School trips provide invaluable experiences for pupils to explore and discover new things. Off-site and personal accident cover gives you reassurance that if the unexpected happens, pupils, teachers and volunteers are protected. All trips are covered within the UK and overseas. Pupils and authorised adults attending an off-site activity are covered with no additional cost. You do not need to declare individual staff and pupils for off-site trips and have 24 hour support with your policy.

How Does On-Site Activities Cover Work?

The insurance premium is based on the level of cover selected and the total number of pupils for the year. You do not need to declare the activities undertaken in the school and cover extends to teachers, supporting staff and volunteers up to the age of 75.
