Tide

Festive Greetings

“A tide that gives back all the year
has earned, welcomed with celebration”

As the year draws to a close, we invite you to pause, reconnect
and celebrate the moments that have made the year meaningful.

At The Westin Resort Nusa Dua Bali, Celestial Tide brings the spirit of
the season to our beachfront, where the rhythm of the ocean meets
the glow of the stars. Gather with family and friends over festive
flavors and moments designed to nourish the body, mind and spirit.

From joyful gatherings and memorable feasts to restorative rituals at
Heavenly Spa by Westin™, may this season inspire you to slow down,
be present and savor what matters most.

May the tide bring back abundance, happiness and cherished
memories to you and your loved ones.

Be well,

ARUN KUMAR
General Manager
