A WORD FROM THE PRESIDENT

I am glad that you decided to inquire about Berean Bible Institute. BBI exists for the purpose of training men and women for the work of the ministry on behalf of our Savior, Jesus Christ. We believe that the best way to do this is by teaching the Bible as the inspired Word of God from a dispensational viewpoint.

If you have a sincere desire and feel God's calling to devote your life to the ministry or to be better prepared to serve the Savior where you are, we want to encourage you to give serious consideration to attending BBI. Your spiritual growth is important to us and at BBI we strive to:

- **Educate** our students in a deeper understanding of the Word of God with a special emphasis on what God is doing today in the dispensation of Grace.
- **Equip** our students for life and ministry. Our courses are designed to train our students in ministry skills in order to enable them to serve Christ more effectively where ever He leads them.
- **Encourage** our students to be completely surrendered to the Lord Jesus Christ. We believe the Body of Christ needs leaders who are completely and unapologetically committed to serving the Lord Jesus Christ and going wherever He leads.
- **Expose** our students to various ministry opportunities such as: Missions, Evangelism, Church Planting, Preaching and Teaching and serving in a local church.

If you are looking for a challenge and an opportunity to grow in your understanding of God's Word and have a greater impact for Christ on the world around you, then BBI may just be the place for you.

May the Lord guide and direct you as you seek His will for your life.

In Christ,

Dr. Robert E. Nix, President
Berean Bible Institute

Jesus Christ is the reason for everything that Berean Bible Institute does and stands for. He is both the beginning and the end as well as the means by which we exist and function. We do not merely name Christ as a formal facade for otherwise secular or religious pursuits and activities. He is not a figurehead, but the Living Head of the Church, which is His Body. The members of the Body of Christ are called to serve Him by making known the Gospel of the Grace of God. At BBI we do this by teaching and preaching "Jesus Christ according to the revelation of the mystery" to our students, in both words and actions, preparing them to go out and do the same (see Rom. 16:25-26; II Cor. 5:14-21; Eph. 3:1-12; II Tim. 2:1-15).

*Will you take up the challenge to make Christ known to a lost and dying world?
If you won't, then who will?*

HISTORY

In May of 1995 over 60 concerned Grace leaders met in Menomonee Falls, Wisconsin to pray and discuss the formation of a training program to produce much-needed pastors, missionaries, and local church workers.

Representing well over 50 years as part of the Grace Movement and tracing its mid-Acts dispensational roots back to the Apostle Paul, this session voiced a need for a Bible Institute training program for leaders in today's Grace assemblies.

This focused goal would necessitate equally focused founders, faculty, students, and constituency. It was decided that the school would operate free from all government assistance programs and be solely maintained by God's supply via His people. The Milwaukee, Wisconsin area was chosen as a central location for the training Institute.

The summer and fall of 1995 witnessed research and planning committees convening under the auspices of the *Berean Bible Society* Board of Directors. The consensus was to have the school operational by the fall of 1996. However, the Board realized the exact timing would be completely in God's power.

The overriding burden of the hour is to equip godly and committed students to enter the ministry of "*preaching Jesus Christ according to the revelation of the mystery.*" The school will teach all Scripture in accordance with the dispensational principle of "*rightly dividing the Word of Truth*" (II Tim. 2:15).

MISSION

The mission of Berean Bible Institute is to train Pastors, Missionaries, and Christian leaders for the ministry of the Lord Jesus Christ and the proclamation of the Gospel of the Grace of God given to and through the Apostle Paul.

In this endeavor, we seek to glorify God by training faithful Christian workmen (II Tim. 2:15) to become approved unto God and not ashamed of the distinctive message of God's matchless Grace revealed to and through the Apostle Paul. BBI will promote understanding the entire Bible in the light of this Pauline revelation and encourage the universal proclamation of God's present administration of Grace both to the world and to the church.

Berean Bible Institute was founded because of Paul's injunction to Timothy, "the things that thou has heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also" (II Tim. 2:2). Since God's purpose in this Dispensation of Grace is to build up the Body of Christ, BBI's training will focus on establishing, edifying, and extending the local church and will be closely identified therewith.

Funding of the BBI is partially by tuition from the students but principally from donations freely given by those who understand and support the implementation of the Institute's stated goals. BBI will adhere to a ministry training format to provide courses, diplomas, and degrees

that will fully prepare the student to serve the Lord Jesus Christ wherever He leads. This is essential to achieving our stated goals.

The Administration and Faculty of Berean Bible Institute are in full agreement with BBI's doctrinal statement.

Berean Bible Institute is based on the Scriptural fact that there is but one Church, the Body of Christ, and that all true believers in Christ, regardless of denominational affiliations or lack of such affiliations, are fellow members of that Body. Seeking to keep and to promote the unity of the Spirit as outlined in Ephesians 4:1-6, BBI adopts as its policy:

In essentials, Unity;
In non-essentials, Liberty;
In all things, Charity.

CREDIBILITY

Berean Bible Institute is an independent school of college-level adult education that seeks no accreditation from any organization or association. BBI is governed by a board of directors that oversees the goals, integrity, and educational direction of the Institute. Our choice not to pursue accreditation affords us more freedom in the selection of our faculty and instructors, helps to keep our tuition rates low, and allows us to pursue the types of programs that are most beneficial for training individuals for ministry.

Berean Bible Institute is a nonprofit 501 (c) (3) corporation that operates in Wisconsin as an exempt religious institution under s.38.50(1)(e)3., *Wis. Stats.* BBI offers certificates, diplomas, and degrees in biblical studies and ministry.

DOCTRINAL STATEMENT

"I therefore, the prisoner of the Lord, beseech you that ye walk worthy of the vocation wherewith ye are called, with all lowliness and meekness, with long-suffering, forbearing one another in love; endeavoring to keep the unity of the Spirit in the bond of peace. There is one body, and one Spirit, even as ye are called in one hope of your calling; one Lord, one faith, one baptism, one God and Father of all, who is above all, and through all, and in you all" (Eph. 4:1-6).

The Bible

The entire Bible in its original writings is verbally inspired of God and is of plenary authority (II Tim. 3:16,17; II Pet. 1:21).

The Godhead

There is one God, eternally existing in three Persons: Father, Son, and Holy Spirit (Deut. 6:4; I Tim. 2:5; Eph. 4:4-6; Matt. 28:19; II Cor. 13:14). God is omnipotent, omnipresent, and omniscient. His omnipotence means He is all-powerful over all of creation and He is able to do whatever He wills (Gen. 18:14; Job 42:2; Ps. 93:1; Mk. 10:27; Eph. 3:20). His omnipresence means that He is everywhere present at all times (I Ki. 8:27; Ps. 139:7-12; Jer. 23:23-24). His omniscience means that He has knowledge of all things, knowledge that is all inclusive, extending to all of creation throughout all time and all things both actual and possible, including the thoughts and actions of His created beings, past, present, and future (Job 40:2a; Ps. 139:16; 145:5; Isa. 40:13-14).

The Person Of Christ

Jesus Christ was begotten by the Holy Spirit and born of the virgin Mary, and is true God and true Man, and lived a sinless life in obedience to the Father (Luke 1:35; Phil. 2:6-9; Rom. 1:3,4; II Cor. 5:21; Col. 2:9; Heb. 4:15).

The Condition Of Lost Mankind

All human beings are by nature dead in trespasses and sins and are, therefore, totally unable by their own wisdom or strength to do anything pleasing to God (Eph. 2:1-3; Rom. 3:9-18; Rom. 8:7; I Cor. 1:18-31).

Salvation

God justifies ungodly sinners by His Grace upon the ground of the shed blood of Christ, through the means of personal faith. This complete salvation is bestowed as a free gift of God apart from man's works (Rom. 3:24-28; 5:1,9; Eph. 2:8,9).

Eternal Security

All the saved are eternally secure in Christ (Col. 3:1-4; Phil. 1:6; Rom. 8:1; 8:29-39; Eph. 1:13,14).

Personality And Work Of The Holy Spirit

The Holy Spirit is a Person Who convicts individuals of sin and Who regenerates, baptizes, seals, indwells, enlightens, and empowers believers (Titus 3:5; I Cor. 12:13; Eph. 1:13,17,18; 3:16).

The Church

In the present Dispensation there is only one true Church, called the Body of Christ (I Cor. 12:13; Eph. 1:22,23; 3:1-6), separate and distinct from the prophesied, earthly kingdom of Christ. The Body of Christ began with the Apostle Paul before he wrote his first epistle (I Thess. 2:14-16 cf. Acts 13:45,46; Phil. 1:5,6 cf. Acts 16; I Cor. 12:13,27 cf. Acts 18).

Gifts

The spiritual gifts necessary for the ministry of the Body of Christ are those enumerated in Ephesians 4:7-16. Of these, only the gifts of evangelists, pastors, and teachers are in operation today. The gifts of ministry, teaching, exhortation, giving, and showing of mercy as listed in Romans 12:7 and 8 as well as the gifts of helps and governments from I Corinthians 12:28 may also be considered operational today. All the sign gifts of the Acts period, such as tongues, prophecy, and healing (I Cor. 12:1-31), being temporary in character, have ceased (I Cor. 13:8-11).

Walk

By reason of Christ's victory over sin and of His Indwelling Spirit, all of the saved may and should experience deliverance from the power of sin by obedience to Romans 6:11. We deny that man's sinful nature is ever eradicated during this life (Rom. 6:6-14; Gal. 5:16-25; Rom. 8:37; II Cor. 2:14; 10:2-5). As saints (Lit. "set-apart ones") and members of the true Church (Lit. "called out ones"), we are to maintain a Christ-honoring testimony, separate from all forms of worldliness and apostasy, and to demonstrate obedience to the Lord Jesus Christ and love to all men (Rom. 12:1,2,9; II Cor. 6:14-18; Eph. 5:11; I Tim. 6:20,21).

Baptism

All saved persons have been made members of the Body of Christ by one divine baptism (I Cor. 12:13). By this one baptism, every member of the Body of Christ is identified with Christ in His death, burial, and resurrection. In light of the statement concerning the one baptism in Ephesians 4:5, the statements concerning baptism in Colossians 2:12 and Romans 6:3,4, and Paul's statement in I Corinthians 1:17 that "*Christ sent me not to baptize, but to preach the gospel,*" we affirm that water baptism has no place in God's spiritual program for the Body of Christ in this Dispensation of Grace.

The Lord's Supper

The communion of the Lord's Supper as revealed through the Apostle Paul in I Corinthians 11:23-26 is for members of the Body of Christ to observe "*until He comes.*" There is no place in Scripture where the Lord's Supper and water baptism are linked together as ordinances or as sacraments for the Church.

Resurrection

Jesus Christ was resurrected bodily from the dead (Luke 24:39-43). Based on I Corinthians 15:21, all men will have a bodily resurrection (Acts 24:15): the saved to everlasting glory and the unsaved to everlasting punishment (John 5:29; Rev. 20:11-15).

The Second Coming Of Christ

The Rapture of the Church "*which is His Body*" and the Second Coming of Christ will be pre-millennial. He will come first to receive the members of His Body to Himself (I Thess. 4:13-18; Phil. 3:20,21), and later to receive His Millennial Kingdom, over which He will reign (Zech. 14:4,9; Acts 1:10,11; Rev. 19:11-16; 20:4-6). Because of the distinctive nature of the

Body of Christ, the resurrection and Rapture of the Church which is His Body will take place before the Tribulation (Jer. 30:7; Matt. 24:15-31) at His appearing in the air (I Thess. 4:13-18; Phil. 3:20,21; Titus 2:13,14; I Cor. 15:51-53). The resurrection of the other saved dead will occur after the Tribulation (Rev. 20:4-6).

State Of The Dead

Nowhere does Scripture extend any hope of salvation to the unsaved dead but instead reveals that they will ever continue to exist in a state of conscious suffering (Luke 16:23-28; Rev. 14:11; 20:14,15; Col. 3:6; Rom. 1:21-32; Phil. 3:19; II Thess. 1:9). The teachings of universalism, of probation after death, of annihilation of the unsaved dead, and of the unconscious state of the dead, saved or unsaved (Luke 16:23-28; Phil. 1:23; II Cor. 5:6-8), are to be opposed as being thoroughly unscriptural and dangerous doctrines.

Mission

The mission and commission of the Church which is His Body is to proclaim the message of reconciliation (II Cor. 5:14-21) and to preach Jesus Christ according to the revelation of the Mystery (Rom. 16:25; Eph. 3:8,9) with all boldness. In this we should follow the example of the Apostle Paul (I Cor. 4:16; 11:1; Phil. 3:17; 4:9; I Tim. 1:11-16). That distinctive message which the Apostle of the Gentiles (Rom. 11:13; 15:16) calls "*my gospel*" (Rom. 2:16; 16:25) is also called "*the gospel of the grace of God*" (Acts 20:24). We, like Paul, must preach the entire Word of God in the light of "*this gospel*" (II Tim. 4:2; Gal. 1:8,9) and strive to reach those in the regions beyond where Christ is not yet named (Rom. 15:20; II Cor. 10:16).

Human Sexuality

Sexual Relations: We believe that for the good of mankind God has commanded that no intimate sexual activity be engaged in outside of a marriage relationship between a man and a woman, and that any form of homosexuality, lesbianism, bisexuality, incest, fornication, adultery, or pornography are sinful perversions of God's gift of sex and therefore unacceptable behavior for anyone professing to be saved through personal faith in Jesus Christ (Gen. 2:24; 19:5,13; 26:8,9; Lev. 18:1-30; Rom. 1:26-29; I Cor. 5:1; 6:9; Gal. 5:19; Eph. 5:1-7; Col. 3:2-5; I Thess. 4:1-8; Titus 2:11-14; 3:3-8; Heb. 13:4).

Gender: We believe as stated in Scripture that God creates each new life as either male or female (Genesis 5:2; Mt. 19:4). A person's gender is documented at birth and is the biological sex of that person that God intended throughout his or her life (Psalm 139:13-16).

Marriage: We believe that the only legitimate marriage relationship is the joining together of one man and one woman as husband and wife (Gen. 2:24; Rom. 7:2; I Cor. 7:10; Eph. 5:22,23).

Spiritual Authority: We believe that men and women are spiritually equal in position before God but that God has ordained distinct and separate spiritual functions for men and women. Husbands are to be the leaders in the home and men are to be the leaders in evangelism, pastoring, and teaching. Accordingly, only men are to be leaders and serve as directors of the **Berean Bible Institute** or be eligible for licensure to the Gospel ministry by the **Institute** (Gal. 3:28; Col. 3:18; I Tim. 2:8-15; 3:4,5,12).

Abortion

Human life begins at conception and the unborn child is a living human being. Abortion constitutes the unjustified, unexcused taking of unborn human life and is therefore considered to be murder. We reject any teaching that abortions of pregnancies due to rape, incest, birth defects, gender selection, birth or population control, or the mental well-being of the mother are acceptable (Job 3:16; Ps. 51:5; 139:14-16; Isa. 44:24; 49:1,5; Jer. 1:5; 20:15-18; Luke 1:44).

Lawsuits Between Believers

Believers are prohibited by Scripture from bringing civil lawsuits against other believers to resolve personal disputes and that any such disputes should be resolved by the individuals involved according to the governing principles found in the Bible (I Cor. 6:1-8; Eph. 4:31,32).

Giving

All believers, as stewards of that portion of God's wealth entrusted to them, are expected by God to financially support other ministries and/or organizations of similar beliefs, whose purpose is compatible with the purpose of any such local church, through offerings that are freely given with a willing and cheerful attitude. We also believe that upon transfer of any offering or gift to a local church or compatible ministry or organization, the believer relinquishes all rights to direct the use of such offerings or gifts except that of general furtherance of the work of the local church or compatible ministry or organization (I Cor. 16:1-3; II Cor. 9:6,7; Gal. 6:6; Eph. 4:28; I Tim. 5:17,18).

Student Loans:

BBI discourages students from accumulating unsecured debt, even for so noble a cause as learning to teach and preach the Bible. Students may seek sponsorship and/or support by family, Christian friends or their local church to help with their school expenses.

STUDENT INFORMATION & EXPECTATIONS

Student Body:

The mission of Berean Bible Institute is to train Pastors, Missionaries, and Christian leaders for the ministry of the Lord Jesus Christ and the proclamation of the Gospel of the Grace of God given to and through the Apostle Paul. We offer various programs to equip students for different types of ministry. While BBI has something to offer any believer wanting to grow in his or her understanding of the Word of God and prepare for some level of ministry, all students will be required to meet the high standard expected of those preparing for full-time vocational ministry.

BBI offers online distance education, and therefore, there is no provision for student housing, employment, or living expenses.

Marital Status Of Students:

Misbehaviors in the realm of marriage and sexual relationships have proven to be uniquely devastating to those involved in spiritual ministry, as well as those training for such. The marital status of all individuals must be clearly stated on the required application forms. Any change in marital status while a student at BBI must be made known to the Institute.

Dress Code:

In an endeavor to maintain high standards that reflect an attitude of honor and respect, Berean Bible Institute holds to the following dress code:

For in-person events, students should wear modest, properly fitting garments, neat and clean. For virtual courses, students are expected to wear modest, properly fitting clothing, demonstrating respect for the occasion.

General Behavior:

Student demeanor should be such *"as becometh saints"* at all times. The abuse or misuse of substances like tobacco, alcohol, and drugs is unacceptable. Attendance at Berean Bible Institute is a privilege and not a right. Students forfeit this privilege if they choose not to conform to the standards and ideals of the Institute. The Institute may insist on the withdrawal of a student at any time that the student, in the opinion of the Institute, does not conform to the spirit of the ministry. Dignity in appearance and behavior should mark the lives of all who sincerely desire to serve the risen Lord Jesus Christ. All behavior must conform to the doctrinal statement of Berean Bible Institute.

Students should refrain from eating during virtual class sessions.

Berean Bible Institute believes honor and respect are important in our relationships with one another. We require students to address BBI faculty in a respectful manner, using terms of respect such as Pastor, Dr., Mr. or Mrs., etc., as appropriate.

Christian Service Activity:

Students are encouraged to attend Grace churches in their areas and, when possible, take an active part in their ministry. If a Grace church is not available, students should consider attending other churches for Christian fellowship and ministry. Students desiring to graduate from Berean Bible Institute with a Diploma of Advanced Biblical Studies or Bachelor of Ministry must fulfill the requirements of a ministry practicum, and, for Pastoral Studies students, this will require involvement in a local church or ministry.

ACADEMIC INFORMATION

Academic Curriculum & Structure:

- BBI offers curriculum and programs designed to prepare believers for ministry. The Bachelor's or Diploma programs can be completed in as little as three years, but students may take longer than three years, depending on the student's course load. Other programs can be completed sooner.
- BBI offers online distance education, either as self-directed courses or virtual, instructor-led courses.
- Each academic year consists of two sixteen-week semesters. Fall and Spring Semesters are divided into two eight-week terms. Self-directed courses may be taken at any time of the year, regardless of semester.
- Students taking 12 credit hours or more are considered full-time students. Those taking 11 or fewer credits are considered part-time.
- It is recommended that students choose a program of study rather than only taking individual courses of interest.
- It is generally required that students take 100-level courses in a program before 200-level or 300-level courses.
- Certain faculty and administrators are designated as academic advisors and can assist the students in academic pursuits.

Doctrinal Differences:

BBI believes that what individuals believe about what the Bible teaches is very important. It is for this reason that it has established a doctrinal statement on essential Biblical issues to serve as a guideline for what is taught at the school. Even so, to enroll at Berean Bible Institute, students do not have to be in full agreement with the school. However, all students must be in agreement with BBI's doctrinal beliefs concerning the Bible; the Godhead; the Person of Christ; the Condition of Mankind; Salvation; Walk; and Human Sexuality as defined in its Doctrinal Statement under those headings.

Doctrinal Requirements for the Diploma of Advanced Biblical Studies and Bachelor of Ministry Degree:

To receive the Diploma in Advanced Biblical Studies (96 credit hours) or the Bachelor of Ministry degree (126 credit hours), a student must be in complete agreement with the Doctrinal Statement of Berean Bible Institute and, without reservation, sign a statement of affirmation of their agreement. Students who complete the requirements of either program but are not in full agreement with BBI's Doctrinal Statement will be given a *Certificate of Achievement in Bible Studies*. They will not be allowed to participate in any commencement exercises. Students who are not in full agreement with BBI's Doctrinal Statement may not proselytize other students or promote doctrines contrary to the school's Doctrinal Statement.

Berean Bible Institute has adopted this policy to preserve the school's doctrinal integrity while allowing its students a reasonable measure of diversity in their beliefs.

Degrees, Diplomas, And Certificates:

Certificates or Associate Degrees are not intended to fully equip anyone for full-time vocational ministry. These are programs designed to encourage and equip the laymen to better serve Christ in the local church. For those who desire to be fully equipped for full-time Christian ministry, BBI recommends the Diploma of Advanced Biblical Studies or the Bachelor of Ministry in the track most appropriate for the chosen field of ministry.

BBI course requirements for certificates, diplomas, associate degrees, or Bachelor's degrees may be earned by taking self-directed and/or virtual, instructor-led courses or may be granted through allowable transfer credits. Some programs require the transfer of general education credits.

Certificate of Dispensational Studies (Cert. DS):

This 10-credit-hour program is designed to establish the student in a dispensational understanding of Scripture with a special emphasis on the truths of the dispensation of the grace of God as revealed to and through the Apostle Paul. This program will provide a solid foundation for the student desiring to have a stronger grasp on the teachings of grace.

Certificate of Biblical Worldview (Cert. BW):

This 10-credit-hour program equips the student to think biblically and defend their faith in an increasingly skeptical world that is at times hostile to biblical Christianity. The program will provide a doctrinal understanding, affirm the faith of the student, and supply helpful information and methods in engaging those entrapped in Satan's deceit in the form of false religions and unbiblical worldviews.

Certificate in Women's Ministry (Cert. WM):

This 10-credit-hour program is designed to equip women to minister to other women. The program grounds students in biblical truth, emphasizing identity in Christ and their personal walk with the Lord. Further, it progressively explores God's call for women in family, church, and community. This program will challenge women to expand their impact by serving other women in various areas of life.

Certificate of Basic Bible Studies (Cert. BBS):

This is a 30-credit-hour certificate program that provides a strong biblical foundation to any Christian seeking to serve the Lord. The requirements for earning the Cert. BBS follow a structured program that is made up of a foundational core curriculum that is essential to students gaining a working knowledge of the whole Bible while recognizing the importance of its dispensational nature and distinctives. It also provides the necessary skills and tools for a lifetime of effective personal Bible study and application of its teaching in day-to-day living. In addition, it will teach the student how to effectively share Christ with the lost and encourage them to do so. This course of Bible study would be of great benefit for any believer and especially helpful for young men and women who are planning to attend a secular college or university where their faith will be challenged by humanistic philosophies and New Age concepts.

Associate of Biblical Foundations Degree (ABF):

The Associate of Biblical Foundations degree is a two-year degree designed to supply the learner with a solid foundation that will enhance their service in the local church. The ABF degree can be earned by transferring 30 general education credits from another academic institution and completing 30 ministry credits with a minimum of 30 credits through BBI. The ABF degree may be used as a transition into a Diploma of Advanced Biblical Studies or a Bachelor of Ministry degree offered at Berean Bible Institute. Should a student desire to pursue a Bachelor's degree or Diploma of Advanced Biblical Studies, that student would be required to sign a statement of agreement with the BBI doctrinal statement.

Associate of Biblical Studies Degree (ABS):

The Associate of Biblical Studies degree is a two-year degree designed to supply the learner with intense Biblical training. The ABS degree is designed around a full 60 credits of Bible and Ministry courses (a minimum of 30 credits taken through BBI). The ABS degree requires no general education courses and can be completed completely through BBI. The ABS degree may be used as a transition into a Diploma of Advanced Biblical Studies or a Bachelor of Ministry degree offered at Berean Bible Institute. Should a student desire to pursue a Diploma of Advanced Biblical Studies or a Bachelor's degree, that student would be required to sign a statement of agreement with the BBI doctrinal statement.

Diploma of Advanced Biblical Studies (Dip. ABS):

The Diploma of Advanced Biblical Studies (Dip. ABS) constitutes 96 credit hours of ministry and biblical studies with a minimum of 30 credit hours taken from BBI. The Dip. ABS program is designed to train leaders for full-time vocational ministry within the Grace Movement. Understanding that God directs individuals into different types of ministry, we have designed four specific tracks that will allow a student to study in the field where they believe God is leading them. The Dip. ABS is offered in Pastoral Studies (for men only), Missions, Christian Education, and Interdisciplinary Studies. The Dip. ABS includes the same curriculum as the Bachelor of Ministry program, but does not require 30 credit hours of general education to be transferred.

Bachelor of Ministry Degree (B.Min.):

The Bachelor of Ministry degree constitutes 126 credit hours, including 30 credits of general education that must be transferred to BBI and 96 credits in ministry and biblical studies, with a minimum of 30 credit hours taken from BBI. The B.Min. program is designed to train leaders for full-time vocational ministry within the Grace Movement. Understanding that God directs individuals into different types of ministry, we have designed four specific tracks that will allow a student to study in the field where they believe God is leading them. The B.Min. is offered in Pastoral Studies (for men only), Missions, Christian Education, and Interdisciplinary Studies. Only one Bachelor of Ministry may be earned by each student.

Class Times:

Any BBI classes that meet weekly are typically scheduled during evening hours to best accommodate those students who have family and/or employment responsibilities to fulfill. However, there are exceptions to this from time to time. Virtual, instructor-led classes meet in the evening, generally within the hours between 6:15 p.m. and 10:00 pm Central. Most classes run for 8 weeks (one term), but some run for 16 weeks (two terms).

Semesters:

BBI operates on a two sixteen-week semester schedule. The fall semester begins in August and ends in December; the spring semester begins in January and ends in May (exact dates are published yearly). Each semester is divided into two eight-week terms (Fall Term 1 is late August to mid-October; Fall Term 2 is mid-October to December; Spring Term 1 is January to mid-March; Spring Term 2 is mid-March to May). Only self-directed courses are available in the summer.

Student Identification Number:

BBI students are issued an identification number that is primarily used for student information purposes. Students should include their identification number on all assignments and forms that pertain to the school. It should also be included in correspondence with the school.

Transferring Credits Into BBI Programs:

Berean Bible Institute retains the right to either accept or decline degrees or credits from other schools based on criteria set by BBI. Earned credit hours from other schools will be evaluated from official transcripts. Students may receive full credit for general education credits or equivalent courses in ministry or biblical studies only if the course content meets the standards of BBI's program and a grade of "C" or better has been achieved.

The maximum number of transfer credit hours allowed per program are as follows:

- No transfer credits are allowed for the certificates of Biblical Worldview, Dispensational Studies, or Women's Ministry.
- 15 hrs. of Bible/ministry credits towards the Certificate of Basic Bible Studies.
- 30 hrs. of general education toward the Associate of Biblical Foundations.
- 30 hrs. of Bible/ministry credits towards the Associate of Biblical Studies.
- 66 hrs. of Bible/ministry credits towards the Diploma of Advanced Biblical Studies.
- 66 hrs. of Bible/ministry credits and 30 hrs. of general education credits toward the Bachelor of Ministry.

Transfer Credit is designated as TC on the student's **BBI** transcript.

Transferring BBI Credits To Other Schools:

Like Berean Bible Institute, other academic institutions exercise the right to either accept or decline degrees or credits based on their own standards, thus BBI makes no guarantee that credits or degrees earned through the Institute will be accepted by other institutions of higher learning. However, because of maintaining a thorough and rigorous program of study, credits from BBI have been accepted by other institutions and colleges in the past on a case-by-case basis. We recommend that students who wish to transfer credits in the

future contact other academic institutions they are considering to ensure the transferability of BBI credits.

Credit By Evaluation:

BBI recognizes that a great deal of learning takes place through life experience and other forms of education outside of the formal classroom. Therefore, when petitioned by a student or prospective student, BBI is able to evaluate previous non-traditional education or life experience, allowing the student to possibly receive credit for these forms of learning. A student may be awarded up to a maximum of 30 credit hours towards the Diploma of Advanced Biblical Studies or Bachelor of Ministry; 30 credit hours towards the Associate of Biblical Studies; or 15 credit hours towards the Certificate of Basic Bible Studies. **A combination of credit by evaluation and transfer credits may not exceed the maximum allowed for either method of accruing credit towards a certificate, diploma or degree.**

These credits will be assigned a "C.B.E." (credit by evaluation; formerly C.E.) grade which will not affect the students grade point average. To receive credit by evaluation, formal application must be made to Berean Bible Institute.

Life Experience Credits:

It is the belief of BBI that individuals who have obtained knowledge and ministry skills through full-time Christian work should be able to obtain credit for their experience. Determination for life experience credits will be made by evaluation of a detailed resume and as much supporting evidence as possible. Applicants must have a minimum of three years' full-time ministry experience and may also be required to take a Bible content exam and complete a doctrinal questionnaire prepared by BBI. As many as 3 credit hours per year of full-time ministry may be awarded.

A \$25.00 evaluation fee is required when applying for life experience credits, and a \$35.00 tuition fee will be charged for each credit hour awarded.

Non-Traditional Education Credits:

BBI recognizes that non-traditional forms of learning can be highly beneficial to students and possess strong educational merits. Therefore, BBI will consider awarding credit for well-documented learning programs centered in biblical and ministry education that the student has completed in good standing. To have this type of previous education evaluated, the student must petition BBI to evaluate the previous education, and the student must provide documentation showing the student's successful completion of the program from the organization or source that administered the educational program.

Withdrawal Policy:

There are two types of withdrawals recognized by BBI.

Notified Withdrawal:

This withdrawal is initiated by the student notifying the Dean of Academics or their academic advisor. The student should also notify the course instructor. This type of withdrawal qualifies the student for a refund under the refund guidelines in the Tuition & Finances section of this handbook. Under this type of withdrawal, the

student's application remains active for one year from the time of withdrawal. [A withdrawal at any time due to military service will result in a full refund.]

In a virtual, instructor-led course, a notified withdrawal within the first two weeks is considered a schedule change, and no grade is issued on the student's permanent academic record. A notified withdrawal after two weeks will result in a grade of either W (if no graded work has yet been required), WP (if the student is passing at the time of withdrawal), or WF (if the student is failing at the time of withdrawal).

In a self-directed course, a notified withdrawal before the course has started will be treated as a schedule change, and no grade will appear on the student's permanent academic record. A notified withdrawal after the course has started will result in a grade of either W (if no graded work has yet been required), WP (if the student is passing at the time of withdrawal), or WF (if the student is failing at the time of withdrawal).

Automatic Withdrawal:

This type of withdrawal occurs when the student withdraws without prior notification (see below). A student who is automatically withdrawn is ineligible for any refund. The application of a student who is automatically withdrawn is immediately inactive, and the student would need to reapply to BBI and include a letter stating the reason for the previous withdrawal and why the student feels he or she should be allowed re-admittance to BBI.

In a virtual, instructor-led course, if a student fails to attend the first two weeks of a virtual, instructor-led course, they are considered automatically withdrawn and receive a W (withdraw without grade) on their grade record. A student who attends at all in the first two weeks, and then ceases to attend the course for three or more consecutive weeks without notification, will be considered automatically withdrawn and receive either WP (withdraw passing) or WF (withdraw failing).

In a self-directed course, if a student never completes and returns any work within two months of the course start date (the latest start date if enrolled in multiple courses), or if a student returns completed work but then fails to return any further work for two months, the student is automatically withdrawn and receives either a W, WP, or WF on his or her grade record depending on whether any work has been completed and the academic standing of the student in the course.

Course Retake Policy:

Students are allowed to retake courses either to replace a grade of C- or lower or to take a course as a refresher. In either case, students are responsible for the full tuition, fees, and textbooks.

Grade Replacement:

A student may retake a course to earn a higher grade only if the original grade was C- or lower. Only the highest grade earned for the course is used for GPA calculations and earns credit. All attempts and earned grades for the course will appear on the student's transcript.

Refresher Course:

A student may retake a class as a refresher, but is still required to regularly attend, participate in class, and complete all course assignments and exams. When a student takes a class as a refresher, the designation of R is issued.

Handbook And Course Catalog:

It is understood that this Handbook and Course Catalog is not a complete or exhaustive statement of policy and/or procedure. BBI intends this Handbook to set the tone for the kind of training, discipline, and exposure the student can expect as he prepares for the ministry. Paul's words in Ephesians 4:15 should be our pattern: *"But speaking the truth in love, may grow up into him in all things, which is the head, even Christ."*

This Handbook contains general information regarding the schedule, admissions, requirements, fees, tuition, regulations, and course offerings. The policy of Berean Bible Institute is to give advance notice of change, whenever possible, in order to permit adjustment by those affected. However, Berean Bible Institute reserves the right to make changes at any time when it is deemed advisable and in the best interest of the Institute. Revised editions of the Handbook supersede all previous editions.

Course Requirements:

Students will normally stay under the requirements for academic achievement that are laid out in the "Handbook and Course Catalog" that was current when they first enrolled, up to seven years, as long as they remain an active student at BBI. But, they may switch to a later edition if it would be beneficial to their circumstances.

Re-entering the Institute:

A student whose application has become inactive and reapplies and returns to the Institute comes under the current catalog of his or her re-entry.

Pursuing Other Education:

A student who is pursuing other education to meet the requirements of BBI programs may re-enter the Institute under the catalog effective when he or she originally enrolled, up to three years. After three years, the student must come under the current catalog. The intention of pursuing education to meet BBI requirements must be given in writing prior to beginning coursework elsewhere to stay under the current catalog.

Roll Over of Past Program Credit into Current Programs:

All students who have in the past been issued certificates, diplomas, or degrees and wish to roll their credits into a current Associate degree, Diploma, or Bachelor degree program from BBI must meet current program course requirements. A minimum of 8 new credit hours must be taken from BBI by students rolling over past program credit to earn an Associate degree, Diploma, or Bachelor's degree from the Institute. A minimum of 8 credit hours is required for every additional achievement earned by the student at BBI. Previous credits that have not been applied to a certificate, Associate degree, diploma, or Bachelor's degree may count towards the 8 credit minimum.

Transcript Service:

Berean Bible Institute maintains a permanent academic record for each student, including dates of attendance, courses taken, grades earned, and certificates and/or diplomas awarded. Transcripts are issued when a student submits a written request. One transcript of a student's record will be issued without charge. There will be a \$15.00 fee for any additional transcripts that are issued. No official transcripts will be issued without an official request by the student. Transcripts will not be issued until all fees and tuition have been paid.

Graduation:

Students desiring to graduate from Berean Bible Institute must complete a Graduation Application form (available [here](#)).

Those graduating with diplomas or degrees pay a fee of \$25.00. All tuition, fees, and costs must be paid for the student to receive his or her diploma or degree from Berean Bible Institute.

Those receiving a certificate must pay a \$15.00 graduation fee.

Replacement Certificates, Diplomas, & Degrees

Students may request a replacement copy for lost certificates, diplomas, or degrees.

- The replacement copy is made using our existing templates for degrees, diplomas, or certificates.
- The date the degree, diploma, or certificate was originally awarded will appear on the replacement, along with the student's name at that time (unless the student requests a name change).
- The replacement copy will bear the current titles and signatures of BBI officials.
- The notation "Official Replacement" and issue date will appear near the bottom of the replacement.

Costs:

The student pays the current graduation fee for replacement certificates, diplomas, or degrees.

- \$15.00 - Certificate
- \$25.00 - Diploma or Degree

Academic Probation & Suspension:

The purpose of academic probation is to alert the student that his or her current grades are insufficient for future graduation. The following guidelines will determine if a student is to be placed under academic probation. Appeals may be made to the Dean of Academics.

1. Any student who does not maintain at least a 2.0 or C average during a semester will be put on academic probation.
2. The registrar will notify the student that he or she is on academic probation for the next semester.
3. The student will be restricted to no more than 3 courses consisting of not more than 8 credit hours of coursework for the probationary semester.

4. If the student does not maintain at least a C average or a 2.0 (GPA) during the probationary semester, he or she will be placed on academic suspension and not allowed to return the following semester.
5. To resume studies at BBI, a student who has been suspended would need to reapply and submit a paper detailing why the student believes he or she should be accepted back as a student at Berean Bible Institute.
6. Should a student be readmitted to Berean Bible Institute after receiving academic suspension, he or she would immediately be placed on academic probation for his or her first returning semester.

Ethics Policy

Berean Bible Institute expects students to abide by the high calling of Christ in their academic studies. Therefore, violations of academic ethics will be viewed as spiritual and character flaws that forfeit a student's privilege to attend BBI. Such violations include but are not limited to:

Plagiarism – It is the student's responsibility to ensure that they do not present the words and specific ideas of others as their own work. All sources must be documented. Assignments are checked for plagiarism.

Examples of plagiarism include:

- Directly taking wording from a book, article, class lecture, or other source.
- Rewording or summarizing an idea from such sources.

Cheating/Copying – A student is responsible for his or her own coursework. Allowing another person to complete the student's assignments, reusing previous assignments to fulfill course requirements, or copying work from other individuals is unethical.

Penalties for violating the BBI ethics policy are applied as follows:

- For the first offense of the BBI ethics policy, the student will receive a 0% (F) on the assignment in question.
- The second offense will result in failing the course in which the offense takes place.
- Additional offenses will result in expulsion from BBI for at least one semester.

These steps are applied for subsequent offenses during a student's time at BBI, regardless of whether they were committed in the same course.

Artificial Intelligence – For students at Berean Bible Institute, Generative Artificial Intelligence (GenAI) should not be used in the creation of any assignments, as we view this as an ethical violation and a potential quenching of the Spirit in the student's heart. Further, students should use caution when using GenAI in an assisting role for editing assignments (as GenAI frequently can change significant portions of text). If GenAI is used, it should be noted or cited. Assignments are checked for GenAI content to ensure student integrity that aligns with our high calling in Christ. Read the full BBI Statement on AI here: <https://bereanbibleinstitute.org/ai-policy/>

COURSE DESCRIPTIONS

Each of the following descriptions provides a brief synopsis of the subject of each course offered at Berean Bible Institute.

General Courses:

101 - Dispensational Survey*: (*Two credit hours*) The Bible must be rightly divided (II Tim. 2:15), therefore, we are committed to studying it dispensationally. Although God's essential nature does not change, His dispensations toward man do change. This course gives an overview of the Bible from a dispensational point of view. It lays the groundwork for a lifetime of effective personal Bible study.

102 - Apologetics*: (*Two credit hours*) Apologetics is a defense of the origin and absolute reliability of the Bible as a Book uniquely inspired by God. This course offers a comprehensive and systematic survey of the evidences of the truth and authority of the Scriptures. It will help to confirm the student's faith and equip him or her to stand against the attacks of humanistic unbelief, to be knowledgeable in order to effectively witness in our high-tech and evolutionary thinking culture, and to maintain a strong and uncompromising stand for the infallibility of God and His Word in every situation. This course is especially recommended for those attending or planning to attend a secular college or university.

103, 104, 203, 204, 303, 304 - Bible Exposition 1, 2, 3, 4, 5, 6: (*Twenty-four total credit hours*) This systematic expositional survey is divided into six courses that take the student through the Bible in three years (the books of Daniel, Acts, Romans, Ephesians, Philippians, Colossians, Revelation, the Major Prophets and the Minor Prophets are also offered in separate study courses). Each book will be studied in its dispensational setting as part of all Scripture, (II Tim. 3:16). The primary textbook for these courses will be the Bible.

103* - (*Four credit hours*) This course begins with an in-depth study of the foundational book of Genesis and then moves on to a book-by-book study of Exodus through Deuteronomy. It provides the student with an understanding of the outworking of God's plan in reference to the creation, the flood, the nations, the special purpose of His chosen people, Israel, the Exodus from Egypt, the Tabernacle, the Priesthood, and their dispensational importance.

104* - (*Four credit hours*) This course begins with Joshua and moves through II Chronicles giving the student a working knowledge of the history of Israel as a nation in the Promised Land. The special purpose of God's chosen people, the establishment of the kingdom under David, the apostasy of Israel, the prophets God sent to Israel, the Babylonian Captivity, and how these things relate to the Millennial Kingdom and the present Dispensation of Grace is emphasized.

203* - (*Four credit hours*) This course looks at the history of Israel during the captivity and return from Babylon to rebuild the Temple and Jerusalem, the intertestamental years, and the time of Jesus Christ's earthly ministry. Emphasis is given to the centrality of the Person and ministry of Jesus Christ to Israel's Messianic hope of a restored kingdom on earth. Covers Ezra through Esther and Matthew through John.

204* - (*Four credit hours*) This course is a survey of all of the Pauline epistles with special attention given to the purpose and doctrine of each in the context of Paul's ministry as the Apostle of the Gentiles who was especially commissioned to make known the Dispensation of the Grace of God (also offered is a more in-depth study of Romans and a systematic comprehensive review of Ephesians, Philippians, and Colossians as separate courses).

303 - (*Four credit hours*) A general introduction and survey of the Kingdom epistles of

Hebrews through Jude. Emphasis is given to their message, dispensational distinctives, and doctrines in comparison with the Apostle Paul's epistles. Their relationship to God's prophetic kingdom program and their proper use and application during the present Dispensation of Grace is thoroughly examined. (Revelation, and Daniel are taught together in a separate course.)

304 – (Four credit hours) This course deals with the Poeticals, or Wisdom Literature of the Bible found in the books of Job through Song of Solomon. Each book will be studied in its dispensational setting as part of all Scripture, (II Tim. 3:16). The primary textbook for this course is the Bible.

In addition, how to follow up on a new believer in order to help them become established in the faith and begin walking in the spirit is taught.

108 – Romans*: *(Two credit hours)* This course systematically works through the important epistle of the Apostle Paul to the Romans. The study of this book is vital to the understanding of man's universal need for salvation, God's provision of salvation through Jesus Christ, God's offer of salvation by faith alone, the dispensational nature of the Bible, God's dealings with Israel, and living the Christian life by faith.

Practical Dispensational Theology is the study of dispensational theology with an emphasis on the application of Biblical truths to both the individual believer's life and in the context of the corporate Body of Christ. BBI's program covers these doctrines in four courses as follows:
205 – *(Two credit hours)* The introduction to Dispensational Theology, and the doctrines of Bibliology (revelation, inspiration, authority, and the dispensational character of the Bible); Theology Proper (the existence of God, the nature of God, the eternal purpose of God, and the works of God).

211 – *(Two credit hours)* This course presents the Bible as sufficient for providing answers for all of man's personal problems in every area of life, and as such shows how it is to be used for dealing with one's own personal problems or in counseling others who are in need. Bible Counseling is shown to be the Christ-centered and Holy Spirit-empowered practical application of Biblical truth to an individual's life with the goal of spiritual victory, maturity, and fruitfulness toward God.

216 – *(One credit hour)* This course focuses on the practical application of God's grace as the answer to the problems encountered in life by individuals, with the centrality of the Lord Jesus Christ being emphasized. Students will gain a greater understanding and appreciation for the Dispensation of the Grace of God as they learn how it applies to personal problems. They will also learn why a "law-centered" legalistic approach to life is actually the root cause of many of the personal problems that people have.

Special Classes Course Descriptions:

In addition to the classes listed in the preceding schedule, BBI offers special courses each semester.

The following two classes are offered to promote the understanding and application of the Biblical principles that pertain to the relationships that exist between a husband and wife, and parents and their children. **1001-Biblical Principles of Family Life:** and **1002-Biblical Principles of Married Life:** or their equivalents are required for graduation from BBI.

1001 – Biblical Principles Of Family Life: *(Two credit hours)* Offered during the fall semester, this is a special class on understanding and applying the Biblical principles of personal relationships within the family. With the moral fabric of our nation already badly eroded by the persistent flow of humanistic thought into the mainstream of our culture, the traditional views of the family and moral ethics are quickly fading away. This course is designed for those who are sincerely interested in learning how to protect their own families from the destructiveness of worldly philosophies and to help others do the same through the application of the Biblical principles of parenting and other family issues. Class size is restricted for this course, so those desiring to attend should sign up as soon as possible. Single people are allowed to attend. A husband or wife may take the class without their spouse, but married couples are strongly urged to attend together if at all possible.

1002 – Biblical Principles Of Married Life: *(Two credit hours)* Offered during the spring semester, this is a special class on the Biblical principles of marriage. With the institution of marriage under assault because of the increasingly secularist/humanistic worldview that has permeated our society, it is vitally important that those who want a secure marriage understand the Biblical principles of marriage, and how to apply them in their own relationship. The roles and responsibilities of husbands, wives, and couples as well as how to solve the most difficult problems of married life will be covered. Those who are interested are encouraged to sign up for the class as soon as possible. Single people are allowed to attend. Married couples are strongly urged to attend together if at all possible.

The following special courses are offered as needed according to the Courses Offered schedule.

Q. Why should I consider attending BBI rather than another Bible school?

A. As far as we know, BBI is a unique Grace ministry in that it offers a full three-year formal Bible and ministry training program. The Bible is taught dispensationally in light of the distinct message revealed by the Lord to the Apostle Paul for the current Dispensation of Grace (Gal. 1:11-12; Eph. 3:1-11; Col. 1:25-27). BBI has a workable and practical curriculum designed to give our students a solid understanding of *"the revelation of the mystery"* and its importance in proper Bible interpretation, with a balanced approach to ministry and the ability to effectively preach and teach the Word of God. We not only teach the Bible, but we also teach our students how to study the Bible for themselves. All BBI instructors are committed to the Word of God "rightly divided" and have valuable ministry experience. Having a variety of instructors provides balance for BBI's program. If you would like to use your life to make a difference for Christ, then BBI is the place for you. If you are not sure of God's calling on your life, you should consider attending BBI to earn a certificate with the goal of being spiritually enriched and to learn how to effectively serve God in whatever direction He leads you in life.

Q. When can I enroll in self-directed distance studies courses?

A. Individuals can apply and register for self-directed distance studies courses at any time. These courses do not follow the regular semester schedule. When an individual registers for a self-directed distance studies course, their start date begins when they receive course materials. The student then has an allotted amount of time to complete the course. Therefore, these courses can be started at any time throughout the year.

Q. How do virtual, instructor-led courses work?

A. Virtual, instructor-led courses utilize the student's computer and internet connection. These classes occur during the semester schedule and allow a student to log in to the course from home. These courses meet once a week, generally in the evening. There is real-time instruction and live interaction.

Q. How is the ministry of Berean Bible Institute supported?

A. Berean Bible Institute is an independent faith ministry that has no denominational or outside organizational backing. Our tuition is kept as low as possible to make BBI affordable to its students so only a fraction of our financial needs are met in this way. For our primary means of monetary support, we are dependent on the gifts of God's people who stand with us for the truth of His Word rightly divided and desire to help make Jesus Christ known *"according to the revelation of the mystery."*

THE NEED OF THE HOUR

In every generation, the greatest need has been for young men and women who will stand up to take the place of those who have diligently labored to make Jesus Christ known to a dark world desperately in need of the light of the Gospel of God's Grace, but who are now passing off the scene. And, within the Grace Movement, the need is crucial. But there seem to be few willing to make the sacrifices necessary to become able ministers of the Gospel. Let us pray that the Lord will use those few to ignite a passion for souls and a zeal for ministry within the Grace Movement, a passion and zeal demonstrated by actions.

A PARTING THOUGHT FROM THE DEAN OF STUDENTS

Dear One in Christ,

I consider it a privilege to be among the faculty and staff that is part of a school that teaches and emphasizes Paul's "gospel, and the preaching of Jesus Christ, according to the revelation of the mystery, which was kept secret since the world began, but now is made manifest, and by the scriptures of the prophets, according to the commandment of the everlasting God, made known to all nations for the obedience of faith" (Rom. 16:25-26). Berean Bible Institute takes to heart and follows through on the Apostle Paul's admonition to Timothy; "And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also" (II Tim. 2:2). What a blessing it is to be a part of helping men and women prepare themselves for the work of the ministry and for living their life in Christ Jesus.

At BBI, we believe that sound doctrine, properly applied, leads individual believers to right living or godliness (Titus 2:11-14). We believe this is allowing the Lord to work out His will in our lives as we respond in faith to the truths of His Word. We could call this practical truth. What greater joy than to learn that Grace doctrines are the most practical teaching there is. We here at BBI look forward to helping you understand that His Grace is the most practical message ever written. The "faithful student" will not leave BBI with just a head filled with good knowledge, but also a heart filled with what the Grace of God means to them and how to share it with others. *"For whom he did foreknow, he also did predestinate to be conformed to the image of His Son"* (Rom. 8:26).

If you are considering enrolling at a Bible school, either for preparation for ministry or for personal edification, I ask that you prayerfully give serious thought to attending BBI.

In Christ,

Pastor Daniel J. Wolgast
Dean of Students
