The Full Suite of FF&E

M4LCI manages every step of the FF&E process, from removing and disposing of existing pieces to receiving, storing, delivering, and installing the new. Every installation is handled with meticulous care and completed on schedule.

REMOVAL & DISPOSAL.

Existing FF&E is packed out, removed, and responsibly disposed of or stored.

RECEIVING & STORAGE.

New FF&E is received, inspected, and stored securely until the site is ready.

DELIVERY & PLACEMENT.

Delivered and placed exactly where and when it is needed.

ART & SPECIALTY HANDLING.

Framed art, sculptures, mirrors, headboards, and everything else that needs expert care.

INSTALLATION & ASSEMBLY.

Onsite setup, assembled and ready to use.

REPAIRS AS NEEDED. Every piece is made ready for guests and customers.

INSPECTION & TURNOVER.

Checked against punch lists, plans, and specs with onsite staff, then turned over complete.

How We Work

Every project follows the same disciplined process, giving GCs and owners' reps full confidence from bid to closeout.

1

BID. Complimentary site walk, detailed scope review, and clear, transparent pricing.

2

PLAN. Schedule, site access, staging, and delivery sequence aligned with the GC and owners' rep.

3

COORDINATE. A dedicated onsite lead keeps crews, deliveries, and trades moving together, with updates as the job progresses.

4

EXECUTE. Professional crews complete every phase to plans and specs, adapting as scope changes.

5

CLOSE OUT. Final punch list walk with onsite staff, repairs completed, and the space turned over clean and complete.

Warehousing & Storage

Our secure, climate controlled 80,000 sq. ft. warehouse in Las Vegas bridges the gap between delivery and installation.

SCALABLE STORAGE.

Flexible short and long term options for projects of any size.

RECEIVING & INSPECTION.

Every delivery is checked in, inspected, and documented on arrival.

INVENTORY TRACKING.

Labeling, tracking, and real time visibility from receiving to final delivery.

STAGED DELIVERIES.

Items released on the project schedule, floor by floor or room by room.

AFTER HOURS SCHEDULING.

Moves completed nights and weekends, keeping operations running.

PROFESSIONAL CREWS.

Trained, uniformed crews with the equipment to move any size operation.

Commercial Relocation

From office suites to full warehouse moves, M4LCI plans and completes commercial relocations with minimal downtime.

OFFICE & FACILITY MOVES.

Furniture, equipment, and files moved, reinstalled, and ready for business.

WAREHOUSE RELOCATIONS.

Inventory and equipment moved with detailed planning and tracking.

White Glove FF&E Services

M4LCI works side by side with GCs and owners' representatives on every detail. For high value and luxury spaces, our white glove team provides the highest level of care for furniture, fixtures, and equipment: storage, disposal, and installation.

LUXURY SUITES & VILLAS.

High roller suites, sky villas, and premium guest rooms finished to the last detail.

ART & ARTIFACTS.

Removal, crating, storage, and installation of fine art, sculptures, and statement pieces.

DESIGNER & CUSTOM PIECES.

Custom furnishings and high end fixtures handled piece by piece.

PROTECTED ENVIRONMENTS.

Floors, walls, and finishes safeguarded throughout every install.
