Today, (Saturday 26 September 2026) we left the walls of the church and went into our community!

We mobilized in teams and went into Tavern, Highlight View, Land Lease, the Institution Corridor, UTech & UWI, praying for our communities and for individuals we met along the way.

We encouraged people, prayed with them, invited them to church, shared the Gospel, and people got **SAVED! PRAISE THE LORD!**

It was also exciting to see so many of our young adults come out and participate, and afterward to hear them testify about how impactful the experience was for them.

Dear CLF Family at home and abroad.

We have recently set up a new easy arrangement for donations to be made to our Community Ministry (including Kids for the King), Missions, or the Church in general.

Once you click on " Give" on the web site, it takes you to a screen that allows use just of your Mastercard or Visa number (debit or credit) whether in Jamaica or anywhere else in the world.

It allows for dual currency.

No account number is required... neither your account number or the Church's account. Both you and the Church receive email confirmation of the donation/payment.

Try it! The link to the screen you get when you go through " Give" on the web site is below!
