About the Author

Hello! My name is daayeon. I'm a first-year middle school student. I like drawing and editing. I wrote this story because I wanted to show that you love me. Thank you for reading my book. I hope you enjoy it.

I'm just an ordinary student.
Every day is the same, and I'm
really tired of this routine. I
always think, "Why am I the only
one who's unhappy?" I wish I
could live a happy life like
everyone else.

**Do I really have to go to school
again...? I seriously don't want
to... It's not like I even study
anyway...**

**Mom: "Hurry up and get ready for
school!"**

Me: "I'll take care of it!!"

**Ugh... this damn house... I just
want to get out...**

A few hours later...

Me: “Finally, school’s over... What should I do now... Tomorrow’s the weekend... Huh? What’s that over there...?”

**“I’ve never seen this place
before…”**

When I entered the strange shop, there was an old woman inside, along with various foods, items, and one apple. The name of that apple was the “Reincarnation Apple.”

The old woman spoke to me.

Old Woman: “It seems like you need this. I won’t take any money.” (She hands over the Reincarnation Apple.)

Will this really work...? Still, I
don't want to keep living this
miserable life...!

Should I just trust it and try
eating it...?

**What is this...? Where am I...?
This isn't... my room... Could it
be...?! Did it really work!?!?!?**

With money, I could do anything. I could buy everything I wanted, everything I wanted to eat. But the happiness was only temporary...

**Everyone saw me as money...
not as a person. There wasn't a
single person who saw me for
who I really am... Is this kind of
life really a good one...?**

My life is already ruined... I
have no friends to meet... no
family either... Reset... again...

“Where am I...?”

**An ordinary room, an ordinary
body... Is this another ruined
life...? (An alarm starts ringing.)**

**Subscribers... 100... one
million...?!?!?!?**

...? The video is boring...? If I don't even want to watch it, I should just delete it...

The more videos I uploaded, the more my views and subscribers kept dropping... Ha...
I guess this life is ruined too...

I kept eating the apples, again and again. Out of all the lives I've lived, not a single one was perfect. But who was I, again...?

**I ate all the apples... At that
moment... I have to find that
old woman...**

Me: G-Grandma... please let me go back to my body...!

Grandma: This all started because of your greed... Even if you want to go back, I don't have any apples left... You'll have to find your own way... After all, this began because of your greed...

My life has always been a mess...

My life is ruined... My life is ruined...
My life is ruined... My life is ruined...

A past-life apple...? Please...
let me return to my body...

After eating the apple, I returned to my body. Because of that experience, I came to value my body more. And I realized that not a single life is truly ruined.

THE END
