BANDO.

DON JOSE DE REINA Y FRIAS DE LA TORRE, Mariscal de Campo de los ejércitos Nacionales y Capitan General de las Islas Baleares, etc., etc., etc.

Aunque por el Bando de 5 del actual me reservé la facultad de someter al conocimiento del Consejo de Guerra ordinario establecido por el artículo 2.° del que dicté mi antecesor en 25 de Junio último, los delitos no comprendidos en el mismo y que creyera conveniente, ha llegado el caso de marcar algunos, en los que desde luego conocerán esclusivamente los Tribunales Militares, sin perjuicio de quedar vigente en los demas la facultad que entonces me reservé. La repeticion en estas Islas de los de Contrabando y defraudacion, la venta escandalosa de efectos estancados que con menosprecio de las leyes se hace en muchos Establecimientos Industriales y casas particulares y la perturbacion y alarma que causan en el órden público todos cuantos se cometen en daño y menoscabo del sagrado derecho de propiedad, exigen una represion fuerte y enérgica que solo puede obtenerse por medio de sentencias que, cual las dictadas por Comisiones Militares, no admiten apelacion y producen desde el momento fallos ejecutorios. Asi lo aconsejan las circunstancias, asi lo reclama el interés del Tesoro, cuyos ingresos vienen mermándose de un modo considerable, y asi me lo previenen las instrucciones del Gobierno de S. M. que estoy resuelto á hacer cumplir de una manera pronta severa y eficaz.

En virtud de ellas pues, teniendo en cuenta la suspension de garantías Constitucionales determinada por la ley y usando de las facultades que me competen por el estado de sitio en que se halla declarado este distrito, vengo en mandar lo siguiente:

Artículo 1.° Desde la publicacion de este Bando todos los delitos de Contrabando y defraudacion é incidencias de los mismos serán juzgados por las Comisiones Militares de las respectivas Islas.

Art. 2.° Todos los delincuentes sea cual fuere su categoría, sea cual fuere su número y sea cual sea el fuero que disfruten serán juzgados breve y sumariamente por las mismas.

Art. 3.° Los ladrones separados ó en cuadrilla y los rateros serán tambien juzgados en igual forma y por los referidos Tribunales.

En el cumplimiento estricto de las anteriores disposiciones hallarán los intereses del Pais y los hombres honrados la mejor garantía, mientras sufrirán los malos prontamente el castigo legal á que se hayan hecho acreedores.
