Welcome to Panther Stadium and another exciting year at Cabot Public Schools!

As we begin the 2026-2027 school year, there is so much to celebrate across our district. Our focus remains the same: providing every student with opportunities to learn, grow, discover their strengths, and prepare for a successful future. Whether in the classroom, through career and technical education, fine arts, athletics, or extracurricular activities, we want every student to have the opportunity to find their place and pursue their goals.

Our students and schools continue to earn recognition for academic achievement and growth. With more than 160 electives, 20 Career and Technical Education pathways, nationally recognized fine arts programs, competitive athletics, and numerous clubs and activities, our students have opportunities to explore their interests and prepare for what comes next.

This year, we are excited to expand those opportunities with the opening of our K-6 Cabot Panther Academy, a hybrid charter school housed at Magness Creek Elementary. The program combines on-campus learning with certified Cabot teachers and learning at home, giving families greater flexibility while keeping students connected to the resources, relationships, and the experiences of being a Cabot Panther.

We are also nearing the completion of Project Panthers: Building Futures, the 2023 bond initiative made possible by our community. These capital improvement funds have supported improvements across our district, including two new Pre-K Centers, inclusive playgrounds, upgraded classroom technology, Fine Arts Auditorium renovations, a multi-use practice pavilion, and other facility improvements. Through careful planning and project savings, we were able to stretch those dollars even further and address additional needs, including renovations to the more than 30-year-old press box here at Panther Stadium.

While we are proud of our programs and facilities, the heart of Cabot Public Schools will always be our students and staff. Every day, Panthers are learning, growing, competing, performing, serving, and achieving.

As you cheer on our Panthers tonight, thank you for supporting Cabot Public Schools and the students we are privileged to serve. At Cabot, "It's about KIDS!" It always has been, and it always will be.

Go Panthers!

Welcome to Panther Stadium! Your safety is our top priority. Please pay close attention to this important safety message.

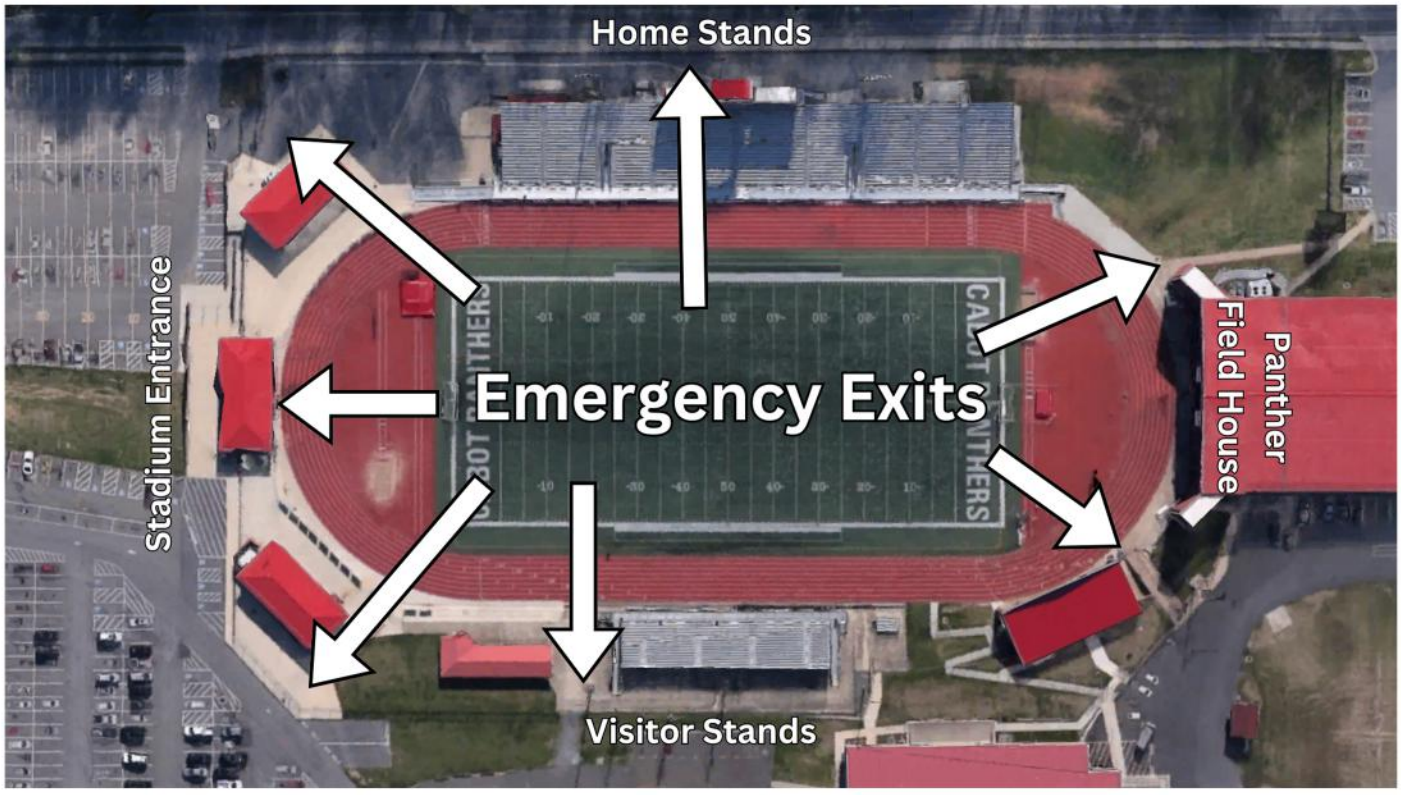

In the event of an emergency evacuation, there are multiple exits throughout the stadium. Emergency exits are located behind the home and visitor stands, the concession stand area, the front entrance, and all four corners of the stadium.

Remember, during an evacuation, please remain calm and follow the instructions provided by stadium staff. Please take a moment now to locate your nearest emergency exit and best evacuation route.

We have Cabot Public Schools Police Officers, fire and emergency personnel, district administrators, and event staff stationed throughout the stadium, ready to help. If you need support, please approach any staff member directly; they're easily identifiable by their neon yellow badges. Your safety is a team effort. If you see something, say something.

Let's work together to ensure every event is a safe and enjoyable experience for all.Thank you for your cooperation.

Welcome to Panther Stadium!

On behalf of the Cabot High School Athletic Department, our coaches, and our administration, it is my absolute pleasure to welcome you to our campus for another thrilling season of Friday Night Football.

Cabot High School takes immense pride in being one of the largest high schools in Arkansas, built on a rich, storied tradition of excellence in both academics and athletics. When you step onto our campus, you are experiencing high school sports at the absolute highest level in our state.

A Cabot game night is so much more than just what happens between the goal lines—it is an extraordinary community celebration made possible by many outstanding groups. We extend our deepest gratitude to:

- **Our Athletic Teams & Coaches** for the countless hours of grit, preparation, and dedication they bring to the gridiron.
- **Our Cheer and Dance Teams** for elevating the energy and keeping the spirit high from kickoff to the final whistle.
- **The Cabot High School Band** for setting the tempo and providing the incredible soundtrack to our Friday nights
- **Our ROTC Cadet Color Guard** for their service, precision, and proud presentation of our nation's colors.
- **Our Amazing Student Body** whose unrivaled passion and school spirit make our student section second to none.
- **The Loyal Panther Fans & Community** whose steadfast support forms the true backbone of Cabot Athletics.

We ask that all fans in attendance—both home and visiting—join us in supporting these hard-working student-athletes in a spirited yet sportsmanlike manner. Let's celebrate the intensity of the competition while honoring the respect and sportsmanship that make high school athletics special.

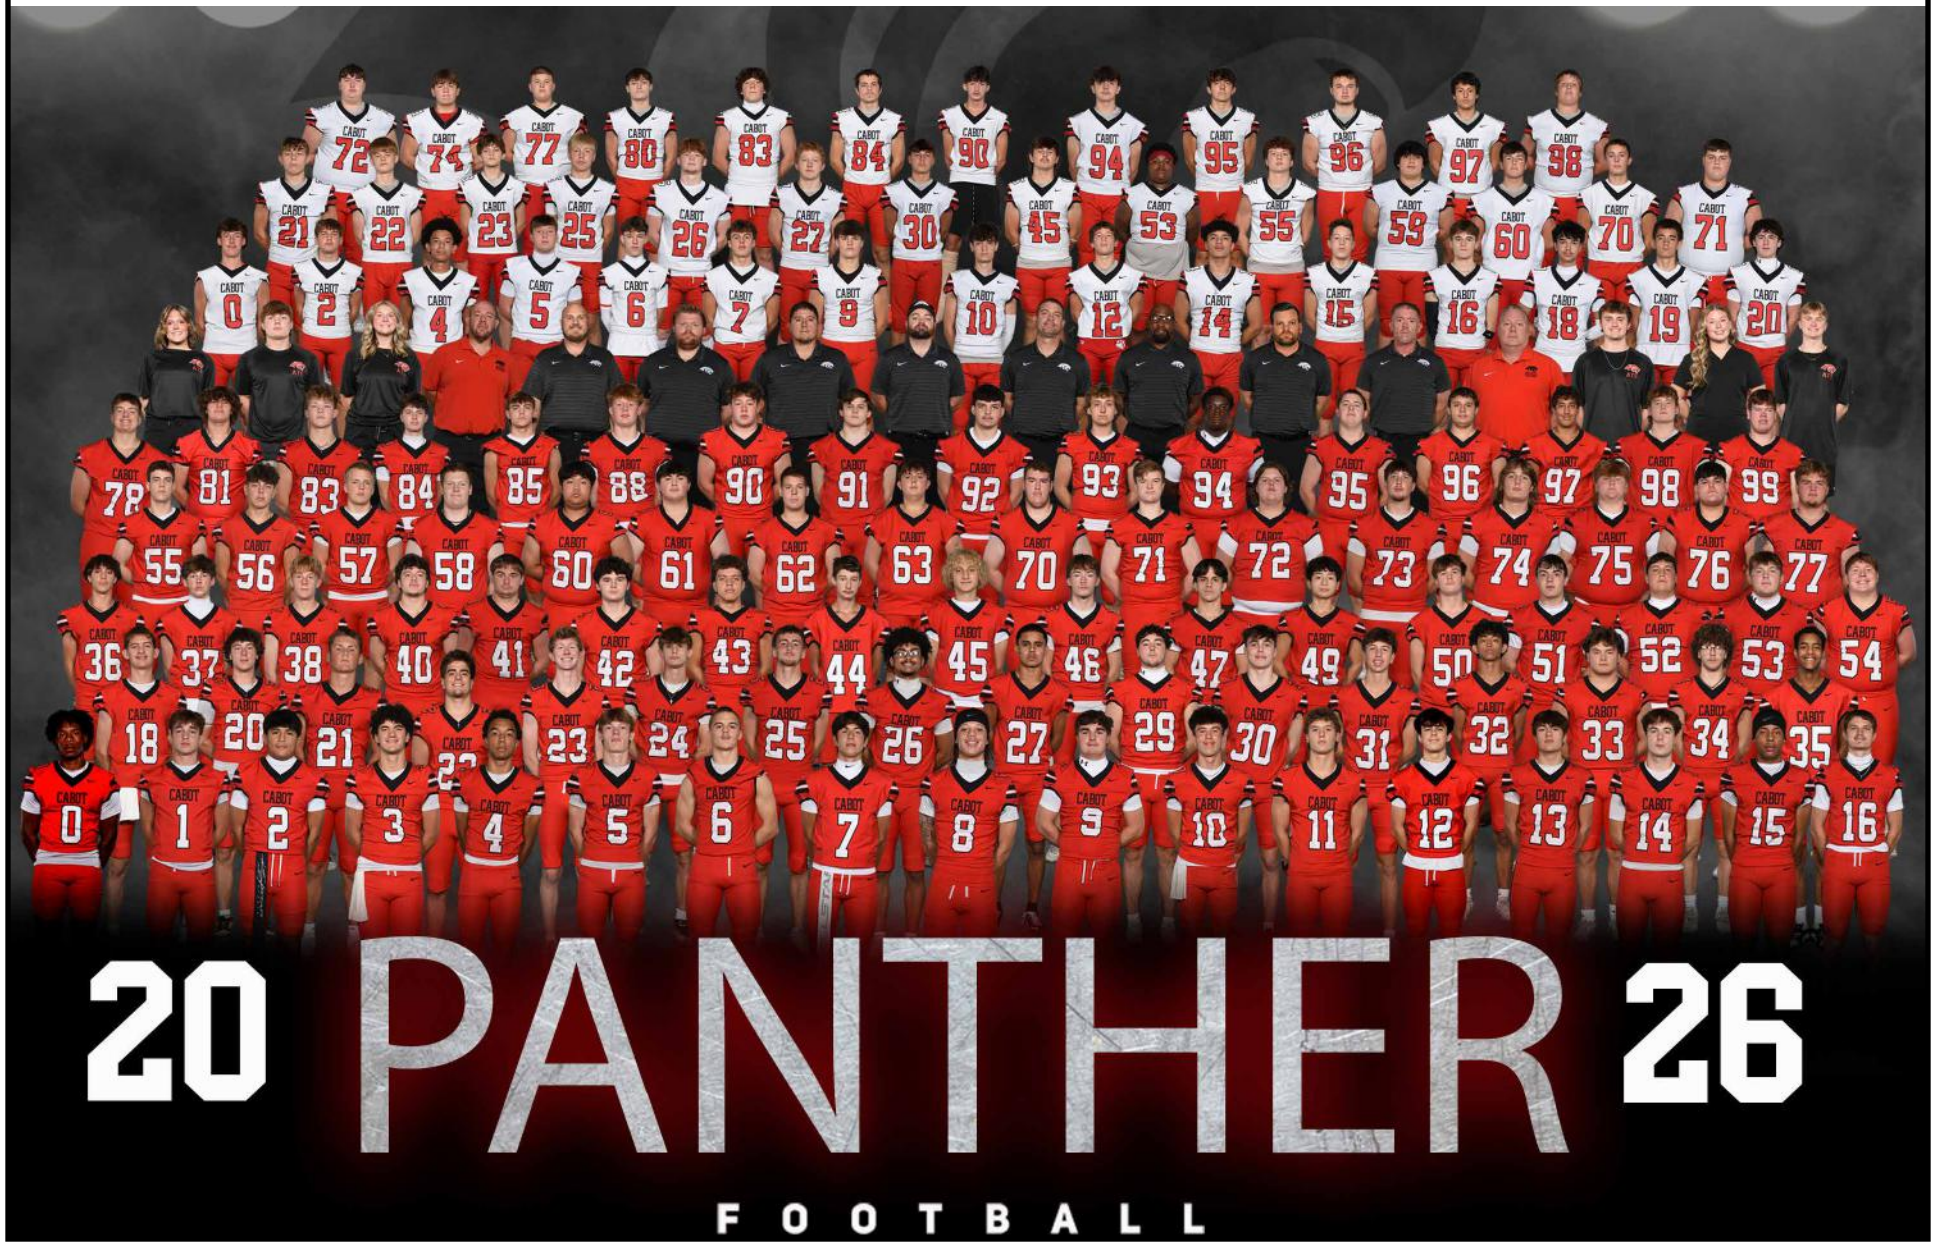

We are so glad you are here with us tonight. Enjoy the game, stay safe, and enjoy your time on our campus!

Go Panthers!

Scott Reed
Athletic Director, Cabot Public Schools

CHS PANTHERS

Welcome to Panther Stadium!

There is nothing quite like a Friday night in Cabot. When the stands fill up and the lights come on, our entire community comes together as one big family. High school football is special because of what happens on the field, but it is defined by the community surrounding it.

Our program belongs to all of us. It belongs to the players representing their hometown, the students cheering in the stands, and the parents making memories. It lives in our local businesses, our dedicated teachers, and generations of loyal fans. You are the true heartbeat of Cabot Football.

We stand on a proud foundation. We are incredibly grateful for the legendary tradition built by Coach Mike Malham, Coach Scott Reed, and the generations of families before us. That legacy continues tonight because of the unwavering support from our administration, School Board, the Cabot Panther Foundation, and every fan in attendance.

My family—Lena, Charlie Ann, Eloise, and I—are deeply thankful for how warmly Cabot has welcomed us. I am honored to lead a program that means so much to this town.

Tonight, we start writing the next chapter of Cabot Football together. Let's fill the stadium with red, white, and black. Bring the noise, bring the energy, and let's show everyone what makes this town elite.

The best Friday nights are still to come.

Go Panthers!

He gives strength to the weary and increases the power of the weak. Even the youths grow tired and weary, and young men stumble and fall; but those who hope in the Lord will renew their strength. They will soar on the wings like eagles; they will run and not grow weary; they will walk and not be faint.

Isaiah 40:29-31

We are so proud of you! It has been such a joy to watch you grow these last four years as a cheerleader, but also into the amazing woman you are becoming. Whether you are stepping onto the mat, sidelines, or court this year, just remember to take it all in and enjoy every second.

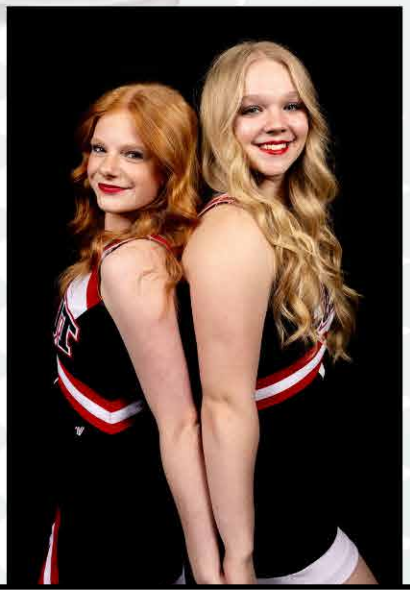

Your kind heart and dedication will take you far. You are a star in our eyes, and you shine so bright.

Simply put, I am amazed by you! Your faith, your integrity, your kindness and your resilience shine through every day. Behind the helmet and the tough exterior, you will always be the boy who held my hand. I am so proud of the athlete you are, but I am even prouder of the man you have become.
Love, Mom!

Brady, here it is, your senior year. It is just unbelievable that you are grown and about to start your life as a young man. I am so proud of you, a football great, a scholar and the perfect Christian gentleman. I hope your Senior year is everything you can dream up! I have been your biggest fan, and you have made my senior years everything I could dream up!
I love you! Nana

Brady, just want to tell you how proud I am of the man you are becoming. I have followed your football games and watched you play with spirit and determination that took me back to when I played on the line. One more year! Do great things!

BRAXTON BAILEY

OFFENSIVE LINEMAN

Braxton, There are only so many Friday nights.

One day, the lights will turn off, the jersey will be folded away, and these games will become memories. But the young man you've become—your integrity, humility, work ethic, and heart—will stay with you forever.

Watching you grow has been one of the greatest joys of our lives. We couldn't be more proud to call you our son and brother.

Play hard. Trust yourself. Enjoy every second.

We'll be cheering louder than anyone... just like ve always have. *Forever proud,* *Mom, Dad & Brooklyn* ♡

Congrats
CABOT
We hope you have an amazing sophomore year and can't wait to see what all you accomplish!

Go enjoy every last snap of it. We'll be right there in the stands, same as always.

We love you so very much and are excited to watch your next chapter unfold. Enjoy every moment of your senior year!
