FESTIVE SEASON

A Pirate's Festive Adventure

Happy Holidays!

This festive season, set sail with us on a Pirates Festive Adventure at Kandooma Maldives.

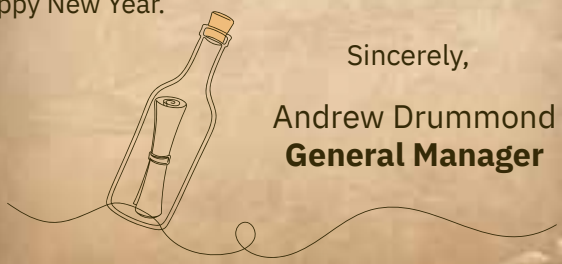

As the year draws to a close, our island becomes a world of discovery, with plenty of festive fun, good food and memorable moments to share.

Follow the treasure map to days filled with island adventures, family activities and surprises for our younger pirates. As the sun goes down, enjoy live music, entertainment and evenings made for celebrating together.

Take time out with relaxing spa and wellness experiences, or gather around the table for festive feasts, special dinners and all the flavours of the season.

Whether you're here to explore, unwind, celebrate or simply spend time with the people you love, we hope your festive holiday at Kandooma is one to treasure.

We wish you a wonderful festive season and a happy New Year.

Sincerely,

Andrew Drummond
General Manager
