NORM VISION SYSTEM (NVS)

Norm Vision System – the future of post hole digging.

Proudly developed by Norm Engineering, the NVS is a compact device that attaches to your auger drive via heavy duty industrial magnets, the NVS then transmits a bluetooth signal which is picked up on the free Norm Vision System App – Available on Apple & Android phones. This cutting-edge device is designed for auger drives and helps operators position your auger with pinpoint accuracy every time. The Norm Vision System eliminates the need for a spotter, giving you unmatched accuracy and control right from the comfort of your machine. Installation takes seconds, but the benefits last for years. Whether you're a contractor, a fencing specialist, or a fleet operator, the Norm Vision System delivers smarter, safer digging with every hole.

Key Features:

- Spotter-Free Operation
- Precision Placement
- Magnetised Mounting
- Water Resistant
- Easily Transferrable

AUGER TORQUE
POST HOLE DRIVERS

Auger Torque post hole drivers are built for reliable, efficient digging, with models available to suit tractors and excavators.

AUGER TORQUE

Tractor & Excavator Mounted Post Hole Drivers

- Powerful hydraulic drilling for efficient post hole digging.
- Ideal for fencing, landscaping, tree planting and footings.
- Durable construction for demanding working conditions.
- Range of auger sizes and extensions to suit different jobs.
- Packages available to suit compatible tractors and excavators.

AUGER TORQUE PACKAGES - TRACTORS

PACKAGES FOR TRACTORS

Make light work of post hole digging

Turn your Kubota tractor into a versatile post hole digging machine with an Auger Torque package. Ideal for fencing, landscaping and property maintenance, these packages provide a practical solution for digging holes efficiently across a range of jobs.

Key features:

- Packages available for BX, B, L and M Series tractors
- Hydraulic operation for efficient digging
- Suitable for fencing, planting and property projects
- Range of auger sizes available
- Durable design for reliable performance
- Packages from $3,295 inc. GST
- *Note Bx & B series tractor packages require small amounts of fabrication for fitment .

*Not all product variations are stocked at every branch. Please check availability with your local Allclass branch. Promotional prices valid until 31/12/26

AUGER TORQUE PACKAGES - EXCAVATORS

PACKAGES FOR EXCAVATORS

Power through your post hole projects

Get more versatility from your excavator with an Auger Torque post hole driver package. Designed for efficient, reliable drilling. These attachments are suited to jobs ranging from fence posts and landscaping to construction and footings.

Key features:

- Packages available to suit compatible excavators
- Powerful hydraulic operation
- Suitable for fencing, landscaping and construction
- Range of auger sizes available
- Durable design for demanding jobs
- Packages from $2,795 inc. GST
- Talk to the Allclass team about the right package and auger size for your machine and application.

TRANS TANKS INTERNATIONAL

TransTank International (TTi) offers Australian-made tanks and equipment for water cartage, diesel refuelling, spraying and firefighting, available through Allclass.

O-DECK UNITS

OnDeck™

300L UTV Sprayer (Honda GX200 & 50m SuperReel™)

- Spray gun with adjustable brass nozzle
- Fully-drainable tank
- Tie-down provisions & integrated lifting handles
- Integrated freshwater bottle & tap for hand-washing
- Sight level tube with calibrations
- Pressure regulator with gauge & bypass system
- Part Number: PUDA0300L00220Q50

300 UTV Sprayer (12v Pump)

- 38.3 L/min 100psi 12v Remco Pump (Pump upgrade available, up to 20L/min)
- 30m Hose reel
- Spray gun with adjustable brass nozzle
- Fully-drainable low-profile tank – Standard variant
- Tie-down provisions & integrated lifting handles
- Integrated freshwater bottle & tap for hand-washing
- Pressure regulator with gauge & bypass system
- Sight level tube with calibrations
- Part Number: PUDA0300L0076H3

600L SuperReel™ M-Series – Mechanical Drive Spray Unit

- Twin chain-driven auto-rewind reels with choice of 150 metres of anti-kink nylon hose. 200 & 250m hoses
- Hose-guide system allows the operator to rewind from any direction
- Heavy-Duty Spot300 Spray Guns, swivel connector & whip hose
- Fully drainable UV stabilised poly tank with 25-year warranty and 450mm hinged lid
- Site level tube with tank calibrations for quick and accurate tank level monitoring
- Part Number: PUFM0600L0540TQ3

*Not all product variations are stocked at every branch. Please check availability with your local Allclass branch. Promotional prices valid until 31/12/26

LINK-ON UNITS

LinkOn™

800L LinkOn™ 3PL Tractor Boom Sprayer

- TTI Link on units sizes ranging from 300L To 1000L Tank & Boom with from 4 Meters to 12 M
- Extremely robust UV Stabilised tank, no risk of going brittle in the sun – with 25-Year warranty
- Large 450mm hinged lid with basket filter. Easy access for cleaning & filling
- Fully drainable tank with sump, ideal for cleaning and ensuring there is no residue
- Calibrated tank with protected site level tube indicator
- 255mm screw type lid with basket filter
- 75L/min Bertolini (Italian) PTO pump – 218psi (15 Bar) pressure

DIESEL CAPTAIN PORTABLE DIESEL FUEL TANK PODS

DieselCaptain™

100L DieselCaptain™ Portable Diesel Fuel Tank Pod

- Manufactured from specially formulated diesel-grade polyethylene, our diesel tanks comply with Australian Standards AS1940-2004 and AS2809.2-2008 for the safe transportation of flammable liquids and dangerous goods by road.
- Heavy-duty rotomolded tank with integrated lifting handles for ease of transport
- Moulded with our unique aluminium ring for incredible strength, this multi seal system keeps the rain out, and your diesel in
- 25-year tank warranty
- Strong poly lid with pad-lockable locking latch to protect pump compartment and your diesel
- Double-hinged lock-able pump cover provides pump protection
- Integrated strap tie-down provisions for securing tank
- Pump bolted to a large removable aluminum lid
- Protected Tank Breather System & Anti-static Earth Strap
- Kink resistant 4m or 6m delivery hose with 3/4" Auto Shut Off Nozzle
- Fitted with high-flow 40L/min 12v Transfer40 Pump or 50L/min 12v Piusi Pump with 4m battery cables
- Dimensions (LWH): 800 x 680 x 465mm

*Not all product variations are stocked at every branch. Please check availability with your local Allclass branch. Promotional prices valid until 31/12/26

FirePatrol15™

2400L FirePatrol15™ Fire Fighting Trailer

- Fire Patrol 15 2400 L Fire Fighting/ Dust suppressant trailer.
- Ideal for Farm or Civil applications
- Fully-drainable, UV stabilised polyethylene tank with 25-year warranty
- Heavy duty 36m x 19mm Hose reel with twist type nozzle
- Reliable Honda GX200 engine and 400L/ min Davey twin impeller FF pump
- LiquidLocker™ baffle system fitted
- 6m quick suction fill hose kit with holder
- Large 65mm 4T-rated solid galvanised axles with 15" famous Landcruiser wheels which provide high ground clearance and excellent maneuverability & wheel nut indicators fitted
- Electric brakes with break-away system (On-Road/Registrable) – On Farm (Unbraked) option available
