How to Make a Reservation

The Wisconsin Hotel & Lodging Association and the Wisconsin Bureau of Consumer Protection offer the following recommendations to help make your stay in our state enjoyable!

Reservation **policies** vary by property and travelers are encouraged to reserve in advance whenever possible to ensure space is available. Most properties require a valid credit card to hold a reservation and many require an advance deposit.

Ask about the property's **cancellation** policy and fee. Should you need to cancel, contact the property and ask for a cancellation number and record the time of the call and the name of the person with whom you spoke.

Upon making a reservation, many properties will assign a **confirmation** number and may follow up in writing. Ask the property to note the rate, length of stay and special requests they agreed to accommodate in the confirmation. If this is not possible, call in advance to re-confirm.

Room rates listed in this guide are subject to change without notice. Clarify your rate when the reservation is made. If you have a certificate or group rate, check for any special conditions or limitations.

If you have a preference, need or **special request** that makes a considerable impact on your stay (bringing a pet, requiring a rollaway bed, etc.), talk to the property about it when you make your reservation to assure your needs can be met.

On the Cover: Deerfoot Lodge & Resort is located just outside Hayward on the pristine shores of the Chippewa Flowage, Wisconsin's largest wilderness lake and home of the world record musky. There's always fun to be had at Deerfoot's bar & grill, trading tall tales over your favorite burger and beverage not far from the water's edge. With stunning water views from every cabin and hotel room, Deerfoot Lodge is the perfect destination for a Northwoods adventure, whether it's a trophy musky fishing trip, summer vacation with the family or snowmobile/ATV weekend with the gang!
