TRUNDLE BEDS

Archer Daybed and Trundle
Single, King single available *(no assembly required for trundle)*

There comes a time in your child's life when they want to have a friend come for a sleepover. The kids are so excited and all you can think about is 'but where will they sleep? And will they sleep at all?'

Have you thought about a trundle bed as a solution?

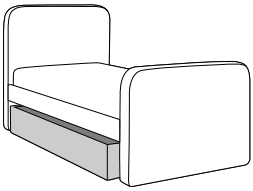

Trundles are an extra bed which are neatly packed away under another bed and rolled out, conveniently, when guests arrive. This concept of having two beds in one space is super clever and convenient.

As the kids are separated on two levels, we believe this will guarantee a better night's sleep for everyone. Whilst sleeping they will not disturb each other as they wriggle, there is no fight over blankets and each has their own pillow (hang on I think this is not just for kids!).

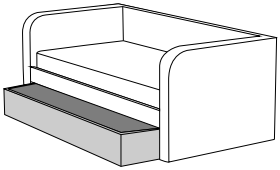

They are designed to fit the entire space under a bed (both length and width).

Available Sizes (to fit under the appropriate sized bed): Single, King Single, Double and Queen. They are built with hidden castors which means they can easily glide out either side of the bed. The base is slatted (for airflow) and they fit a high density foam mattress (15cmH) which are customised to each sized bed. Our trundles are designed to coordinate with our Colour Box, Oak Box, Noa, Scout, Charlie, Ripple Oak and Bronte Collections.

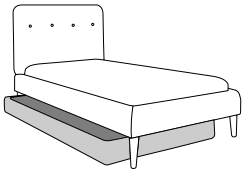

Please note that these are not standard sizes but are made specifically to fit under our beds. However, we can customise to suit any existing bed you may already have. If you wish to shop a trundle bed only (without a bed), please contact us directly.

lilly
pads

These beautiful little PADS are the perfect floor cushions for kids to relax and play on.

These versatile play pads can be used in multiple spaces – playrooms, lounge-rooms, in TV rooms, day care centres and bedrooms. The idea was create a floor pad which could be used for kids to lounge around on or play with, and that was more structured than a bean bag. As the pads are flat they neatly stack away on top of each other.

Choose from a comprehensive range of our fabrics, or you can supply your own. Fabrics swatches available for postage on request.

PINBOARDS

Add the finishing touch to your kids' study spaces with our range of fun pinboards

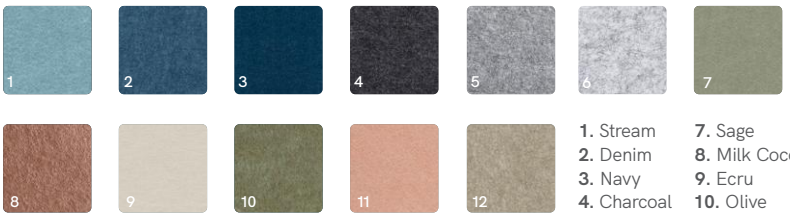

Lilly & Lolly believe Pinboards are one of the most practical and inspiring additions to a child's room — a beautiful space to display artwork, awards, photos, reminders and treasured moments, because there's always something to pin.

Available in a wide range of sizes, colours and designs, our lightweight felt Pinboards are easy to install and can also be custom made in bespoke shapes and sizes to perfectly suit your space.

Designed for children's bedrooms, home workspaces, offices and schools, these modern notice boards combine functionality with sculptural design. Ideal for pinning notes, schedules, inspiration and vision boards, the soft matte felt finish brings warmth, texture and creativity to any interior.

Created for flexibility, our felt Pinboards can be installed in multiple orientations to complement your layout, while the simple peel-and-stick application makes installation effortless. Whether you are styling a large collaborative workspace or a compact study nook, Lilly & Lolly Pinboards seamlessly blend organisation, creativity and contemporary design.

BEDDING

After a decade away from Australian-made bed linen, Lilly & Lolly is proud to introduce the new Daisy Collection — a beautifully nostalgic bedding range thoughtfully designed and lovingly crafted in Australia using premium-quality fabrics. Created to coordinate seamlessly with Lilly & Lolly's signature furniture collections, the Daisy Collection combines playful charm, timeless femininity and elevated design to create beautifully curated children's bedrooms.

Duvets

Featuring a whimsical all-over daisy print in soft dusty pink and light cocoa tones, this nostalgic yet elevated bedding collection brings warmth, femininity and charm to the bedroom.

Sheets

Crafted from beautifully soft 100% brushed cotton, these sheets offer a luxurious feel while creating a calm, elevated aesthetic.

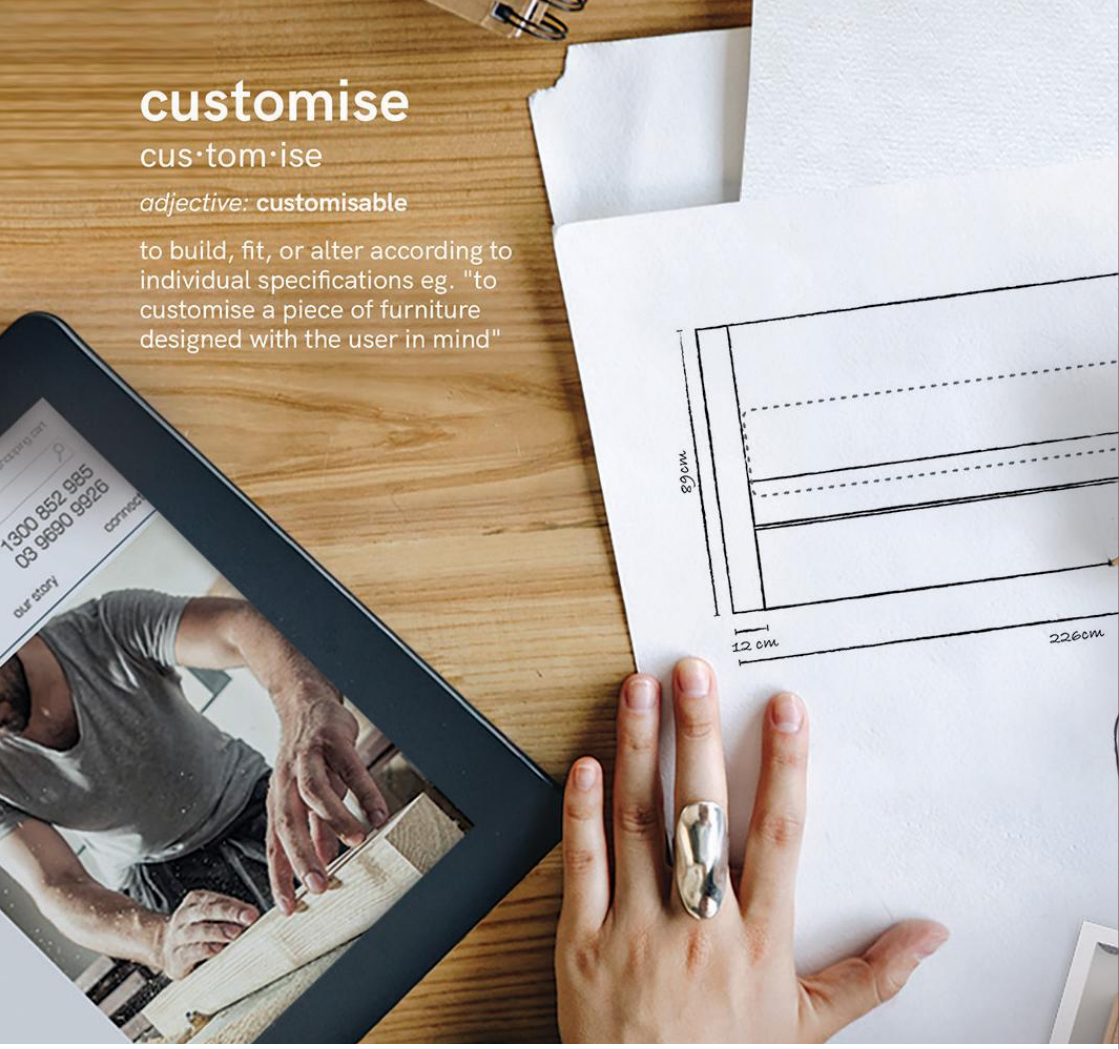

Throws

The Hare Throw has been designed to bring warmth, softness and a sense of everyday luxury to children's spaces and family interiors alike. Crafted from our ultra-soft faux fur, the Hare Throw feels incredibly silky and plush – just like cuddling a bunny rabbit.

Cushions

Accessorise kid's bed, reading nooks or chairs with our collection of cushions, thoughtfully designed to add softness, texture and personality to interiors. Mix and match shapes, sizes and fabrics to create a beautifully layered and luxurious look, with your choice of plush feather or microfiber fill for the perfect finishing touch.

AUSTRALIAN MADE

At Lilly & Lolly, one of the questions we are most frequently asked is, "Can you customise furniture to suit my space?" – and the answer is absolutely yes.

Because our furniture is thoughtfully designed and handcrafted in Australia, we can offer an exceptional level of flexibility and customisation. Working locally lets us tailor pieces to your room dimensions, interior style, and functional needs, so the furniture feels truly considered for your home.

Many customers are surprised by the extent to which Lilly & Lolly pieces can be personalised. Our upholstered collections allow you to customise fabrics, contrast piping and stitching colours to create a unique look that perfectly complements your interiors. We've curated a selection of premium textiles from leading fabric houses, or you're welcome to supply your own fabric for a completely bespoke finish.

Our timber furniture collections are available in both American Oak and Australian Tasmanian Oak — beautiful hardwoods

chosen for their durability, warmth, and timeless appeal. Finishes can be customised to suit your aesthetic, whether that be a natural satin finish that celebrates the timber's grain, or a stained finish such as Whitewash or Black Japan. We can also custom colour-match stains from existing furniture samples to ensure your new piece integrates seamlessly within your child's bedroom or home.

For painted finishes, customers can select from Lilly & Lolly's signature colours or choose from the extensive Dulux colour range for a more personalised result.

At Lilly & Lolly, we believe beautiful furniture should feel tailored to the way your family lives. To discuss your custom project, our team would love to assist you in creating a piece uniquely suited to your space and vision.

To consult with the Lilly & Lolly team, contact us at sydney@lillyandlolly.com.au or via phone on 1300 852 985 to discuss your custom needs.

OUR STORY

Lilly & Lolly is an Australian children's furniture and lifestyle brand celebrated for beautifully crafted interiors that combine luxury, functionality, and timeless design. With an unwavering commitment to superior craftsmanship and enduring quality, Lilly & Lolly creates thoughtfully designed investment pieces made to grow with families and stand the test of time.

The story of Lilly & Lolly began in 1998 at Sydney's iconic Paddington Markets, founded from a desire to create modern, design-led bedding for children at a time when the market lacked beautiful lifestyle pieces for kids. In 2004, Megan Butler joined the business, helping evolve the brand into a complete children's interiors destination encompassing furniture, bedding and homewares – thoughtfully curated to create inspiring and cohesive spaces for families.

Over the years, Lilly & Lolly expanded across Australia, with collections stocked in boutiques nationwide and flagship stores established in Waterloo, Sydney and Melbourne's renowned Albert Park. In 2012, Megan Butler took full ownership of the brand, leading Lilly & Lolly as Creative Director while overseeing sales, marketing and design.

Driven by resilience, creativity and a passion for design, Megan navigated the business through challenges including economic downturns, floods and the global pandemic – using these moments as opportunities to reimagine and strengthen the brand. Embracing innovation and technology, Lilly & Lolly evolved into the immersive online experience it is today, allowing families across Australia to access beautifully designed children's interiors with ease.

2026 marks a significant new chapter for Lilly & Lolly — a bold evolution towards textiles, upholstery and fashion-inspired interiors. Returning to its textile roots,

the brand proudly launched its first new Australian-made bedding collection in over a decade, featuring nostalgic prints, luxurious fabrics and elevated finishing details designed for lovers of thoughtful interiors and timeless design.

This new direction was further strengthened with the establishment of Lilly & Lolly's in-house upholstery team, fostering local craftsmanship and enabling the development of exciting new furniture and textile concepts within the brand's workshop. With a keen eye for detail and an uncompromising focus on elevated workmanship, Lilly & Lolly continues to push the boundaries of children's interiors through innovative textiles, sculptural forms and beautifully considered design.

From humble beginnings to becoming one of Australia's most recognised children's interiors brands, Lilly & Lolly remains devoted to creating timeless furniture, bedding and lifestyle pieces that inspire beautiful homes for both parents and children alike.
