ABOUT
Club Car, LLC is the founding partner to TGSC and the world leader in golf cars. With Club Car's Precedent golf car and the revolutionary Visage golf management and information system, Club Car has changed the game of golf and fleet management forever. The Club Car California team includes eight golf industry specific sales professionals, sixteen certified service dealers and twelve factory trained and certified service technicians. Club Car is the only manufacturer to support their California customers and dealer network with a local service support center with Parts, Service and Rentals. Club Car's commitment and dedication to our customers is what has made Club Car the number one brand in the golf club business and why Club Car has the highest customer satisfaction rating in the industry.

Course Maintenance, Golf Car Accessories, Golf Cars/Utility Carts, Golf Course Accessories, Irrigation & Related Equipment & Services, Mowers & Accessories

ABOUT
Turf Star/Western is the distributor of Toro Commercial Equipment, Toro Golf Irrigation Systems, Club Car Carryall, and other leading golf maintenance products for California, Oregon, Washington, Western Nevada, Northwest Idaho, and Baja California. We recognize that taking care of our customers after a sale is the key to customer satisfaction and ultimately our own continued success. We focus on repair parts availability and technical support. Turf Star is proud of having one of the highest parts "fill rates" in the industry. We also have nine repair facilities and a fleet of mobile service vehicles throughout California, Oregon, Washington, Nevada, Idaho, and Baja to assure that our repairs are turned around quickly, completed when promised, and done right the first time. As a result, Turf Star/Western golf customers can expect maximum productivity from their equipment with a minimum of "down time."

Golf Car Accessories, Golf Cars/Utility Carts, Golf Course Management, GPS Systems

ABOUT
Since 1954, E-Z-GO has become a world leader in transportation and a leading global manufacturer of golf carts and personal transportation vehicles. From our headquarters in Augusta, Georgia, we build tens of thousands of vehicles each year, many of which feature game-changing technology and innovations to improve vehicle efficiency and enhance the user experience like no other vehicle can. Technology like our exclusive ELiTE™ lithium, found in many electric E-Z-GO models today. It uses an alternatingcurrent motor and electrical powertrain to deliver unparalleled hill-climbing power and vehicle performance with unmatched energy efficiency. And also technology like our automatic parking brake, which automatically engages whenever the vehicle stops.

E-Z-GO vehicles are designed and manufactured by Textron Specialized Vehicles, a division of Textron, Inc. that also manufactures commercial and industrial utility vehicles, recreational side-by-side UTVs, and ground support equipment for the aviation industry. E-Z-GO stands alongside its sister Textron Specialized Vehicles brands – Arctic Cat®, Jacobsen®, Cushman® and Textron GSE – as leaders in the respective industries they serve.

ABOUT
Core Health & Fitness is a global leader in commercial fitness equipment and solutions. We unite iconic fitness brands – Star Trac, StairMaster, Nautilus, Schwinn, GymRax, and Throwdown – under one roof to deliver premium products, innovation, and support to fitness facilities in over 100 countries. Founded by fitness entrepreneur Michael Bruno, who continues to serve as Chairman of the Board, Core was built on a simple belief: fitness is personal, and so are we. Our purpose is to empower people to live healthier lives – whether they're training for performance, getting active for the first time, or anything in between.

We partner with health clubs, boutique studios, multi-housing and hospitality facilities, corporate wellness centers, and more to create meaningful fitness experiences. Our brands are trusted by operators and trainers worldwide for their performance, durability, and user-centered design. But our true strength lies in the relationships we build – with our customers, our communities, and each other.

ABOUT
Pipeline helps private clubs clarify their brand, strengthen their message, and communicate more effectively with members and prospects. We focus on the fundamentals: clear positioning, thoughtful storytelling, and systems that support membership growth, engagement, and long-term value.

Our work spans brand strategy, club websites, membership marketing, communications, and digital systems—always led by culture and strategy, and executed at the highest level. We believe the best results come when everything works together: brand, message, experience, and technology aligned around a shared purpose.

Founded in 2008, Pipeline has spent the past 17 years working exclusively with clubs. Today, we are a trusted partner to dozens of California clubs, valued for our industry insight, steady guidance, and ability to elevate brands without losing what makes them feel familiar and enduring.

ABOUT
For more than 45 years, Advanced Exercise has been dedicated to creating fitness solutions that benefit both facilities and exercisers. Our mission to keep people active started with the Lifecycle exercise bike and continues with the widest range of cardio, strength and group training products in the fitness industry.

A successful club facility is about much more than a mix of a few fitness machines. It's about combining people, spaces and equipment to create an environment that motivates and excites exercisers. Advanced Exercise doesn't just offer the best fitness equipment, we also work with clubs to provide solutions that make your club's fitness facility better.

Beverages - Nonalcoholic

ABOUT
Best Day Brewing crafts award winning non-alcoholic beer for the first tee to post match tennis, poolside lunches, and sunset BBQs. Best Day is real beer brewed to full fermentation then the alcohol is gently removed, preserving the character, body, and balance of traditional craft beer. The result is a fundamentally new standard in non-alcoholic craft: crisp, refreshing, full flavored, and built for modern drinkers who want great beer without the alcohol. Best Day is not rooted in sobriety. It is about choice, moderation, and making more occasions feel like your best one yet.

ABOUT
Cobalt Software (Cobalt) is a rapidly growing provider of comprehensive club management solutions and the first to be built from the ground up as a fully web-based and mobile-native platform. Designed specifically for private clubs–including golf and country clubs, residential communities, and resort-style clubs–Cobalt streamlines every aspect of club management, from operations to member experience.

Cobalt offers truly best-in-class solutions for every department– in a single, powerful system. This eliminates the need for piecemeal software and ensures real-time information across all functions without sacrificing quality or performance.

Purpose-built with cloud-based technology and intuitive usability, Cobalt prepares clubs for the next generation. Our comprehensive system covers finance, operations, point of sale, payment systems, and amenities management, including golf tee time bookings, simulators, racquets, fitness, spa services, and more–all connected through a unified database.

With award-winning member communication tools and member mobile app, Cobalt enhances engagement and simplifies club management. Trusted by some of the industry's largest and most exclusive clubs, Cobalt is redefining what it means to manage private clubs efficiently and effectively, without compromise.
