

HISPANIC CONTRACTORS
OF COLORADO

MEMBER & SPONSOR ENGAGEMENT GUIDE

A MESSAGE FROM **OUR CEO & PRESIDENT**

Dear HCC members and friends,

Thank you for your interest in the Hispanic Contractors of Colorado (HCC) and for supporting our mission to advance diversity and opportunity across Colorado's construction industry. We are pleased to share this Membership & Sponsorship Guide with you. Its purpose is simple: to help you make the most of your HCC membership and discover the many ways to engage, connect, and grow within Colorado's A/E/C community.

Inside, you'll find opportunities to expand your visibility through events, committees, and partnerships, as well as options to increase your company's presence through sponsorship. Whether you're new to HCC or a long-standing member, this guide is designed to be your roadmap for building relationships, finding resources, and strengthening your business.

HCC has always been about people—diverse businesses and professionals coming together to share knowledge, create opportunities, and support one another. We encourage you to explore the pages ahead, get involved, and take advantage of everything your membership offers.

We look forward to seeing you at an upcoming event and continuing to grow this community together.

With gratitude,

Alejandra (Ale) Spray, HCC CEO & President

Founded in 1990, Hispanic Contractors of Colorado (HCC) is a 501(c)(6) non-profit trade association dedicated to advancing Colorado’s construction industry. Our membership includes general contractors, subcontractors, engineering and design firms, professional service providers, nonprofits, and public entities. We are proud to collaborate with partner associations such as AGC, BCG, CMCA, CCA, CrossPurpose, IECRM, NUCA, RMNECA, and SMACNA to strengthen our collective impact.

Our mission is to build opportunities that strengthen and sustain our members’ knowledge, connections, and voice within both the public and private sectors of Colorado’s construction industry.

At the heart of HCC is our commitment to supporting small and diverse contractors—helping them navigate how to do business with public entities and large corporations while fostering a thriving, inclusive community.

COMMITTEES

HCC's committees are one of the best ways to get involved and make a meaningful impact. Committees bring together members who share an interest in specific areas of the A/E/C industry—providing a space to collaborate, exchange ideas, and help shape HCC's programs and initiatives. Serving on a committee allows members to build relationships, grow their visibility, and contribute their expertise to the broader A/E/C community.

As an HCC member, you can participate as a committee member or take on a leadership role as a chair or co-chair. No matter your level of involvement, committee work is an excellent opportunity to deepen your engagement, influence the direction of the organization, and strengthen your professional network. Reach out to the HCC team for more information on joining a committee.

Aviation

Second Tuesday, 9 – 10 am

The Aviation Committee's purpose is to connect HCC construction entrepreneurs to DEN and other airports within the state to identify current and future business opportunities. Through connectivity and outreach, the Aviation Committee helps navigate, train and foster a program for disadvantaged and underutilized businesses and entrepreneurs to successfully deliver projects statewide.

Infrastructure

First Wednesday, 11 am – 12:30 pm

In conjunction with the Black Construction Group, this committee's purpose is to identify outgoing and future expansion project opportunities with public agencies, such as the City and County of Denver, Colorado Department of Transportation, Denver Water, RTD and others. Through connectivity and outreach, the committee navigates, instructs and fosters a program for disadvantage businesses to do business with these agencies.

Events & Programs

First Tuesday, 11 am – 1 pm

This committee helps with the recruitment and retention of members through special events, membership drive and other direct outreach efforts. It is also responsible for programming HCC's general membership dinners. The committee offers the benefit of direct contact with clients and potential clients through requests for speakers and program planning, as well as the opportunity to drive the industry knowledge that is presented for the A/E/C representatives that attend HCC events.

Hispanic Legacy

As needed

This committee's purpose is to ensure that "Hispanic" remains at the forefront of HCC membership, with the intent to remember the foundation in which HCC was started by including and developing

small, Hispanic-owned businesses in Colorado. HCC is a supporter of the Latino Leadership Institute's Fellowship Program and accepted participants can apply for a scholarship through HCC to help offset the cost of the program.

Safety

First Tuesday, 8:30 – 10 am

HCC's Safety Committee provides a space for members to share safety knowledge, resources, and best practices while addressing common safety challenges in Colorado's construction industry. The committee focuses on open discussion and shared experiences to help members strengthen their safety practices, learn from one another, and promote a stronger culture of safety within the industry.

Small Business Roundtable

Third Thursday, 9 – 10:30 am

The purpose of this roundtable is to build a broader interconnected business network that embraces all businesses—with a focus on small businesses—and encourages collaboration with a diverse group of individuals. The committee does this by continually developing strong relationships within our community—both internally and externally to the construction industry—and in its members' personal networks to advance business for everyone.

Women in Leadership (WIL)

First Friday, 8:30 – 10 am

Women in Leadership's purpose is to advocate for women in construction and to provide leadership trainings, networking and awareness for members. The committee champions an inclusive environment to attract, develop, support and retain women in the architecture, engineering and construction industries.

Internal Committees

Governance

Fourth Friday, 10 – 11 am (by invite only)

The mission of the Governance Committee is to provide leadership and support to HCC in terms of assisting in the areas of HR/staffing, including hiring, job descriptions, benefits, etc. The committee also helps with the identification of future board members as well as identifying and making recommendations on other actions as needed.

Legislative Policy Committee for State & Local Affairs (by election only)

Fourth Thursday, 11:30 am – 1 pm

The Legislative Policy Committee's purpose is to advocate and educate on behalf of diverse and certified firms on the local and state level to ensure that any legislative and purgatory initiatives affecting construction-related companies can be addressed in factual legal and beneficial manner. The group monitors and executes the strategy and tracks the results and return on investment and continually communicates with the executive committee, board of directors and HCC membership to ensure communication to relevant audiences.

Seasonal Committees:

Awards Gala

This committee works to plan, secure sponsorships for, and execute the annual Awards Gala.

Sporting Clay Event

This committee works to plan, secure sponsorships for, and execute the annual Sporting Clay Event.

Golf

This committee works to plan, secure sponsorships for and execute the annual Golf Tournament.

GENERAL MEMBERSHIP MEETINGS

AKA “GMMS”

HCC’s General Membership Meetings (GMMs) are monthly dinner events that keep members up to date on key issues and opportunities shaping the A/E/C industry. From legislative updates and economic outlooks to marketing insights and project previews, each meeting offers timely, valuable information along with a premier platform for networking. Rotating across venues throughout the Denver Metro area, these dinners are typically held on the third Wednesday of each month.

If your business values engaging with small and diverse firms, sponsoring a GMM is a great way to support these businesses, learn about upcoming opportunities, and connect in a fun networking environment.

GMM sponsorship provides:

- Exposure to up to 100 A/E/C industry professionals, both HCC and non-HCC members
- Access to speakers and fellow sponsors
- Meaningful business partnerships with guests and presenters
- A direct way to engage with small/diverse firms and grow participation on your projects

There are typically 8 GMMs a year. Each GMM focuses on a specific topic. Past themes have included:

- Legislative insights
- Procurement trends
- Healthcare developments
- Small business resources
- Project previews
- Aviation industry insights
- Marketing roundtables
- Economic outlook
- K-12 initiatives

AWARDS GALA

HCC's premier celebration of the year, the Annual Awards Gala, brings together nearly 600 professionals from the A/E/C industry. Held on a Saturday evening in early March, this black-tie event features a cocktail hour, elegant plated dinner, inspiring awards program, and an evening of dancing and entertainment.

Gala sponsorship provides:

- Brand visibility in front of nearly 600 A/E/C professionals, including decision-makers, community leaders, and industry partners
- Recognition during the awards program, on event signage, and in event marketing materials
- Networking access through the cocktail reception, dinner, and after-party with top industry professionals
- Prestige association with HCC's most high-profile annual event celebrating excellence in the A/E/C industry

— GOLF TOURNAMENT

HCC's Annual Golf Tournament is one of the most popular networking events of the year, held each June at Fox Hollow Golf Course in Lakewood. The full-day tournament brings together A/E/C professionals for friendly competition, relationship building, and visibility in a relaxed outdoor setting. The day includes breakfast, an 18-hole championship course, contests and prizes, as well as a post-tournament lunch and awards reception.

Golf Tournament sponsorship provides:

- Brand visibility throughout the tournament, with signage on the course, at contests, and during meals and awards
- Direct engagement with nearly 250 A/E/C professionals in a fun and casual setting
- Networking opportunities on the course and at the post-tournament luncheon and awards ceremony with industry leaders and decision-makers
- Community goodwill through support of HCC's mission and one of its most highly attended annual events

SPORTING CLAY EVENT

HCC's Annual Sporting Clay Event is one of the organization's most popular and fast-growing events, drawing more than 175 participants from across the A/E/C industry. Hosted at Colorado Clays in Brighton, this fun-filled event brings together industry leaders, business owners, and community partners for a morning on the course followed by lunch and awards.

With shooters of all skill levels participating, the event combines friendly competition with lasting connections. Year after year, it continues to sell out—making it a must-attend tradition for both HCC members and non-members alike.

Sponsorship provides:

- Prime visibility among 175+ A/E/C professionals at a high-energy outdoor event
- Brand association with one of HCC's most anticipated annual traditions
- Engagement with members and non-members in a unique and interactive setting
- Opportunities to strengthen relationships with industry leaders and peers
- awards ceremony with industry leaders and decision-makers
- Community goodwill through support of HCC's mission and one of its most highly attended annual events

WOMEN IN LEADERSHIP

AKA “WIL”

Where there’s a WIL, there’s a way. HCC’s annual Women in Leadership event is a highly anticipated event that brings together women and men from across the A/E/C industry each fall for meaningful conversation, professional growth and connection.

Each year features a timely and engaging educational program—sometimes a dynamic keynote speaker, sometimes a thought-provoking panel—paired with interactive roundtable discussions that encourage dialogue and idea-sharing. With light bites and drinks provided and plenty of networking built in, WIL creates a welcoming space for members and non-members alike to exchange insights and strengthen relationships.

WIL sponsorship provides:

- Brand visibility at one of HCC’s most inspiring annual events
- Alignment with a program that promotes leadership, learning, and inclusion
- Opportunities to connect with both women and men from across the A/E/C community
- Recognition as a supporter of professional growth and industry advancement for women

HOLIDAY SOCIAL + BENEFITING CONTRACTOR ACADEMY

The HCC Holiday Social & Cake Auction is a festive evening where industry leaders and community members come together to mix, mingle and celebrate the season while raising funds for Contractor Academy, a 501(c)3 that provides education and training for small businesses in the A/E/C industry. Guests enjoy networking, holiday cheer and the excitement of bidding on stunning, handcrafted cakes that are as delicious as they are unique.

More than just a holiday gathering, this annual tradition combines fun with purpose. One hundred percent of the proceeds from the cake auction benefit Contractor Academy, supporting programs that strengthen Colorado's construction workforce.

Sponsorship provides:

- Brand visibility with A/E/C professionals during a signature holiday event
- Alignment with a philanthropic tradition that makes a real impact
- Expanded reach through Contractor Academy's network of small businesses
- Opportunities to connect with decision-makers, partners and community leaders in a spirited setting

A/E/C TRADESHOW & BBQ

HCC's annual A/E/C Tradeshow & BBQ is where connection meets opportunity. Typically held on a Wednesday evening in August, the event brings general contractors, subcontractors, small businesses and industry professionals together for tradeshow-style networking.

General contractors host exhibitor tables, creating space for small-, minority-, and women-owned businesses in the architecture, A/E/C industry to connect and explore potential partnerships. The event is combined with HCC's popular Summer BBQ, so attendees can also enjoy meaningful connections over delicious food and drinks.

Tradeshow & BBQ sponsorship provides:

- Brand visibility at one of HCC's most well-attended summer events, drawing a diverse mix of contractors, subcontractors, small businesses and industry professionals
- Recognition on event signage, exhibitor materials, and event promotions
- Direct engagement with small, minority, and women-owned businesses seeking partnerships with general contractors
- Relationship building in a relaxed summer setting over BBQ and drinks

SMALL BUSINESS

ROUND TABLE

HCC's Small Business Round Table (SBRT) committee builds a broader, interconnected business network that focuses on small business success. The SBRT's quarterly gatherings encourage collaboration across a diverse group of professionals, fostering strong relationships within the A/E/C industry and beyond.

Each SBRT event features timely and practical topics—ranging from immigration law to lender panels, employee ownership, and more. Whether held over morning coffee or an afternoon happy hour, SBRT events create a welcoming environment for members and non-members alike to learn, share insights, and expand their networks.

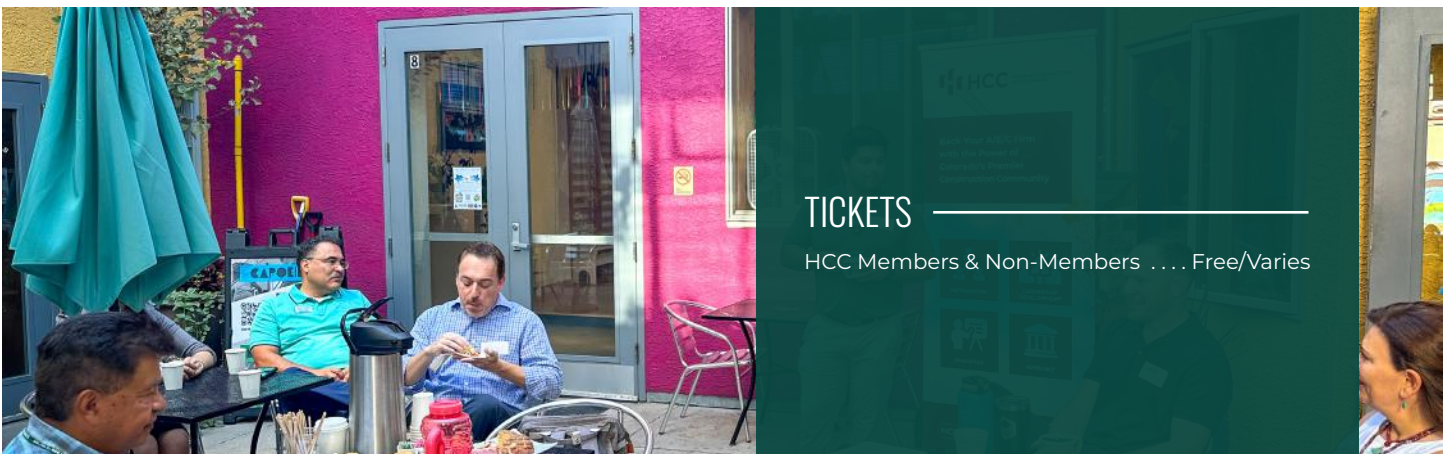

SBRT Sponsorship provides:

- Visibility as a champion of small business growth and collaboration
- Alignment with HCC's efforts to strengthen the broader business community
- Opportunities to engage with decision-makers in both construction and related industries
- Recognition at quarterly events that combine education with meaningful networking
