peaceful
fruit world

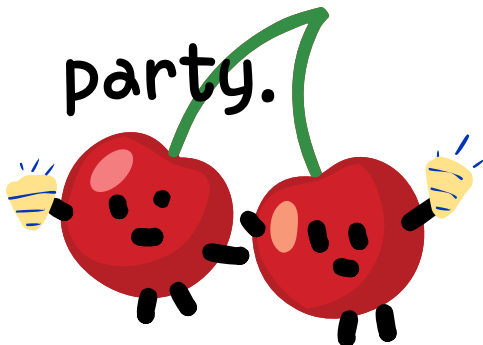

we're going to have a
suprise birthday party on
watermelon's birthday

The fruits are getting
ready for a birthday
party.

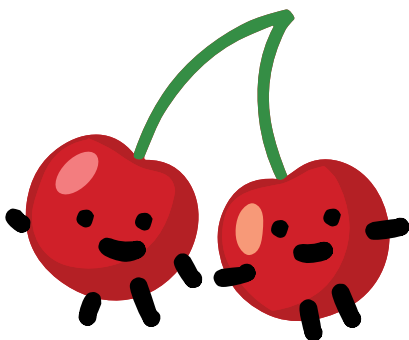

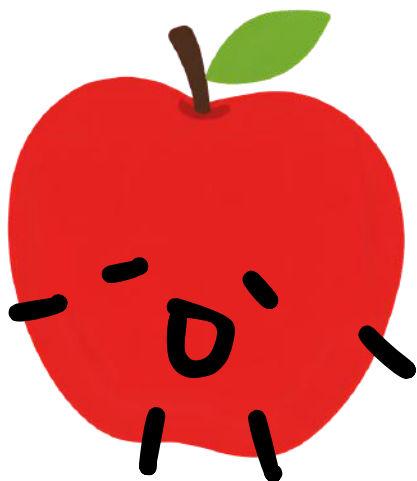

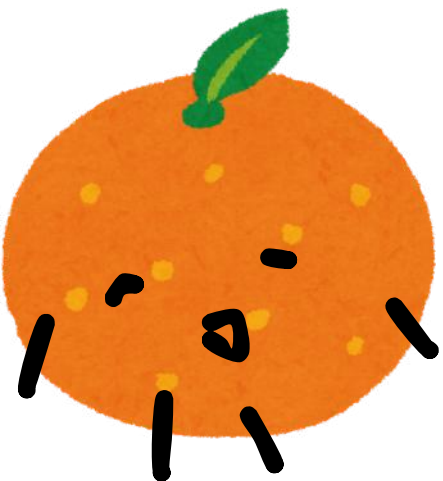

Then, the strawberry drops
the birthday cake while
carrying it.

The strawberry cries
and says, "I'm sorry."

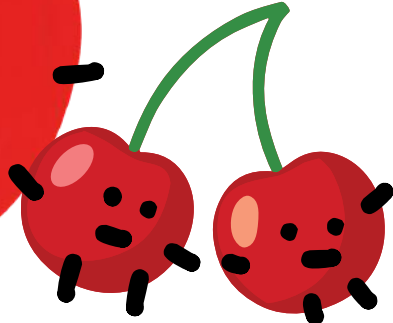

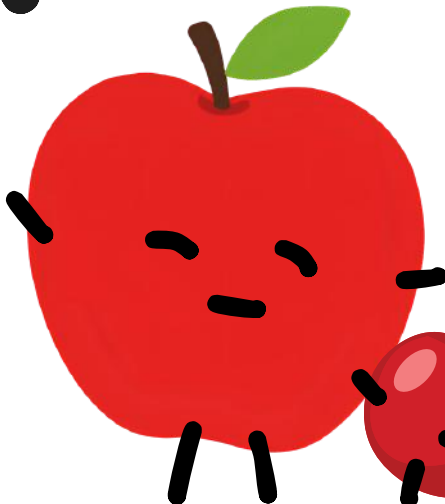

The fruit friends said, "It's
okay," and helped clean up
together.

Thanks to his friends,
the watermelon had a
successful birthday party.

The strawberry thanked the fruit friends for helping make the birthday party a success.
