ArtStone Planters

ArtStone planters are made with a proprietary blend of PCR polypropylene material and natural stone, giving each piece a one-of-a-kind look. This generous selection of planters in various shapes, sizes, applications, and neutral tones provides unlimited sales opportunities.

ArtStone Planter Features:

- Keeps plants hydrated with its sub-irrigated Water-Minder® reservoir*
- Removable plug allows for use both indoors and outdoors without a saucer or tray
- Footed bottom provides airflow to root systems
- Made with recycled** materials
- UV-stabilized and frost-resistant
- One-year limited warranty

**Included on all planters 5½" and larger only.*

***All colors except "white" are made from recycled materials.*
