HARVEST FESTIVAL

CANNED FOOD DRIVE

Dear Church Family,

As we enter this season of gratitude and abundance, our church is preparing for a Harvest Festival—a time when we come together in fellowship, celebration, and generous giving. This year, the Deacons and Trustees are partnering with our local Food Bank to help ensure families in our community have what they need for a meaningful Thanksgiving. We are asking every member to participate by donating nonperishable canned goods and shelfstable items.

WHAT TO BRING

- Canned vegetables
- Canned fruit
- Soup and broth
- Canned meat (tuna, chicken, etc.)
- Beans
- Pasta sauce
- Shelf-stable items such as rice, pasta, or stuffing mix

HOW TO PARTICIPATE

Please bring your donated items to the church anytime between **October 11th and Saturday, November 15th**. Collection bins will be located in the fellowship hall. All donations will be delivered to the Food Bank the week before Thanksgiving.

WHY IT MATTERS

Your generosity helps ensure that families facing food insecurity can gather around a table with dignity and joy this Thanksgiving. Together, we can make a meaningful impact and reflect Christ's love in a practical way.

Thank you for being a church that gives, serves, and cares deeply for our community. Let's make this Harvest Festival a beautiful expression of gratitude and compassion.

OCTOBER'S HEALTH OBSERVANCES

BREAST CANCER AWARENESS MONTH

Every October, the nation observes National Breast Cancer Awareness Month. Breast cancer is a disease that affects both men and women and is among the most common cancers. According to the National Breast Cancer Foundation, 1 in 8 women will develop invasive breast cancer in her lifetime.

Get more information at [NationalBreastCancer.org](https://www.NationalBreastCancer.org).

OCTOBER IS ALSO:

- Health Literacy Month
- Down Syndrome Awareness Month
- Eczema Awareness Month
- Bullying Prevention Month

Learn about these observances and more online by visiting [Welcoa.org](https://www.Welcoa.org)

DOMESTIC VIOLENCE AWARENESS MONTH

October was first declared as National Domestic Violence Awareness Month in 1989. Since then, October has been a time to acknowledge domestic violence survivors and be a voice for its victims. Domestic violence is prevalent in every community and affects all people regardless of age, socio-economic status, sexual orientation, gender, race, religion, or nationality. Physical violence is often accompanied by emotionally abusive and controlling behavior as part of a much larger, systematic pattern of dominance and control. Domestic violence can result in physical injury, psychological trauma, and even death. The devastating consequences of domestic violence can **cross generations** and last a lifetime.
