It gives me immense pleasure to extend my heartfelt congratulations to the Leo Lions Club of Ratnapura Legacy, on the release of this newsletter. A newsletter is more than just a collection of reports; it is a mirror reflecting the vibrant life of a club and a testament to your commitment to service.

As the Immediate District Governor for the year 2026–2027, I firmly believe that the energy, creativity, and dedication of Leos are essential in shaping that better future for our communities. Your service journey not only empowers those in need but also moulds you into compassionate leaders of tomorrow.

This year, our district has embraced a 7-Point Program in line with Lions International global causes.

I encourage each Leo Lions to align your projects and initiatives with these global causes. By working hand in hand with Lions, your efforts will bring hope, health, and happiness to countless lives. I urge you to be innovative, to serve with passion, and to lead with humility. Remember — leadership is not measured by titles but by the positive impact you create in the lives of others.

On this special occasion, I wish all members every success. May your Leo Lion journey continue to inspire, uplift, and contribute to building a brighter tomorrow for our nation and the world.

Together, let us serve. Together, let us build a better future.

Second Vice District Governor – District 306 D7

Lion Chandana Mahanama
MJF MAF SLF

It gives me great pleasure to extend my warm greetings to everyone reading this edition of our District Leo-Lions Magazine. This publication reflects the dedication, enthusiasm, and spirit of service shared by our Lions and Leo family.

The Leo movement plays a vital role in developing young leaders by providing opportunities to serve communities, build confidence, and develop lifelong leadership skills. Leo-Lions further strengthen our organization by connecting youth leadership with continued service in Lionism. The partnership between Lions, Leo-Lions, and Leos is one of our district's greatest strengths. Through mentorship, cooperation, creativity, and shared commitment, we can create a greater and more lasting impact in our communities.

I encourage Lions Clubs to continue supporting Leo Clubs, Leo-Lions to accept greater leadership responsibilities, and Leos to serve with passion, integrity, and confidence. By investing in young leaders today, we strengthen the future of our district and our organization.

I congratulate the editorial team on the publication of this magazine and wish every Leo, Leo-Lion, and Lion continued success in their journey of leadership and service.

Together We Serve. Together We Lead. Together We Inspire.
