

FARM DISPERSAL SALE

Upon the kind instructions of the Executors of the Late Mr Frank Marsden.

Complete Dispersal Sale of Tractors, Vehicles, Machinery and Deadstock

149 Southport New Road, Tarleton, Preston, Lancashire, PR4 6HX

Saturday 14th November 2026 at 10:30 am prompt.

Background

The sale has been brought about following the sad death of Mr Frank Marsden in February of this year following a long and happy farming career. The vehicles and machinery on offer are a testament to Mr Marsden's exacting standards and spans both modern and vintage items.

The machinery comprises a range of unbelievably well-maintained and low-houred tractors, machinery and equipment, predominantly utilised by Mr Marsden, with the considerable help and support of his trusted local neighbours, Colin and Diane Eaton, together with their son Jack, who have played an invaluable role in assisting with the upkeep of the machinery.

The majority of the machinery has been owned from new, maintained to an excellent standard and carefully stored undercover both overnight and throughout the winter months. This high level of care and attention is clearly reflected in the condition and presentation of the machinery offered for sale.

In short this is one of the most genuine sales to have occurred within the locality in recent times. It is not to be missed by Farmers, Collectors and Dealers alike.
