ABOUT THE NEWSLETTER

Dear Readers,

With school back in session, things are a little quieter around town! Still, you can go see a performance of MCT's Sweet Delilah Swim Club, go swimming (on the weekends!) or register for fall sports.

Welcome to the **GO Marshfield Neighborhood Newsletter**—your free, online-only source for what's going on right here in our hometown. Got an event coming up? Email us at **gomarshfield@gmail.com**. We'd love to help spread the word!

As always, we do our best to make sure everything is accurate and up to date, but events can change. Double-check with organizers before heading out. Have a great week exploring everything that Marshfield has to offer!

Warmly,

Melissa Mall

DINOSAURS, & DESIGN & DESTINY

Presented by
Matt Miles
President of Creation
Truth Foundation

Featuring the Museum of Earth History

Creation Truth Foundation is a worldview ministry that equips disciples to trust the Bible's history for its accuracy so they will trust its promise for their destiny. The ministry seeks to rescue souls from an evolutionary to a Biblical worldview by emphasizing the historicity and trustworthiness of God's Word beginning in Genesis. To that extent, the ministry travels with the largest mobile collection of dinosaur fossils in the Christian world, using them and the latest scientific discoveries to show the historical reality of the Genesis account. In 2023, the ministry traveled 57,877 miles to 64 events in 16 states. Attendances totaling 29,858 were able to see the fossils and hear the saving message of Jesus Christ.

The Sweet Delilah Swim Club is a play about five college friends who reunite every year for a weekend at a beach cottage in North Carolina's Outer Banks. Spanning 33 years, from their mid-40s to their mid-70s, the story follows their evolving lives through marriage, divorce, careers, children, and aging. It's a humorous and poignant comedy that explores the power of lifelong friendship, resilience, and connection as they navigate life's ups and downs together.
