Dress Code Grace Period

At the beginning of each school year, every student is given a **two-week grace period**. During this time, there will be no consequences for students who are out of dress code.

After the grace period ends, standard dress code expectations will be enforced. Uniform infractions, as recorded through Alma, will be documented as warning infractions.

If you have any questions about the dress code or uniform guidelines, please contact our Uniform Coordinator: K-8 Uniform Coordinator: Amanda Schneider – aschneider@nca.school

Thank you for supporting a consistent and respectful learning environment!

Uniform Reminders

Uniform Policy and Guidelines

NCA reserves the right to amend the uniform code at any time, with or without prior notice. Additionally, NCA retains the authority to determine whether any clothing item aligns with our dress code and the mission of our school. We have partnered with vendors who offer high-quality products at competitive prices. Please note that price adjustments or increases are set by the vendors, not by NCA.

Labeling Student Belongings

To minimize lost items, **we strongly recommend labeling all your child's clothing, outerwear, backpacks, water bottles, and lunch boxes.** A permanent marker (such as a Sharpie) can be used to clearly write your child's name on the inside of each item. **Please be aware that any unlabeled and unclaimed items will be donated to a local charity at the end of each month.**

Personalization of NCA Hoodies

Personalization of NCA hoodies is not available through Little Bipsy. If you choose to personalize your student's hoodie elsewhere, only first or last names are permitted. Nicknames are not allowed.

Thank you!
