ABOUT ME

Inspiring women like YOU to feel more beautiful and confident using a routine that fits your personal lifestyle and budget.

Recognizing your God-given gifts & talents and putting them to use in mid-life through faith, family, financial planning, and good works.

Enjoying the fruits of your labor through travel, outdoor activities, hobbies, home life, and relaxation.

I am Connie Johnston, a 50-something happy wife, proud momma and a life-long resident of central and rural West Virginia (as if parts of West Virginia aren't rural).

I am happily married to "the perfect husband" and my very bestest friend ever, Ernie. We have made the joint decision to enjoy livin' life to it's fullest – wherever and whatever that might entail. Notice I didn't say "whenever" – I'm talking about NOW, before it's too late!

This philosophy for LIVIN' Is what you'll find in all of our Mid-Life Livin' products. I strive to create products that appeal to mid-lifers who are Livin' Beautifully, Livin' with Purpose, and Livin' the Dream.
