.
Soon, they became best
friends again.**
