A DANCE ACROSS THE ISLAND

Bali is a rhythm of waves, mist, and tradition. This menu captures its spirit with cocktails inspired by Bedugul, Ubud, and Nusa Penida. Crafted with local ingredients, each drink offers a taste of the island—a journey through land, sea, and culture in every sip.

UBUD

The Cultural Heartbeat

Ubud is where Bali's soul flourishes—a sanctuary of art, tradition, and deep connection to nature. Its landscapes are painted with rice terraces, mango trees, and ginger flowers, while its spirit is reflected in ceremonial offerings and daily rituals. Here, our cocktails take on a vibrant and aromatic character, celebrating the energy and artistry of this sacred town.

Inspired by this fertile land, our cocktails embrace the crisp freshness of the region, blending earthy and herbal notes that evoke the stillness of a morning in the clouds.

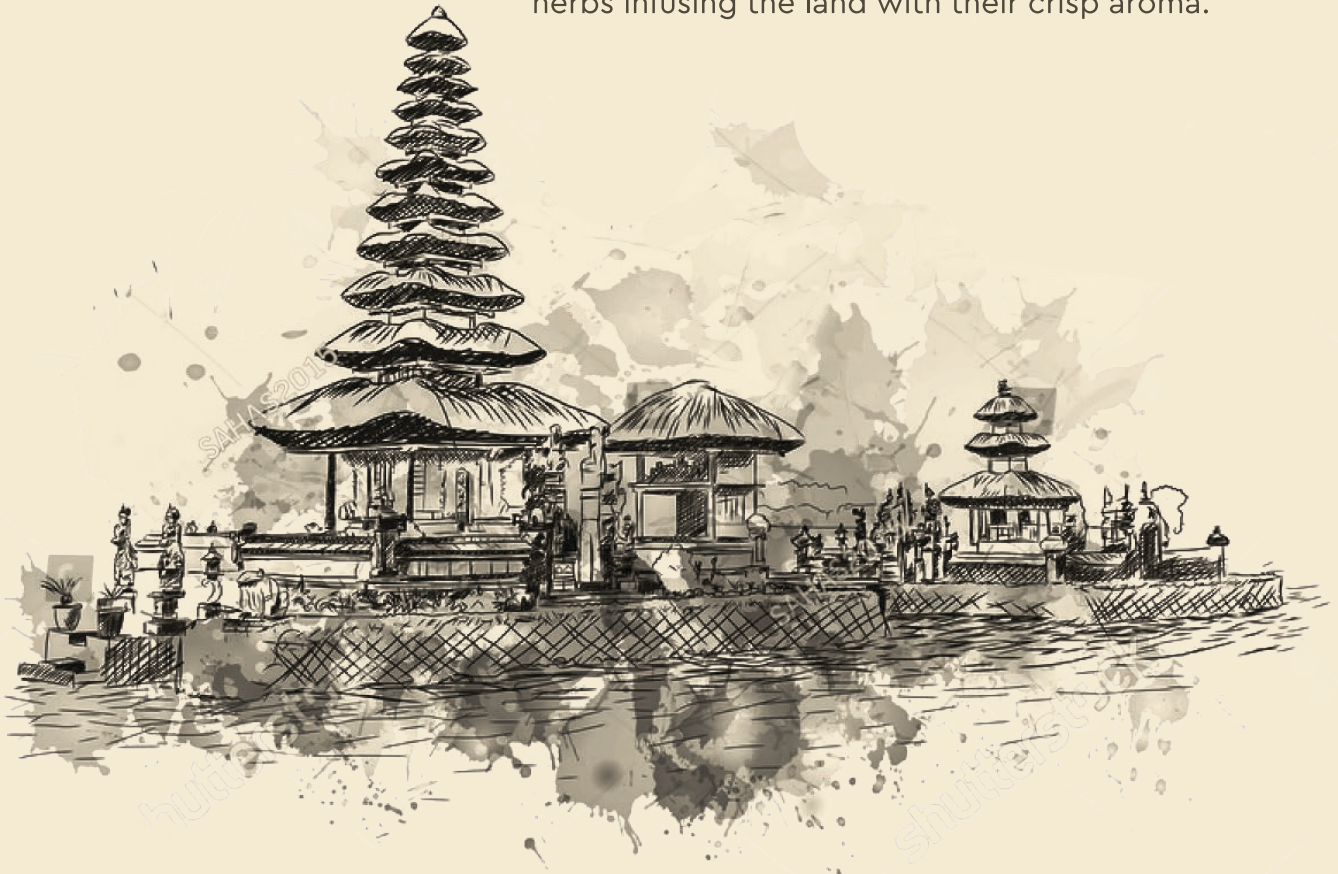

NUSA PENIDA

The Ocean's Whisper

Where cliffs stand tall against the waves, Nusa Penida captures the untamed beauty of Bali's coastline. Sea breeze, salt, and sun-drenched landscapes define this paradise, where green seaweed and coastal botanicals find their way into our cocktails. A sip here is like a breath of ocean air-refreshing, mineral-rich, and deeply

Misty Land

High in the misty mountains, Bedugul is a sanctuary of cool air and fertile soil. It's here that Bali's freshest produce thrives—strawberries bursting with sweetness, tamarillo lending a tangy depth, and wild herbs infusing the land with their crisp aroma.
