

BOYS' PREP

CO-CURRICULAR **2026-2027**

WELCOME FROM THE HEAD

Our co-curricular programme at Surbiton High Boys' Preparatory School is both extensive and enriching. With a wide range of clubs across sport, the arts, technology and more, there is something to suit every boys' interests. Whether before school, at lunchtime or after school, our provision offers every boy the chance to pursue his passions, enrich his experience and develop a greater sense of enjoyment at school. Our clubs are led by specialist instructors or by teachers with a genuine passion for the activity they run. This brings both depth and rigour, ensuring the boys gain the maximum benefit from every session. We encourage each boy to try something new or to hone his skills in a chosen area. There is something for everyone; just take a look inside. ■

Surbiton High School Prep Ski Club is one of the largest prep school ski programmes in the country. Our objective as a club is to provide a platform of opportunity for all pupils, whether they are complete beginners wanting to learn a new skill, wanting to improve their technique ready for a family holiday, or want to develop

into a ski racer, this club provides a platform to cover it all.

We offer year-round skiing at the local dry ski slope in Esher, as well as exploring different slopes and surfaces with our Prep Schools race squads. ■

- **TERM** Autumn Term ● **PLACES** 16

RESIDENTIAL TRIPS

Throughout Key Stage 2, the boys have the opportunity to take part in one of the residential trips which traditionally take place during the Summer Term. The aim of each trip is to teach the boys new skills which will be increased as they progress through Key Stage 2 and to provide them with numerous and varying experiences and team building opportunities.■

The planned residential trips are listed below:

- Year 3 - a two day/one night visit to High Ashurst, Dorking
- Year 4 - a three day/two night visit to Ufton Court, Reading
- Year 5 - a four day/three night visit to Mersea, Essex
- Year 6 - a five day/four night visit to Bushcraft, Penshurst Place, Kent

HIGH ASHURST

This is the first residential for Year 3 boys and the first overnight adventure for many. We have a marvellous time taking part in various activities including adventure/night walks, archery,

challenge course, climbing and abseiling on our state of the art climbing tower, high ropes, mountain biking, orienteering, team tasks and woodland.■

UFTON COURT

Year 4 will visit Ufton Court, Berkshire taking part in various supervised activities, focused on building confidence and resilience through a range of challenging nature-based and historical activities. Working closely together, children have a chance to test themselves away from the classroom and develop important life skills.■

MERSEA

The centre sits inside 60 acres on the edge of the River Blackwater and is an ideal coastal location. The boys study coastal climates in Year 5 which will come to life on this

trip. They also take part in a variety of supervised activities, focusing on the water, alongside coastal discovery and team challenges. ■

CALSHOT

In the Summer Term of Year 6, the boys have a residential trip which is organised in conjunction with the Bushcraft Company and consists of five days and four nights sleeping under canvas!

The course combines traditional bushcraft workshops including learning to light fires (under supervision), building shelters and cooking their own food with other adventurous activities. ■

HOUSE SYSTEM

The House system is an important part of school life. Each boy belongs to one of three Houses – Arundel, Balmoral or Caernarvon. Throughout the year, boys represent their House in a range of competitions, which vary from term to term, culminating in a House Sports Day in which all pupils participate. Each House is led by a House Captain and Deputy, supported by the teachers who represent their House. Year 6 boys are given the opportunity to put themselves forward for these leadership

positions. Once elected, the Captains lead their House for the remainder of the year, running House meetings, developing new competitions and representing their House at events. Throughout each term, boys are encouraged to earn House points, which contribute to weekly House totals. Individual achievement is also recognised through Bronze, Silver, Gold, Platinum and Diamond awards, celebrating sustained hard work and exemplary behaviour.■

CHARITIES

At Surbiton High Boys' Preparatory School, we actively encourage and support boys to participate in a range of fundraising activities. Fundraising events are held and celebrated throughout the year, reinforcing the School's motto, 'May love always lead us' and supporting the ethos to serve and respect others.

At the start of the academic year, all boys are given the opportunity to nominate a charity for the School to support over the course of a term. They are required to give a short presentation to their forms, detailing the reasons why the charity is important to them and the reasons why we should choose the charity. Once shortlisted, these charities will then be presented in front of the whole School.

The pupils then select three charities for the following year to support. We try, wherever possible, to invite a representative from the charity to present an assembly to the School in order to broaden the boys' knowledge of the importance of the charity. We also actively encourage and celebrate individual boys' fundraising initiatives through assemblies. ■

SCHOOL COUNCIL

The School Council plays an active role in representing pupils' views and supporting school life. There are two School Council groups: one for Years 1, 2 and 3 at Charles Burney House, and another for Years 4, 5 and 6 at Avenue Elmers. Each group is led by a teacher

and meets weekly to discuss the views of the class, as well as any concerns and suggestions. Ideas and feedback from these meetings are shared with the Senior Leadership Team through the lead teacher. Together, they review the issues raised, discuss any actions

taken and provide valuable feedback to pupils. In addition, members of the School Council play an important role in supporting the school's charitable work, helping to organise and run a wide range of fundraising events across the year. ■

School Mathematics and English Clubs. Throughout the year, boys will be invited to attend the session most suited to their needs.■

11+ MATHS ● **WHO** Year 5 ● **WHEN** Tuesday, 4.00pm-5.00pm ● **STAFF** Maths Department ● **TERM** Spring & Summer

ART SCHOLARSHIP

This club is by invitation only in order to help pupils who are intending to put themselves forward for an art scholarship. ■

HOW DO I ENROL MY SON IN A CLUB?

ou will have received this booklet, outlining more information about the vast range of activities offered for 2026-2027. Bookings for clubs are made online on our sign-up platform <https://surbitonhigh.schoolsbuddy.net>.

These are made over the Summer for activities taking place during the Autumn Term. Once the Sign-Up

window has closed, we will allocate places, confirm by email and open to view on your SchoolsBuddy account in My Diary. For the Spring and Summer Terms, Sign-Up details will be sent to you soon after the half term in October and February, respectively. If you have any questions, please contact the Co-curricular Club Team via email at prepclubs@surbitonhigh.com. ■

SUPPORTING OUR PREP SCHOOL COMMUNITY

TERM TIME WRAP AROUND CARE

Breakfast and After School Club takes place each day during term time and provides a safe, happy environment for our pupils. It is an ideal place to spend time with and make new friends. Staff are dedicated to providing an excellent experience for all pupils at each end of the school day.

Breakfast Club is available to all pupils from 7.30am until the start of the school day. A nutritious breakfast is provided and pupils can complete homework as well as take part in a variety of supervised activities.

After School Club is available from the end of your child's school day until 6.00pm. A healthy snack is offered and there is a staff supervised quiet study area. A wide variety of activities such as arts and crafts, construction kits, role play board games and sport are on offer. Pupils are given a snack on arrival at After School Club and

water is available at all times. The Snack Menu is available to view on your SchoolsBuddy account. For further information, please contact our Breakfast and After School Clubs Team via afterschoolclub@surbitonhigh.com.

Crèche is available to all pupils in Reception, Year 1 and Year 2 who also have a sibling in Year 3, Year 4, Year 5 or Year 6 and to help with the end of day collection at 3.45pm. The younger child should be collected from Crèche by 3.40pm, in time to collect the older sibling from their school at 3.45pm.

Homework at **Prep Study Hall** is available to all pupils in Years 3 to Year 6 and by booking via your SchoolsBuddy account. This will be held at School on Mondays and Tuesdays, enabling pupils to complete homework in a supervised quiet classroom until 4.15pm. Pupils can be collected from School at 4.15pm or transfer to After School Club to complete any outstanding homework. ■

HOLIDAY CAMP

Our Prep Holiday Camp is an excellent way for your children to enjoy their break from school by engaging in a wide variety of fun activities with familiar people in familiar surroundings. We welcome all children from Reception to Year 6 attending Surbiton High Prep Schools, along with their siblings and friends.

Run by our dedicated Prep School team, each day is bursting with a variety of activities designed to ignite curiosity and keep children engaged for hours. From sports and creative sessions to practical life skills and mindfulness, there is something for every child to get involved in.

Here is what your child can look forward to:

- **Staying Active:** a dynamic range of activities to keep energy levels high.
- **Building Confidence:** discover and master new skills in a supportive setting.
- **Making Friends:** socialise, collaborate, play, and have fun in

a safe and welcoming environment.

- **Exploring New Interests:** try exciting new activities that spark creativity and curiosity.
- **Enhancing Well-Being:** mindfulness and kindness are at the heart of what we do.
- **Feeling at Home:** supported by the Surbiton High School team, who know and care for your child.

Give your child a holiday experience they will remember—full of laughter, and discovery. We cannot wait to see them there!

If you would like to book your son/daughter into Holiday Camp please do so via SchoolsBuddy (<https://surbitonhigh.schoolsbuddy.net>), on a first-come, first-served basis. You can choose individual days or a whole week. If you would like to book a sibling who does not attend one of our Prep Schools, please contact our Holiday Club Team via prepholidaycamp@surbitonhigh.com. ■
