SUPPORTING SURVIVORS OF DOMESTIC AND SEXUAL VIOLENCE.

COLLABORATING WITH CAYCE POLICE DEPARTMENT VICTIM SERVICES – WHAT DOES THAT LOOK LIKE?

Cayce Police Department Victim Services is often one of the first points of support for individuals and families experiencing domestic violence, sexual assault, and other traumatic events. When a victim is ready to leave an unsafe situation, the need is often immediate—and many leave with little to nothing other than what they are wearing.

The collaboration between the Woman's Club of Cayce and Cayce Police Department Victim Services would allow our members to directly strengthen the resources available to victims in your own community. Through donation drives, emergency grab bags, awareness efforts, and community education, your support can help ensure that when someone makes the difficult decision to seek safety, basic needs do not become another barrier.

The impact will remain local, immediate, and measurable. The items collected here stay here in the Cayce community. The families we serve are members of the Cayce community. And the partnership gives the Woman's Club an opportunity to not only raise awareness about domestic violence, sexual violence, and other violent crimes, but to directly help victims at the moment they need support most.
