我們的使命

ITALIA on Stage returns to Hong Kong in 2026 for its fourth edition, presenting a vibrant and diverse programme celebrating Italian culture, gastronomy, cinema, music, language, art, business and lifestyle.

Running from September to December 2026, the festival brings together a wide range of initiatives across seven core areas: Exhibitions, Language and Literature, Cinema, Performances and Entertainment, Business, Gastronomy, and Charity.

The programme offers a dynamic perspective on contemporary Italy, highlighting the richness of its cultural heritage, the vitality of its innovation and artistic creativity, its entrepreneurial spirit and its distinctive way of life. At the same time, it celebrates the deep and longstanding ties between Italy and Hong Kong, fostering collaboration and dialogue across cultural, educational and professional fields.

By bringing together institutions, businesses, artists and the wider public, ITALIA on Stage provides a platform for exchange and discovery, contributing to greater mutual understanding and further strengthening the longstanding relationship between Italy and Hong Kong.

The festival is jointly presented by the Consulate General of Italy in Hong Kong, the Italian Cultural Institute in Hong Kong and the Italian Trade Agency (ITA). It is organised with the valuable support of the Italian Chamber of Commerce in Hong Kong and Macao, local Italian associations, and numerous partners from both the public and private sectors.

Once again, Hong Kong will be Italy's stage. It is a great pleasure to welcome you to the fourth edition of ITALIA on Stage, our signature festival celebrating the many expressions of contemporary Italy.

From now through the end of the year, Hong Kong will become a vibrant showcase of Italy, a country where centuries of heritage live alongside a constant drive to create, reinvent and look ahead. A place where craftsmanship inspires innovation, creativity drives enterprise, and culture helps shape the future.

Organised in collaboration with the Italian Cultural Institute, the Italian Trade Agency and our valued partners, ITALIA on Stage offers audiences across Hong Kong the opportunity to experience the breadth of Italian culture and contemporary life, from design and gastronomy to opera and cinema, while discovering the people, ideas and products that define Made in Italy around the world.

I would like to express my sincere gratitude to all our partners, sponsors and institutions for their invaluable contribution to this year's programme. Their support reflects the strong and lasting relationship between Italy and Hong Kong and the many connections that continue to grow between our communities through culture, creativity and business.

I hope this fourth edition will encourage curiosity and invite you to see Italy from a different perspective. Whether through a dish, a film, a piece of design or a performance, I hope each of you will find something that captures your imagination and brings you a little closer to Italy.

"Nessun dorma!"

Giacomo Puccini, Turandot

The invitation that resonates through Puccini's masterpiece can also be understood today as a call to remain awake: to curiosity, to beauty, and to art's extraordinary ability to open new horizons. Culture asks exactly this of us—to look beyond what we already know, to listen to different voices, and to recognise new possibilities for understanding through encounter.

It is in this spirit that a new edition of ITALIA on Stage comes to life, bringing to Hong Kong and Macao some of the most compelling expressions of contemporary Italian creativity. From music and opera to cinema, each event reflects a tradition that continues to evolve, reminding us that cultural heritage finds renewed meaning every time it meets a new audience.

In a city shaped by international exchange, we hope this festival will be an occasion for discovery, dialogue, and participation. Every performance, every note, and every story is an invitation to experience Italy through the universal language of the arts.

「今夜徹夜未眠！」

普契尼《杜蘭朵》

普契尼傑作中迴響的邀請，如今也可以理解為一種提醒我們保持清醒的呼喚：保持好奇、欣賞美麗，並感受藝術那開啟新視野的非凡能力。文化正是這樣要求我們——超越已有的認知、傾聽不同的聲音，並透過互動發現新的理解可能性。

正是在這樣的精神下，今屆《秋「意」舞台 ITALIA on Stage》的誕生，將當代意大利創意中最引人入勝的表現帶到香港和澳門。從音樂、歌劇到電影，每一個活動都反映出力度蛻變的傳統，也提醒我們，文化遺產每一次遇到新的觀眾，都能獲得新的意義。

在一個由國際交流塑造的城市，我們希望這個藝術節能成為發現、對話和參與的契機。每一場表演、每一個音符、每一個故事，都是一次透過藝術這個共通語言來體驗意大利的邀請。

Lucio Fontana: Spatialism. Pioneering the Contemporary

Hauser & Wirth

G/F, 8 Queen's Road Central, Central, Hong Kong

'Lucio Fontana: Spatialism. Pioneering the Contemporary', featuring seminal works from 1949 onward, focuses on Fontana's revolutionary Buchi (Holes) and Tagli (Cuts), tracing the evolution of the Spatialism movement he founded and his radical exploration of the canvas as a site of infinite possibility. Breaking the boundaries between painting and sculpture, Fontana transformed the canvas into a dynamic area of light, gesture and movement. His punctured and slashed surfaces, central to Spatialism, fundamentally redefined the relationship between artwork and space. Through an innovative aesthetic, his visionary practice paved the way for postwar contemporary art and continues to inspire artists around the world.

Curated by Luca Massimo Barbero, in collaboration with the Fondazione Lucio Fontana, the Hong Kong exhibition marks the last highlight of a trilogy, following presentations in Los Angeles (2020) and New York (2022 - 2023). A major new publication on Fontana is forthcoming from Hauser & Wirth Publishers on the occasion of the exhibition. This volume marks the first widely available introduction to the artist's practice in Simplified Chinese, offering Chinese audiences a comprehensive account of his groundbreaking career spanning from the 1920s to late 1960s, alongside specifically translated writings by the artist.

豪瑟沃斯香港將呈現阿根廷裔意大利藝術家盧西奧·豐塔納 (Lucio Fontana, 1899-1968) 的重要個展。展覽題為「盧西奧·豐塔納：空間主意當代先驅」 (Lucio Fontana: Spatialism. Pioneering the Contemporary)，集結藝術家 1949 年後的重要作品，聚焦其當時極具顛覆性的「孔洞」 (Buchi) 與「切割」 (Tagli) 系列，追溯由他創立的空間主意運動之演進軌跡，展現藝術家將畫布轉化為無限可能之場域的前衛探索。豐塔納打破了繪畫與雕塑之間的疆界，將畫布轉化為一個交織著光線、手勢與運動的動態空間。他那作為空間主意核心的孔洞與切割表面，從根本上重新定意了作品與空間之間的關係。憑藉這一革新性的美學語言，他極具前瞻性的藝術實踐為戰後當代藝術開闢了新路，至今仍為全球藝術家帶來啟迪。

此次香港展覽由盧卡·馬西莫·巴貝羅 (Luca Massimo Barbero) 策展，並與盧西奧·豐塔納基金會 (Fondazione Lucio Fontana) 聯合呈現。作為三部曲的亮點終章，此前的兩場展覽已分別於洛杉磯 (2020 年) 和紐約 (2022- 2023 年) 舉辦。適逢展覽開幕之際，豪瑟沃斯藝術出版 (Hauser & Wirth Publishers) 也將推出關於豐塔納的重要全新著作。該書首次以簡體中文向大眾介紹藝術家，為華語觀眾全面梳理了他從 1920 年代至 1960 年代末的開拓性創作，並特別收錄了藝術家本人極具代表性的寫作譯文。

Giorgio Griffa Exhibition AT MASSIMODECARLO

16 OCTOBER 2026 -

30 JANUARY 2027

10:30 - 19:00 MON - SAT

Massimodecarlo

Shop 03-205A & 205B & 206, Second Floor, Barrack
Block, Tai Kwun, No. 10 Hollywood Road, Central, Hong Kong

The exhibition of master Griffa at the MASSIMODECARLO gallery is the artist's first solo show in Asia. The project will bring together a rather heterogeneous collection of works: Connections/Contaminations from the 1970s and 1980s, two new Fields from 2026, a series Griffa has recently returned to working on but with a different approach to composition compared to the 1980s, two Fields from the 1980s, Primary Signs also from the 1970s, a Shaman, and a Three Lines with arabesque.

The presentation held by Architect Cesare Griffa, founder of the Giorgio Griffa's Archive, aims to offer a complete view of the master's production over the decades, from his earliest works in the 1970s to today.

The MASSIMODECARLO gallery is set to coordinate a presentation on master Griffa's artistic discourse, led by the artist's son in conversation with a curator chosen from professionals at M+ and CHAT (Center for Heritage Arts and Textiles), with the support of the Italian Cultural Institute and of the Consulate General of Italy in Hong Kong.

格里法大師在 MASSIMODECARLO 畫廊的展覽是這位藝術家在亞洲的首次個展。這個項目將匯聚一系列相當多樣化的作品：1970 及 1980 年代的《Connections/Contaminations》，2026 年的兩件新作《Fields》，這是格里法最近又重新開始創作的一系列作品，但相比 1980 年代在構圖上採用了不同的方法，1980 年代的兩件《Fields》，同樣源自 1970 年代的《Primary Signs》，一件《Shaman》，以及帶有阿拉伯式花紋的《Three Lines》。

由建築師 Cesare Griffa（喬治奧·格里法檔案館創辦人）主持的展示，旨在提供對這位大師幾十年來作品的完整觀覽，從他 1970 年代的最初作品直到今天。

MASSIMODECARLO 藝廊將舉辦一次由藝術家之子主導、與 M+ 和 CHAT（文化藝術與紡織中心）專業策展人對談的格里法大師藝術論述分享活動，此活動由意大利文化協會和意大利駐香港總領事館支持。

DREAMS: A GLOBAL TAPESTRY · HONG KONG – Elena Givone Solo Exhibition

18 – 22 NOVEMBER

Hong Kong Cultural Centre Foyer

What could be more wonderful and magical than a dream? Elena Givone, an Italian visual artist and a true global citizen, has been asking herself this question since childhood. For her, dreams are a force that is "free, boundless, and infinite." Elena does not keep her dreams only to herself; she travels the world with a camera and a magic lamp, collecting the dreams of people everywhere.

The Italian Cultural Institute of Hong Kong is proud to present Elena Givone's "Global Tapestry" project in Hong Kong, creating a new chapter of the project that has been carried out in other cities.

When Elena arrives in Hong Kong with her flying carpet and red hat, she is not searching for landmarks—she is searching for people. She will invite people she encounters in Hong Kong— regardless of age, nationality, or status—to share a simple dream, wish or vision for the future.

The Hong Kong chapter marks the moment when this tapestry truly expands onto the global stage. As long as there is at least one person dreaming, this city will never lose its light.

還有什麼比夢想更美好、更神奇呢？身為意大利視覺藝術家暨真正的世界公民，Elena Givone 自幼便不斷自問這個問題。對她而言，夢想是一種「自由、無邊無際且無限」的力量。艾蓮娜並未將夢想僅留給自己；她帶著相機與一盞神燈周遊世界，收集各地人們的夢想。

意大利駐香港文化處很榮幸能在香港呈獻 Elena Givone 的《全球織錦 (Global Tapestry)》計畫，為這個已在其他城市展開的計畫開啟嶄新篇章。

當 Elena 帶著她的飛毯和紅帽子來到香港時，她尋找的並非地標——而是人。她將邀請在香港邂逅的每個人——不論年齡、國籍或身份——分享一個簡單的夢想、願望或對未來的願景。

香港篇標誌著這幅「全球織錦」真正擴展至全球舞台的時刻。只要還有至少一個人正在做夢，這座城市就永遠不會失去它的光芒。

Have you ever wanted to learn a few words in Italian, German, French or another European language – but didn't know where to start? The European Day of Languages is your chance to dive into the rich tapestry of Europe's cultures and languages in a fun, informal, and interactive way.

The European Day of Languages in Hong Kong is a vibrant public event where visitors can explore a wide variety of European languages in just one afternoon. At each language booth, participants are invited to join a short 3-minute session where they'll learn a few useful words or phrases from native or fluent speakers. After each session, they'll receive a stamp in their personal "European Language Passport." Once they've collected five stamps, they can redeem a small souvenir at the EU information booth – and learn more about the cultural and linguistic diversity that makes Europe so unique.

Now in its thirteenth edition, the event celebrates the European Day of Languages, an annual occasion that promotes language learning and cultural exchange across Europe – and beyond. Foreign language skills don't just break down barriers: they open doors to new friendships, new cultures, and new professional opportunities.

您是否曾經想要學習幾句意大利語、德語、法語或其他歐洲語言，卻不知從何開始？「歐洲語言日」讓您有機會以有趣、非正式和互動的方式，深入了解歐洲豐富的文化和語言。

在香港舉行的歐洲語言日是一個充滿活力的公眾活動，參觀者只需一個下午的時間，便可探索各種歐洲語言。在每個語言攤位，參加者都會被邀請參加一個 3 分鐘的短講環節，向母語或流利的講者學習一些有用的單詞或短語。每節課程結束後，他們都會在個人的「歐洲語言護照」上蓋上印章。當他們收集到三個印章後，就可以在歐盟資訊攤位兌換小紀念品，並進一步了解使歐洲如此獨特的文化和語言多樣性。

歐洲語言日是一年一度的盛事，旨在促進歐洲及其他地區的語言學習和文化交流。外語技能不僅能打破障礙，還能開啟通往新友誼、新文化和新專業機會的大門。

The Italian language played an important international role for centuries in Europe and around the Mediterranean, serving literature and, more generally, culture (visual arts, architecture, etc.), as well as trade and diplomacy. Its peak in popularity coincided with the great Renaissance period, when Italian-style sonnets were being written at the courts of France, Spain, and England, often in Italian, and official communications between European powers and the Ottoman Empire were also in Italian, while very basic versions of the language were used as a common means of communication in North African ports. Italian's international influence continued in the following centuries thanks to *commedia dell'arte* and opera, and it extends to today in areas like food, design, and fashion.

The conference will go over this fascinating story, highlighting, through the analysis of a selected number of episodes, the dynamics of how Italian "genius" has spread abroad in terms of language, without overlooking the contacts and mixings of Italian culture and language with other languages and cultures: a happy encounter that has allowed – and still allows – Italian to spread as a tool of peace, for inventing, designing, and creating even far from Italy.

幾個世紀以來，意大利語在歐洲及地中海地區的國際交流中發揮重要作用，廣泛應用於文學、視覺藝術、建築、貿易及外交等領域。文藝復興時期是意大利語廣泛傳播的重要時期。當時，法國、西班牙及英國的宮廷均流行創作意大利風格的十四行詩，而這些作品通常以意大利語寫成。意大利語亦用於歐洲列強與鄂圖曼帝國之間的官方通信，而一些較為簡化的意大利語變體則成為北非港口地區的溝通媒介。此後數個世紀，意大利語透過即興喜劇和歌劇，繼續在國際舞台上發揮影響力。這種影響力至今仍延續至美食、設計及時尚等領域。

本次講座將回顧這段引人入勝的歷史，透過分析若干精選案例，探討意大利語在海外的傳播，以及其在不同地區形成的語言變體。同時，講座亦將探討意大利語言與文化如何與其他語言及文化接觸、交流和融合。這些跨文化接觸促成了富有成果的交流，讓意大利語至今仍成為促進和平與交流的媒介，並持續啟發人們構思、規劃與創造，即使身處意大利以外的地方亦然。

19:30 8 – 10 OCTOBER

Grand Theatre

Hong Kong Cultural Centre

As part of Hong Kong's 2026 opera season, Opera Hong Kong will present two iconic Italian verismo masterpieces, Mascagni's *Cavalleria Rusticana* and Leoncavallo's *Pagliacci*, in a powerful double-bill production.

This iconic verismo pairing brings together two of the most celebrated Italian operas of the late 19th century, exploring themes of love, betrayal, jealousy and revenge through emotionally charged music and dramatic storytelling. It is one of the key productions in Hong Kong's 2026 opera program.

Mascagni's verismo masterpiece *Cavalleria Rusticana* is a one-act opera set in a Sicilian village on Easter morning. With its soaring Intermezzo and powerful emotional intensity, *Cavalleria Rusticana* remains one of the most moving works in the Italian operatic repertoire.

Based on a real late-19th-century Italian murder case, Leoncavallo's *Pagliacci* follows Canio, the head of a travelling acting troupe. The famous aria "Vesti la giubba" is one of the most recognisable tenor arias in opera history. *Pagliacci* remains one of the defining masterpieces of verismo opera.

作為香港 2026 年其中一套意大利經典歌劇製作，香港歌劇院（Opera Hong Kong）將於 2026 年 10 月 8 至 11 日在香港文化中心大劇院呈獻馬斯卡尼《鄉村騎士》及列卡華洛《丑角》雙劇連演。

這一經典的意大利寫實主義（Verismo）歌劇組合，匯聚兩部十九世紀末最具代表性的意大利歌劇作品，以強烈情感的音樂與扣人心弦的戲劇張力，深刻描繪愛情、背叛、嫉妒與復仇等情感衝突，為香港 2026 年歌劇節目中的重點製作之一。

馬斯卡尼的寫實主義經典《鄉村騎士》是一部獨幕歌劇，背景設定於復活節清晨的西西里村莊。憑藉動人心弦的〈間奏曲〉及濃烈的情感張力，《鄉村騎士》至今仍是意大利歌劇曲目中最震撼人心的作品之一。

列卡華洛《丑角》改編自十九世紀末意大利一宗真實謀殺案。戲班班主卡尼奧率領流動劇團演出，其妻妮達暗中與當地青年西爾維奧相戀。著名詠嘆調〈Vesti la giubba〉成為男高音經典曲目之一。《丑角》亦被視為寫實主義歌劇最具代表性的傑作之一。

Roots and Migrations:

CONCERT BY DUO BARALDI

19 OCTOBER

8:00PM

Jockey Club Auditorium

Hong Kong Polytechnic University

A return to our roots.
A journey between East and West.
An exploration of what it means to be "home".

Roots and Migrations is born from the story of Demian and Dylan Baraldi, Italian brothers and musicians of Chinese heritage, who grew up between different cultures, languages, and countries.

With Roots and Migrations, the Duo returns to China, transforming a journey back to their roots into an exploration of what it means to belong to more than one place at the same time.

At the heart of the project are the stories and music of those who, like the two brothers, have crossed borders, cultures, identities, and eras to tell something deeply human: the longing for what we have left behind, the discovery of what we encounter along the way, and the desire to find, wherever we are, a place we can call home.

A journey to be heard.
An encounter to be experienced.

一次歸根之旅。
一趟遊走東西方的旅程。
一場關於「家」之意義的探索。

《根源與遷徙》源自 Demian 與 Dylan Baraldi 的故事——這對擁有華人血統、成長於不同文化、語言與國家之間的意大利兄弟兼音樂家。

透過《根源與遷徙》，這對雙人組合重返中國，將這趟追根尋源的旅程，轉化為對「同時歸屬於多個地方」之意義的探索。

這個計畫的核心，是那些與兩兄弟一樣跨越國界、文化、身份與時代的人們的故事與音樂，他們訴說著深刻的人性：對所遺留事物的思念、對旅途所遇事物的發現，以及無論身在何處，都渴望找到一個能稱為「家」的地方。

一趟值得細味的旅程。
一次值得親身體驗的邂逅。

Brunello, il visionario garbato

PUBLIC SCREENING TO

LOCATION TO BE ANNOUNCED

Brunello, il visionario garbato is a cinematic portrait of Brunello Cucinelli — humanist entrepreneur, founder of the company that bears his name, and an emblem of Italian excellence throughout the world. His story is one in which business and philosophy converge, giving rise to a distinctive vision of work, life, and human dignity.

Blending documentary and fiction, the film retraces the places, memories, and pivotal moments that shaped Cucinelli's extraordinary journey: from his childhood in the Italian countryside to the medieval village of Solomeo, which he transformed into the living embodiment of his vision of humanistic capitalism.

Through intimate testimonies, archival footage, and personal recollections, the film reveals the story of a man who rose from humble beginnings to build a globally renowned company, while remaining faithful to the values of dignity, beauty, and social justice.

At its heart, Brunello, il visionario garbato is a reflection on the power of dreams — and on the courage required to pursue them. Because, ultimately, it is the dreams we dare to cultivate that become the true force shaping our destiny.

The screening of the film, which is open to the public, will be announced soon by the organisers.

Conceived by Assocoral – the Italian Association of Coral and Cameo Producers – and supported by the Italian Trade Agency, "Assocoral on Stage" is an immersive installation dedicated to promoting Italy's coral and cameo excellence on the international scene. After its debut at JCK Las Vegas, the project will arrive at JGW Hong Kong in September, presenting a series of evocative "tableaux vivants" that showcase the craftsmanship of Italian coral and cameo jewelry against vivid imagery of Torre del Greco, Naples and the Campania region. Visitors are invited to step into a visual journey into "a dream called Italy."

由意大利珊瑚及浮雕製作者協會 Assocoral 構思、並獲意大利商務專員公署支持的「Assocoral on Stage」項目，是一個以推廣意大利珊瑚及浮雕工藝為核心的沉浸式視覺裝置。該項目於美國拉斯維加斯 JCK 展會首度亮相，九月將移師「九月香港珠寶首飾展覽會」（Jewellery & Gem WORLD Hong Kong, JGW），透過一系列富戲劇感的「動態畫面」，結合托雷德爾格雷科、拿坡里及坎帕尼亞大區的影像，細緻呈現意大利珊瑚及浮雕首飾的工藝魅力與意式生活美學，引領觀眾踏上一段「名為意大利的夢想」旅程。

Vino Condiviso 2026: Connessione 意酒連眾

31 OCTOBER

12:00 - 15:30

The Salons, Grand Hyatt Hong Kong

1 Harbour Road, Wanchai

This "BYO (Bring-Your-Own-Bottle) Lunch" asks you to bring a bottle of Italian wine that made you feel connected to Italy.

The theme of the event is "connection", and its highlight event is the setup of 12 booths around the room, each hosted by one "super connector" with his/her choice of an Italian wine that sparked their love for Italian wine. Guests are invited to walk around the room, taste the wines from our super connectors, and get inspired by their Italian love stories.

Later at our 4-course lunch, each guest will be given the platform to share their own wines and stories with fellow wine enthusiasts!

Chef Valerio Mandile has designed for us a fantastic lunch menu filled with regional Italian dishes. We will be enjoying Vitello Tonnato and Mantecato di Baccalà as appetizers, Neapolitan baked pasta as the first course, Sardinian roasted suckling pig as the main course, and a specially made flourless cake from Capri for dessert.

本屆主題為「連結」，誠邀您攜帶一瓶曾經讓您愛上意大利、並與意大利產生深刻連結的意大利葡萄酒，與大家分享。

活動亮點在於場內將設置 12 個攤位，每個攤位由一位「連結者」主持，並帶來他／她所挑選、曾令其愛上意大利或意大利酒的一款佳釀。來賓可自由穿梭於各攤位之間，與不同的「連結者」交流，同時也與其他參加者分享自己帶來的酒款。

主廚 Valerio Mandile 為我們設計了一份精彩的午宴菜單，充滿意大利各地特色風味。前菜將供應 Vitello Tonnato（鮪魚醬小牛肉）及 Mantecato di Baccalà（奶油鱈魚泥）；第一道主菜為拿坡里風味烤焗麵食；第二道主菜為薩丁尼亞式烤乳豬；甜點則是特製無麵粉蛋糕。

我們期待在這次盛會中與您相見！
