Your Adventure Begins in Wisconsin!

Whether your travels bring you to Wisconsin for business or leisure, the hospitality community is ready to welcome you to our great state. Be sure to take time to explore the many fresh water lakes, streams or waterfalls in our spring and summer months, enjoy a ski slope or cross country ski trail in our state parks during our winter months or take in the scenic sites of the rolling hillsides, farmlands and little downtown communities throughout Wisconsin all year long. Wisconsin has many historical sites, art exhibits, fairs, festivals and more to keep you entertained every month of the year. I am confident you will encounter the gracious hospitality only true Wisconsinites can provide our visitors.

The Wisconsin Hotel & Lodging Association enters its 127th year and it is our pleasure to assist you during your travels throughout the state. Wisconsin hospitality offers you so many opportunities from remote cabins in the Northwoods of Eagle River, Rhinelander or Minocqua, to name a few, a resort or Bed & Breakfast accommodation in Lake Geneva or Door County, to the hundreds of hotels/motels in our urban cities of Madison or Milwaukee. Traveling throughout Wisconsin offers you and your family a unique travel adventure from Beloit to Superior, Prairie du Chien to Sturgeon Bay, or Eau Claire to Milwaukee and we look forward to serving you in every city and town along the way.

On behalf of our members at WHLA, thank you for allowing us the pleasure to serve you!

THE DELLS

Wisconsin

Baraboo, Lake Delton, West Baraboo, Wisconsin Dells

FEATURED: Lake Delton Waterfront Villas

Featuring unparalleled views and situated on the largest beach Lake Delton has to offer, this is the place that'll have you coming back to visit year after year. Lake Delton Waterfront Villas feature five spacious styles and room layouts, accommodating 6–20 guests. Located just a few short miles from Kalahari Resorts, all guests also receive complimentary admission to Kalahari Waterparks. See page 12 for more information.

DIVE INTO FUN

The Dells area is the amusement capital of the Badger State, attracting tourists with its landscape since the 1850s. Travelers return each year to experience the natural splendor of the bluffs and rivers.

Waterparks came to the area in the late 1970s when Noah's Ark Waterpark opened in Lake Delton. Soon other outdoor amusement parks and waterparks followed, making the area the fulfilled travel destination. In 2005, the community officially became known as the **"Waterpark Capital of the World®"**.

Today, the Dells region boasts some of the biggest and best water attractions with rides like extreme plunge slides, bowl drops, water roller coasters, indoor surf machines, lazy rivers, wave pools, and more. With 200+ waterslides in operation, and more being

added each year, this region is one that you'll want to visit again and again.

The plethora of outdoor attractions make the Dells a hot spot for summer tourists. Since 1946, visitors have enjoyed rides on the famous DUKW vehicles called "ducks" which take riders on a fun adventure by land and water as they splash into the **Wisconsin River and Lake Delton**, as well as traversing miles of scenic wilderness trails. Other outdoor attractions include zip lining, golf and mini-golf, go-kart tracks, water sports, and horseback riding.

The fun doesn't stop when summer ends in the Dells! As a home to some of the world's largest indoor water parks, guests are invited to participate in scheduled activities for children and adults, enjoy spa services, play a round of golf, and dine at an

array of casual and fine dining establishments located at each resort. From toddlers to teens, everyone will have the experience of their dreams at one of the great lodging properties in this area.

The Dells region offers a variety of hotel and lodging options. Choose to stay and play at fun-filled resorts, amenity rich spa retreats, classic hotels and motels, cabins, and more. From vacation homes and cabins on Lake Delton, the famous resorts in Wisconsin Dells, to the convenient accommodations in Baraboo, there is a getaway to suit the needs of all travelers!

Cedar Lodge is located on the beautiful lower Dells on the Wisconsin River, and is near several attractions and natural wonders, including Devils Lake and Cascade mountain. Cedar Lodge offers a variety of

comfortable and affordable accommodations for your family such as Riverview Lodge rooms, Suites, and Log Cabins. All units feature private balconies or patios with stunning views of the surrounding landscape and river. Engage in a range of on-site amenities to enhance your experience, including an outdoor heated pool, sundeck, boat launch, pier, 400 feet of sandy beach, and a nightly bonfire. Cedar Lodge also includes free passes to both Wisconsin Big Cat Rescue and Noah's Ark Water Park during the summer, and discounted passes to a popular indoor theme park and water park during the off season.

Make a splash with the family and schedule your next vacation in the Dells!

America's Hotels Are Staying Responsible

From waste reduction and water conservation to energy efficiency and responsible sourcing, our members are working to provide employees, guests, and communities a **responsible stay**.

83%

of travelers believe sustainable travel is an important issue¹

81%

of travelers say they want to stay in a sustainable accommodation in the coming year¹

Water Conservation

Safe and efficient water practices at our hotels save millions of gallons of water each year.

- With laundry accounting for **16 percent** of a hotel's water usage, linen and towel reuse programs can help save water and energy.²
- High-performing water-using equipment like toilets, showerheads, and faucets often use at least **20 percent** less water than standard models.²
- Water-smart landscapes, irrigation systems, and efficient pool maintenance ensure we're using less water in our buildings – both on the inside and out.

Waste Reduction

We're keeping food waste, single use plastics, and other trash out of America's landfills.

- Hotels participating in AHLA and WWF's [Hotel Kitchen](#) program saw reductions of up to **38 percent** of food waste in just 12 weeks.³
- Recycling programs and partnerships with local community composting programs reduce the amount of waste that would end up in landfills.
- Many of our hotels are reducing the use of plastic products and replacing them with more environmentally friendly options.
- Working with hotel partners, Clean the World has distributed nearly **70 million** bars of recycled hotel soap in more than **120 countries**.⁴

Energy Efficiency

Our hotels are finding ways large and small to significantly reduce energy usage.

- Energy usage per square meter among all full-service hotels analyzed by The Center for Hospitality Research is down **3.69%** overall on average in just 5 years.⁵
- Smart-energy sensors help reduce energy use throughout many of our hotels by automatically turning off lights and regulating heating and air conditioning systems.
- Solar panels and geothermal heating and cooling systems help some of our members lower their carbon footprint and reduce the use of energy generated from fossil fuels.
- Swapping out traditional incandescent bulbs with energy-efficient alternatives like LEDs use at least **75 percent** less energy and last up to **25 times longer**.⁶

Responsible Sourcing

We're making a positive environmental and social impact through our purchasing power.

- We're committed to reducing emissions related to our purchased goods and services, including the emissions generated from their manufacturing, transportation, storage, usage, and disposal.
- From purchasing eco-friendly cleaning supplies to sourcing farm to table food for our hotel restaurants, we know we can make our supply chains more responsible.
- By diversifying our suppliers and collaborating with those that are also committed to environmental sustainability, we are selecting suppliers that are responsible while also striving to source more sustainable products.

America's Hotels are **innovating, adapting** and **working** to give guests the **"responsible stay"** they're looking for...

13 billion guests stay in American hotels every year⁷, and hotels reinvest in communities across the country while creating millions of jobs, boosting local economies, and supporting local charities. Nearly a third of hotel guests say they're willing to pay more for their room if they know their stay is sustainable. America's hotels have a great responsibility—and a great opportunity—to lead on environmental sustainability.

We are working together to sustain our planet, strengthen the future of our communities, and grow opportunity for all in the hospitality industry.

CONNECT AT THE COAST

East Central Wisconsin is a great part of the state thanks to its proximity to one of the great lakes! Travel along Lake Michigan and you will find some of the most popular vacation spots in Wisconsin. Offering true coastal flavors, sandy beaches, towering lighthouses, and spectacular sunsets, you're sure to have a trip to remember when you visit this region.

The **Manitowoc-Two Rivers** area is a coastal destination with a deep maritime history. Known as Wisconsin's "Maritime Capital," Manitowoc's Wisconsin Maritime Museum captures the history of the city on Lake

Michigan, and the entire great lakes region. The city is also the home port of the largest car ferry on the Great Lakes with rides from Manitowoc to Ludington, Michigan and back.

On your way to discover the rich history of East Central Wisconsin, be sure to journey through **Sheboygan**—nicknamed the "Malibu of the Midwest" due to its endless popularity for paddle boarding, surfing, kiteboarding, windsurfing, sailing, and kayaking. Sheboygan is also home to Whistling Straits, the location of the 2022 Ryder Cup. This scenic course is one of the most premier golf destinations in the country.

The **Fox Cities-Greater Appleton** area is comprised of nineteen distinct, vibrant communities located along the Fox River and Lake Winnebago. This area offers scrumptious food, one-of-a-kind shopping, adventure-ready outdoor spots, and illuminating arts, culture, and events. You will be inspired to "find your original" while exploring the area.

Indulge in the embrace of genuine hospitality in **Oshkosh**. Visit for the events and stay for everything else. Oshkosh is a fishing wonderland, a pilot's dream, a kid's playground, a foodie's delight, a shoppers

paradise, and a family vacation all in one—check out the Oshkosh Convention & Visitors Bureau to plan your next adventure.

FEATURED: Hayward Lakes

Enjoy tranquil lake views at a resort, a log-cabin, a quaint b&b, hotel or private home, or admire the star-filled skies at a campsite. See page 35 for more information.

NAVIGATE THE NORTHWOODS

Raw wilderness and scenic beauty await in Northwest Wisconsin. The area's numerous lakes, rushing rivers, and rugged topography attract outdoor recreationalist and adventure seekers alike. The landscape offers ample opportunities for fishing, hunting, boating, and more. This region is full of unique lodging facilities offering a relaxing place to stay and the chance to enjoy true Wisconsin hospitality.

Hayward Lakes is a small town with big things to do! Home to woods, waters, and world class events, Hayward offers four seasons of wilderness adventures, unspoiled waters and

shorelines, and endless woods. In every season, the Hayward Lakes area offers an abundance of activities and opportunities to get outside and enjoy the woods and water. Area lodging accommodations each bring unique charm, ranging from luxury to rustic. Visit the **Hayward Lakes Visitors & Convention Bureau** to plan your trip.

With breathtaking views and pristine waters, **Bayfield** is one of the top destinations for travelers seeking an active, sustainable getaway in a picturesque setting. This quaint harbor town sits on the vast waters of Lake Superior, and serves as the downstep to the Apostle

Islands — 22 coastal islands highlighted by rock formations and historic lighthouses.

On the westernmost side of the state, nestled in the bluffs along the St. Croix River sits **Hudson**, a town offering year round events, outdoor activities, and exhilarating entertainment. Rejuvenate at one of the area's bed and breakfasts, or award winning hotels.

In the heart of the Red Cedar Valley is an area with a rich history and unmatched outdoor wonder. The **Menomonie** area is made up of 10 different communities within Dunn County. As the home to Lake Menomin, the

Red Cedar State Trail, Hoffman Hill, and the Devil's Punchbowl, the options to soak in nature are plentiful.

On the confluence of the Eau Claire and Chippewa Rivers sits **Eau Claire**, a bustling university town with a culture all its own. Through its revitalization efforts, Eau Claire has grown into a major arts and music destination bursting with imagination and originality. Year round festivals, art installations, updated trails, and farm-fork restaurants make for a memorable trip.

Soak in the scenery and culture of Northwest Wisconsin!

HAYWARD LAKES

The Hayward Lakes Area welcomes you to our Northwoods! Woods, Waters...World Class Events

Hayward's small hometown atmosphere makes it the ideal destination. We pride ourselves in our unique setting and Northwoods appeal. Whether it's the variety of trails, excellent dining, unique shopping on Hayward's Historic Main Street, or just a quiet secluded setting you're looking for, you're sure to enjoy the Hayward Lakes Area. If its fishing you're into, Sawyer County is the place! We have over 55,000 acres of glacial lakes and we are "Home of Five World Record Muskies" and the Fresh Water Fishing Hall of Fame.

TAP INTO CULTURE AND COMMUNITY

South Central Wisconsin is home to the state capitol, state parks, and spectacular lodging accommodations. This region offers a unique blend of urban opportunities and rural, unspoiled natural beauty.

Full of historic charm and modern flair, **Beloit** offers a plethora of countless opportunities to shop, dine, play, and more. Equipped with a rich cultural history, Beloit is home to the state's oldest continuously operating college, Beloit College, and was a way station on the Underground Railroad. The city continues to honor its industrial past while fully embracing downtown revitalization. Today, visitors are welcomed by a bustling downtown with a first-class riverwalk, eclectic shops and dining establishments, and boutique hotels.

Janesville is home to an award-winning botanical garden,

thirteen historic districts, and a quaint downtown. Visitors are invited to experience live theater or even take a trip to experience the world's best water-ski show team. Janesville offers an ideal mix of lodging, dining, shopping, entertainment, history, and natural beauty.

This region is also home to Wisconsin's state capital — **Madison**. This vibrant city is located on an isthmus and other land surrounding four lakes—Lake Mendota, Lake Monona, Lake Kegonsa, and Lake Waubesa—and is home to the University of Wisconsin Madison, the Wisconsin State Capitol, and Henry Vilas Zoo.

With innovative downtown dining options, traditional Wisconsin restaurants, cultural events, and a multitude of microbreweries and distilleries, Madison really is a city built to suit all interests!

From roadside motels to luxury hotels, Madison has options to accommodate all travelers.

All trails lead to the renovated **Sheraton Madison**. With 239 guest rooms and 16,000 square feet of meeting space, the Sheraton Madison is ideal for business or social gatherings. Conveniently located close to downtown and across the street from the Alliant Energy Center, this hotel offers complimentary shuttle service to and from the airport. Guests can rent a bike from BCycle and enjoy a ride on the Capital City Bike Trail. After exploring Wisconsin's Capital City, enjoy local cocktails, craft beers, and a chef inspired menu at The HUB lobby bar, the focal point of the Sheraton Madison.

Heritage and traditions come alive in **Mount Horeb** — The Troll Capital of the World®! Visit the Trollway, follow the Troll Map,

and find all of the troll statues sprinkled across the community. Learn the fun history of the Mount Horeb trolls at the Driftless Historium museum, then stop by the award winning micro-brewery, Grumpy Troll. Looking for excitement? Visit Tyrol Basin, a ski hill with year round activities, including Terror at Tyrol — a haunted experience around Halloween. Or, head down the road to Cave of the Mounds, open year-round for tours. Don't miss your chance to make memories in Mount Horeb - check out the **Mount Horeb Area Chamber of Commerce** to plan your trip!

There are endless possibilities and historical discoveries when you visit South Central Wisconsin!

Plan your getaway to South Central Wisconsin today!

Sparta, Tomah**

FEATURED: Explore La Crosse

The La Crosse Region bursts with adventure as unique as each explorer. Discover exciting flavors, charming history, captivating views, and epic outdoor recreation just a road trip away! See page 56 for more information.

DISCOVER THE DRIFTLESS AREA

The Southwest Wisconsin region is home to rolling hills, lush valleys and majestic rivers. This region has a different terrain from the rest of Wisconsin, as it is home to Wisconsin's portion of the Driftless Area. The steep ridges, numerous rock outcroppings, and deep narrow valleys in the Driftless Area contrast with the rest of the state, where glaciers have modified the landscape.

Nature lovers will enjoy the forested bluffs and unique landscaping at Wyalusing State Park, Norkedalen Preserve, Trempealeau Mountain State Natural Area, and Perot State Park. The hilly unglaciated landscape is well represented in Wisconsin's Coulee Experimental State Forest, Wildcat Mountain State Park, Governor Dodge State Park, and the Kickapoo Valley Reserve.

This area is also home to a portion of the **Great River Road**, a

national scenic byway running along the course of the Mississippi River. The entire road encompasses 3,000 miles through 10 states, and a 250-mile stretch that takes you through 33 historic Wisconsin towns. Take in the beauty while sightseeing by car or by boat, taste original creations at local restaurants along the riverbanks, and uncover knowledge as you pass through towns packed with history.

The Great River Road will lead you right to **La Crosse**, a cozy riverside city with nature to explore and culture to experience. From bed & breakfasts to luxury suites, locally owned waterfront restaurants to downtown eateries, the region is bound to be enjoyed from sunrise to sunset. Get outdoors and explore miles of ancient bluffs to unique bridges—this area features a plethora of breathtaking landscapes for your next adventure. Grab a kayak and cruise the

Mississippi, board a paddle wheeler for sightseeing, or go bike the trails for a challenge. Explore everything this area has to offer.

Prairie du Chien is located just above the confluence of the Mississippi and Wisconsin Rivers. With history dating back to the 17th century, this city is the oldest European settlement on the Upper Mississippi River with many sites preserved and open to visitors. Wildlife lovers will not want to miss viewing the bald eagles in Prairie du Chien. The area is along the migration route and a normal wintering area for these birds on the Mississippi River valley.

Nestled in the Kickapoo Valley of Southwestern Wisconsin, **The Kickapoo Valley Ranch Guest Cabins** of La Farge offers some of the finest accommodations in the region, the highest rated in the Midwest, and now certi-

fied in the top 10% in the world on TripAdvisor's Travelers Choice for three years running! Surrounded by 8,600 acres of forest preserve, the eight individual guest cabins are luxuriously appointed, pristinely kept, quiet, and private. The rolling hills, the stunning vistas, and the horses and llamas are all here to make your stay as relaxing and rejuvenating as possible. This breathtaking setting is perfect for hiking, biking, canoeing, fishing, birdwatching, horseback riding, and overall relaxation with great winter silent sport recreation, as well. Everyone agrees — there is no place like Kickapoo Valley Ranch Guest Cabins in Southwest Wisconsin's Driftless Region.

Dare to dream big in the Driftless Southwest Wisconsin region!
